The Formation of the UAE Kristi Barnwell, 2024-04-04 December 2 1971 ushered the United Arab Emirates into existence and marked the end of one hundred fifty years of British protection of the Arab states of the Gulf Today the UAE projects an image of modernity and prosperity but before its formation the emirates endured poverty and political upheaval while the rulers and people navigated the transition from autonomous city states to modern nation states under informal British rule This book shows how the Trucial States came to form a sovereign federation paying particular attention to the role of nationalism and anti imperialism Kristi Barnwell demonstrates that the ruling sheikhs of the Gulf Arab rulers in the Gulf strove to create their new state with close ties to Great Britain which provided technical military and administrative assistance to the emirates while also publicly embracing the popular ideologies of anti imperialism and Arab socialism that were still dominating the political discourse in the Arab world In the process she situates the Emirates modern history in the broader narratives of the history of the Middle

East The research draws on primary source materials from British and American government archives speeches and government publications from the Arab Emirates as well as memoirs and secondary sources The Archaeology of Modern Worlds in the Indian Ocean Mark William Hauser, Julia Jong Haines, 2023-12-19 Bringing together specialists working in multiple areas of the Indian Ocean world this volume uses a historical archaeological approach to explore the importance of the region to the emergence of modernity and globalization **Maritime and Underwater Cultural Heritage Management on the Historic and Arabian Trade Routes** Robert Parthesius, Jonathan Sharfman, 2020-12-15 This book brings together perspectives on maritime and underwater cultural heritage MUCH in selected countries around the Indian Ocean rim that are linked by the historic and Arabian maritime trade routes It explores how selected countries have adapted maritime archaeological and UCH management methodologies rooted in western contexts to their own situations It assesses how new heritage management burdens have been placed on states by outsiders wishing to conserve their own heritage in foreign waters It investigates what these new pressures are and asks what the future holds for the region Each chapter outlines the development of MUCH in the author s home nation provides an overview of current frameworks and activities and looks to the future of research and management The chapters draw conclusions regarding what has driven the process of developing individual approaches and perspectives and what the results have been They ask if the focus is on management or research and if the MUCH vision is focused seaward or towards the hinterland A common thread that binds the chapters is the adaptation of western management and practice structures to contexts where the binaries such as tangible and intangible natural and cultural and submerged and terrestrial become blurred It examines how states have confronted management and research challenges on sites that are validated primarily by European expansion perspectives Songs of the Arabian Red Sea Dionisius A. Agius, Muhammad Zafer Alhazmi, Hasan Hujairi, 2025-07-24 Song and music have always played an important part in the cultural identity of the mariners and coastal peoples of the Red Sea While previous studies on the maritime culture of this region have focused on the sailing vessel the dhow and seafaring communities this is the first book to examine its rich musical repertoire Using fieldwork conducted along the Hijaz and Upper Tihama coasts The Songs of the Arabian Red Sea documents examples of different musical forms and styles as well as the stories of older mariners who describe the contexts in which songs were sung from sea shanties during the working day to soulful ballads about home and loved ones at night Presenting the songs and their lyrics in the context of the geography culture oral history and musicology of the region the book reveals the complex and connected network that influenced their development and the vital place of song and music for diverse communities of the region Gulf in World History Allen James Fromherz, 2018-07-31 Analyses of Ranciere s philosophy and its potential for understanding the conversation between contemporary politics and art cinema **Classic Ships of Islam** Dionisius A.
