JOSEPH. KELLY, A Broken Thing**

Emily Rosko, Anton Vander Zee, 2011-09-16 In the arena of poetry and poetics over the past century no idea has been more alive and contentious than the idea of form and no aspect of form has more emphatically sponsored this marked formal concern than the line But what exactly is the line Emily Rosko and Anton Vander Zee's anthology gives seventy original answers that lead us deeper into the world of poetry but also far out into the world at large its people its politics its ecology The authors included here emerging and established alike write from a range of perspectives in terms of both aesthetics and identity Together they offer a dynamic hybrid collection that captures a broad spectrum of poetic practice in the twenty first century Rosko and Vander Zee's introduction offers a generous overview of conversations about the line from the Romantics forward We come to see how the line might be an engine for ideals of progress political ethical or otherwise For some poets the line touches upon the most fundamental questions of knowledge and existence More than ever the line is the radical against which even alternate and emerging poetic forms that foreground the visual or the auditory the page or the screen can be distinguished and understood From the start a singular lesson emerges lines do not form meaning solely in their brevity or their length in their becoming or their brokenness lines live in and through the descriptions we give them Indeed the history of American poetry in the twentieth century could be told by the compounding and often confounding discussions of its lines A Broken Thing both reflects upon and extends this history charting a rich diffusion of theory and practice into the twenty first century with the most diverse wide ranging and engaging set of essays to date on the line in poetry revealing how poems work and why poetry continues to matter **Long Walk Home** Jonathan D. Cohen, June Skinner

Sawyers, 2019-09-23 In this unique collection critics musicians scholars and fans describe how they have been moved shaped and challenged by Bruce Springsteen's music These essays examine the big questions at the heart of Springsteen's music demonstrating the ways his songs have resonated for millions of listeners for nearly five decades **Mothers of Ireland**

Julie Kane, 2020-02-19 Celebrated poet Julie Kane returns to her Boston Irish Catholic roots in this collection about mothers and daughters shaped by the forces of Irish history and Irish American culture Mothers of Ireland confronts how the legacy of personal trauma gets passed down to subsequent generations with a focus on women from her family history and their paths of both pain and endurance Kane's verse reverberates with the lives of her ancestors and the lasting impacts of famine poverty repressive religion ethnic prejudice and alcoholism The poems are formal villanelles ghazals sonnets sestinas and the like but their language is fresh and rich with the sound of contemporary spoken English Coming from a culture that values music storytelling and the oral poetic tradition Kane uses rhyme and rhythm to move the body as well as the mind Even at their darkest these haunting poems flash with resilient Irish wit **The Seagull Book of Plays** Joseph Kelly, 2022-12-15

Inspire and engage at an affordable price in print or online **The Boundaries Dissolve** Jim Owen, 2014-06-05 Life can be seen as a series of existential encounters always needing interpretation whether it is with ideas or events even those that are purely imaginary Sometimes the interpretation is obvious and universal such as when the young lady gives a firm NO to your

invitation to dinner But others can be intensely personal and tragic thus almost impossible to share Always though there is a passion to understand to come to terms with that great paradox life In *The Boundaries Dissolve* Jim Owen now in his late seventies seeks to interpret in both his essays and poems some of life's encounters he has experienced over the last decade from the perspective of an evangelical Christian Quite often he moves from the very personal to a universal application or understanding The essays are more theological in content working with an idea that has troubled his thoughts seeking to understand the providence of God that not only satisfies him intellectually but also stimulates the mind of his readers His poetry as might be expected is more personal and existential responding to the moment of encounter trying to capture the impressions that will interpret the events before they fade His poems cover a broad spectrum from the whimsical to the somber from the purely imaginary to the tragedies of real life but behind all of them he is a Christian trying to interpret a world desperately in need of the gospel yet oblivious to it Whatever the reader's position or taste in poetry these poems will hopefully ignite one's mind and emotions and beckon one to see life's many facets from a unique perspective
