Truth or Deception? B. L. Smith, 2016-01-04 Did God really say You must not eat from any tree in the

garden Genesis 3:1 With a seemingly small twist on God's Word the assault on truth began in Eden The enduring battle against truth is prevalent today as some argue that there is no inherent truth Instead they assert that truth is ever changing and necessary in order to complement the times Still others pretend to uphold the truth yet preach a false gospel They twist the Scriptures in order to propel their selfish and highly flawed agendas deceiving many Truth or Deception urges believers to examine the Scriptures for themselves in order to be equipped to discern between the truth and the lies The church that believes and lives in Christ can only experience victory in today's hostile environment if it is founded upon the truth of God's Word While the world is lost and confused it ought not to be so with believers The Word of God is the owner's manual for mankind It offers guidance and warns on the dangers of the deceivers Jesus said Ye shall know the truth and the truth shall make you free John 8:32 But how can one who is deceived truly experience freedom or lead anyone else toward freedom It is impossible It is time for God's people to uncompromisingly stand for truth and expose the counterfeits for what they truly are enemies of God

Introduction to Equatorial Guinea Gilad James, PhD, Equatorial Guinea is a small country located in west central Africa bordered by Cameroon to the north and Gabon to the south and east The country consists of the mainland region which is the R o Muni and the island region of Bioko which is made up of the islands of Bioko and Annob n The country has a small population of around 1.2 million people with roughly the same number of people living on the mainland as on the islands Equatorial Guinea is one of the smallest countries in Africa in terms of both population and land area It is also one of the most ethnically diverse countries in Africa with over 50 different ethnic groups present Equatorial Guinea gained independence in 1968 after Spanish colonization Since then the country has been ruled by one political party the Democratic Party of Equatorial Guinea PDGE The country is one of the wealthiest in Africa with a per capita GDP that ranks among the highest on the continent This is largely due to oil reserves discovered in the 1990s which make up the majority of the country's export earnings Despite its wealth Equatorial Guinea is also known for its human rights abuses and corruption with the country frequently ranking poorly on global indices measuring these factors
