

THE SEA
CAME IN AT
MIDNIGHT

A NOVEL

STEVE
ERICKSON

Sea Came In At Midnight

William Thoms

Sea Came In At Midnight:

The Sea Came in at Midnight Steve Erickson, 2013-04-30 DIVDIV If you read one philosophical doomsday kinky sex road trip novel this year make it this one Salon divDIV It s New Year s Eve 1999 and the members of a powerful cult are about to commit ritual suicide Fleeing their ranks at the final moment teenager Kristin lands in Tokyo where she gains employment listening to clients stories in a memory hotel designed to address the decay of Japanese collective memory after the Second World War But Kristin herself has a startling odyssey Among other things it involves answering a personal ad only to wind up imprisoned naked in an empty house presided over by a man known as the Occupant hard at work on a millennial calendar that has serious implications for the future The Sea Came in at Midnight is a breathtaking fable of redemption and one of Erickson s most impressive visions to date div div **The Sea Came in at Midnight** Steve Erickson, 2000

When the Sea Came Alive Garrett M. Graff, 2025-06-03 From the New York Times bestselling author of The Only Plane in the Sky and Pulitzer Prize finalist for Watergate comes the most up to date and complete account of D Day the largest seaborne invasion in history and the moment that secured the Allied victory in World War II D Day is one of history s greatest and most unbelievable military and human triumphs Though the full campaign lasted just over a month the surprise landing of over 150 000 Allied troops on the morning of June 6 1944 is understood to be the moment that turned the tide for the Allied forces and ultimately led to the defeat of the Axis powers in World War II Now a new book from bestselling author and historian Garrett M Graff explores the full impact of this world changing event from the secret creation of landing plans by top government and military officials and organization of troops to the moment the boat doors opened to reveal the beach where men fought for their lives and the future of the free world Fascinating action packed and filled with impressive detail When the Sea Came Alive captures a human drama like no other and offers a fitting tribute to the men and women of the Greatest Generation [Conversations with Steve Erickson](#) Matthew Luter, Mike Miley, 2021-06-28 Much like his novels

Steve Erickson b 1950 exists on the periphery of our perception a shadow figure lurking on the margins threatening to break through but never fully emerging Despite receiving prestigious honors Erickson has remained a subterranean literary figure receiving effusive praise from his fans befuddled or cautious assessments from reviewers and scant scholarly attention Erickson s obscurity comes in part from the difficulty of categorizing his work within current trends in fiction and in part from the wide variety of concerns that populate his writing literature music film politics history time and his fascination with his home city of Los Angeles His dream fueled blend of European modernism American pulp and paranoid late century postmodernism makes him essential to an appreciation of the last forty years of American fiction but difficult to classify neatly within that same realm He is at once thoroughly of his time and distinctly outside it In these twenty four interviews Erickson clarifies how his aesthetic and political visions are inextricable from each other He diagnoses the American condition since World War II only to reveal that America s triumphs and failures have been consistent since its inception and

that he presciently described decades ago certain features of our present. Additionally the interviews expose the remarkable consistency of Erickson's vision over time while simultaneously capturing the new threads that appear in his later fiction as they emerge in his thought. Conversations with Steve Erickson will deepen readers' understanding of how Erickson's books work and why this utterly singular writer deserves greater attention.

Frogs and Toads Forever: The War at Sea, Captain Bligh's Second Voyage to the South Sea Ida Lee, 2024-01-29

Captain Bligh's Second Voyage to the South Sea by Ida Lee provides a riveting account of the renowned Captain William Bligh's lesser known but equally dramatic expedition to the South Sea. Lee, a meticulous chronicler, unveils the challenges and triumphs faced by Captain Bligh and his crew as they embarked on this perilous maritime adventure. Navigate through the pages to witness the unforgiving seas, the complexities of navigation, and the dynamics among the crew. Lee's narrative skillfully intertwines historical accuracy with vivid storytelling, offering readers a front row seat to the unfolding drama. This historical masterpiece not only sheds light on Bligh's leadership but also captures the essence of exploration during the late 18th century. Join Captain Bligh on his second South Sea voyage, experiencing the relentless pursuit of scientific discovery, encounters with indigenous cultures, and the resilience of the human spirit in the face of adversity. Ideal for history enthusiasts, maritime scholars, and adventure seekers, Ida Lee's narrative brings to life a chapter of maritime history that deserves its place in the annals of exploration. Immerse yourself in the grandeur and challenges of Captain Bligh's Second Voyage to the South Sea through the pen of Ida Lee.
