Seafarers Of The Pacific:

Sailors and Traders Alastair Couper, 2008-12-09 Written by a senior scholar and master mariner Sailors and Traders is the first comprehensive account of the maritime peoples of the Pacific It focuses on the sailors who led the exploration and settlement of the islands and New Zealand and their seagoing descendants providing along the way new material and unique observations on traditional and commercial seagoing against the background of major periods in Pacific history The book begins by detailing the traditions of sailors a group whose way of life sets them apart Like all others who live and work at sea Pacific mariners face the challenges of an often harsh environment endure separation from their families for months at a time reverse their vessels and share a singular attitude to risk and death The period of prehistoric seafaring is discussed using archaeological data interpretations from interisland exchanges experimental voyaging and recent DNA analysis Sections on the arrival of foreign exploring ships centuries later concentrate on relations between visiting sailors and maritime communities The more intrusive influx of commercial trading and whaling ships brought new technology weapons and differences in the ethics of trade The successes and failures of Polynesian chiefs who entered trading with European type ships are recounted as neglected aspects of Pacific history As foreign owned commercial ships expanded in the region so did colonialism which was accompanied by an increase in the number of sailors from metropolitan countries and a decrease in the employment of Pacific islanders on foreign ships Eventually small scale island entrepreneurs expanded interisland shipping and in 1978 the regional Pacific Forum Line was created by newly independent states This was welcomed as a symbolic return to indigenous Pacific ocean linkages The book's final sections detail the life of the modern Pacific seafarer Most Pacific sailors in the global maritime labor market return home after many months at sea bringing money goods a wider perspective of the world and sometimes new diseases Each of these impacts is analyzed particularly in the case of Kiribati a major supplier of labor to foreign ships

The Sailors' Union of the Pacific Paul Schuster Taylor, 1923

Fishing for Islands, 1999 From bamboo rafts to the double hulled voyaging canoe this book is a celebration of the traditional boats of Southeast Asia and the Pacific Islands The people of these island countries depend on the sea and their ships reflect their mastery of sailing and shipbuilding Early sailors built simple dugout canoes but the invention of the outrigger and the double hulled canoe allowed the Polynesians to navigate rough waters and sail thousands of miles more than 1 000 years before the Greeks and Romans mastered the Mediterranean From New Zealand to Hawaii to Indonesia this book discusses fishing techniques navigational methods and boat building facts

[Sailors and Traders](#) Alastair Couper, 2020-02-29 Written by a senior scholar and master mariner Sailors and Traders is the first comprehensive account of the maritime peoples of the Pacific It focuses on the sailors who led the exploration and settlement of the islands and New Zealand and their seagoing descendants providing along the way new material and unique observations on traditional and commercial seagoing against the background of major periods in Pacific history The book

begins by detailing the traditions of sailors a group whose way of life sets them apart Like all others who live and work at sea Pacific mariners face the challenges of an often harsh environment endure separation from their families for months at a time revere their vessels and share a singular attitude to risk and death The period of prehistoric seafaring is discussed using archaeological data interpretations from interisland exchanges experimental voyaging and recent DNA analysis Sections on the arrival of foreign exploring ships centuries later concentrate on relations between visiting sailors and maritime communities The more intrusive influx of commercial trading and whaling ships brought new technology weapons and differences in the ethics of trade The successes and failures of Polynesian chiefs who entered trading with European type ships are recounted as neglected aspects of Pacific history As foreign owned commercial ships expanded in the region so did colonialism which was accompanied by an increase in the number of sailors from metropolitan countries and a decrease in the employment of Pacific islanders on foreign ships Eventually small scale island entrepreneurs expanded interisland shipping and in 1978 the regional Pacific Forum Line was created by newly independent states This was welcomed as a symbolic return to indigenous Pacific ocean linkages The book s final sections detail the life of the modern Pacific seafarer Most Pacific sailors in the global maritime labor market return home after many months at sea bringing money goods a wider perspective of the world and sometimes new diseases Each of these impacts is analyzed particularly in the case of Kiribati a major supplier of labor to foreign ships

Facts Behind the Strike Pacific Maritime Association,1962 **Globalisation and Governance in the Pacific Islands** Stewart Firth,2006-12-01 The Pacific Islands are feeling the effects of globalisation Free trade in sugar and garments is threatening two of Fiji s key industries At the same time other opportunities are emerging Labour migration is growing in importance and Pacific governments are calling for more access to Australia s labour market Fiji has joined Samoa Tonga Tuvalu and Kiribati as a remittance economy with thousands of its citizens working overseas Meantime Papua New Guinea and Solomon Islands grapple with an older kind of globalisation in which overseas companies exploit mineral and forest resources The Pacific Islands confront unique problems of governance in this era of globalisation The modern democratic state often fits awkwardly with traditional ways of doing politics in that part of the world Just as often politicians in the Pacific exploit tradition or invent it to serve modern political purposes The contributors to this volume examine Pacific globalisation and governance from a wide range of perspectives They come from Papua New Guinea Solomon Islands Hawaii i the Federated States of Micronesia Samoa Fiji New Zealand and Jamaica as well as Australia Publisher s description

