and continues to include changes in human civilization culture technology and beyond The story benefits from a grounding in everyday human fears and troubles along with mind blowing scenes which venture into questions about creation and the role of human beings in it The novel is chock full of information about stars and the planets and yet he clearly knows a thing or two about teenagers old folks sailing marine biology marriage love pop culture terrorism religious extremists and the media Rhonda Parks Manville SANTA BARBARA NEWS PRESS **The English Catalogue of Books ...: 1801-1836.