Maritime Cooperation and Security in the Indo-Pacific Region ,2022-12-12 More than twenty Indo Pacific scholars and emerging experts come together in this definitive volume to deliver fresh perspectives and original research on maritime cooperation and security With subjects ranging from the Philippines to Antarctica Coast Guards to climate change these essays pay tribute to the late Commodore Sam Bateman PhD while laying the academic groundwork for the improved policies and behaviours that provide for expanded good order at sea

Maritime workers occupy a central place in global labour history This new and compelling account from Australia shows seafaring and waterside unions engaged in a shared history of activism for legally regulated wages and safe liveable conditions for all who go to sea Maritime Men of the Asia Pacific provides a corrective to studies which overlook this region's significance as a provider of the world's maritime labour force and where unions have a rich history of reaching across their differences to forge connections in solidarity From the militant young Australian Harry Bridges whose progressive unionism transformed the San Francisco waterfront to Australia's successful implementation of the Maritime Labour Convention 2006 this is a story of vision and leadership on the international stage Unionists who saw themselves as internationalists were also operating within a national and imperial framework where conflicting interests and differences of race and ideology had to be overcome Union activists in India China and Japan struggled against indentured labour and coolie standards They linked with their fellow unionists in pursuing an ideal of international labour rights against the power of shipowners and anti union governments This is a complex story of endurance cooperation and conflict and its empowering legacy *Tax Havens and Sovereignty in the Pacific Islands* Anthony B. Van Fossen, Kristy Chambers, 2012 In recent years many countries in Oceania have developed tax havens Using their sovereignty Pacific Islands countries have profited by providing offshore havens from metropolitan taxation and regulation Tax Havens and Sovereignty in the Pacific Islands surveys the timely important and controversial topic of Pacific Islands tax havens havens currently holding hundreds of billions of dollars **Seafarers of the Pacific** Douglas Newton, 1964 Maritime Security in the Indo-Pacific Mohan Malik, 2014-09-24 In the twenty first century the Indo Pacific which spans from the western Pacific Ocean to the western Indian Ocean along the eastern coast of Africa has emerged as a crucial geostrategic region for trade investment energy supplies cooperation and competition It presents complex maritime security challenges and interlocking economic interests that require the development of an overarching multilateral security framework This volume develops common approaches by focusing on geopolitical challenges transnational security concerns and multilateral institution building and cooperation The chapters written by a cross section of practitioners diplomats policymakers and scholars from the three major powers discussed United States China India explain the opportunities and risks in the Indo Pacific region and identify specific naval measures needed to enhance maritime security in the region Maritime Security in the Indo Pacific opens by introducing the Indo Pacific and outlining the roles of China India and the United States in various maritime issues in the region It then focuses on the security challenges presented by maritime disputes naval engagement legal issues sea lanes of communication energy transport humanitarian

assistance and disaster relief as well as by nontraditional threats such as piracy terrorism and weapons proliferation It compares and contrasts the roles and perspectives of the key maritime powers analyzing the need for multilateral cooperation to overcome the traditional and nontraditional challenges and security dilemma This shows that in spite of their different interests capabilities and priorities Washington Beijing and New Delhi can and do engage in cooperation to deal with transnational security challenges Lastly the book describes how to promote maritime cooperation by establishing or strengthening multilateral mechanisms and measures that would reduce the prospects for conflict in the Indo Pacific region

Robert Louis Stevenson's Pacific Impressions Carla Manfredi,2018-11-11 This book tackles photography s role during Robert Louis Stevenson s travels throughout the Pacific Island region and is the first study of his family s previously unpublished photographs Cutting across disciplinary boundaries the book integrates photographs with letters non fiction and poetry and includes much unpublished material The original readings of photographs and non fiction highlight Stevenson s engagement with colonial ideology and reality and advance new arguments about Victorian travel settlement and colonialisms in the Pacific Like the Stevensons the book moves from the Marquesas to the atolls of the Gilbert Islands in Micronesia from the Kingdom of Hawai i s political ambitions to Samoan plantations and the Stevensons settlement at Vailima Central to this study is the notion that Pacific history and Pacific Island cultures matter to the interpretation of Stevenson s work and a rigorous historical and cultural contextualization ensures that local details structure literary and photographic interpretation The book s historical grounding is key to its insightful conclusions regarding travel settlement photography and colonialism **Hiring of Seamen** United States.
