## **Sean O'Casey Centenary Lectures Irish Literary Studies:**

Monographic Series Library of Congress, 1982      *Sean O'Casey, Centenary Essays* Sean O'Casey, 1980 This volume was created to mark the centenary of the birth of Sean O'Casey. It covers every aspect of his life and work with essays from leading scholars in the field of O'Casey studies: Ronald Ayling, Bernard Benstock, Mary FitzGerald, David Krause, Robert G. Lowery, William J. Maroldo, Alan Simpson and Stanley Weintraub, together with a Chronology and a list of productions of O'Casey's plays both by Robert G. Lowery. The subjects covered include O'Casey's relations with the Abbey Theatre, Lady Gregory, W. B. Yeats and Bernard Shaw, together with assessments of the influence that James Joyce, politics, religion and Ireland had on the playwright and his plays.      **The Theatre of Sean O'Casey** James Moran, 2013-12-04 This Critical Companion to the work of one of Ireland's most famous and controversial playwrights, Sean O'Casey, is the first major study of the playwright's work to consider his oeuvre and the archival material that has appeared during the last decade. Published ahead of the centenary of the 1916 Easter Rising in Ireland, with which O'Casey's most famous plays are associated, it provides a clear and detailed study of the work in context and performance. James Moran shows that O'Casey not only remains the most performed playwright at Ireland's national theatre but that the playwright was also one of the most controversial and divisive literary figures whose work caused riots and who alienated many of his supporters. Since the start of the Troubles in the North of Ireland, his work has been associated with Irish historical revisionism and has become the subject of debate about Irish nationalism and revolutionary history. Moran's admirably clear study considers the writer's plays, autobiographical writings and essays, paying special attention to the Dublin trilogy *The Shadow of a Gunman*, *Juno and the Paycock* and *The Plough and the Stars*. It considers the work produced in exile during the war and the late plays. The Companion also features a number of interviews and essays by other leading scholars and practitioners, including Garry Hynes, Victor Merriman and Paul Murphy, which provide further critical perspectives on the work.      *Library of Congress Catalogs* Library of Congress, 1983      *Irish University Review*, 1982 A journal of Irish studies      *A New History of Ireland: Ireland under the Union, II, 1870-1921* Daibhi O. Croinin, William Edward Vaughan, 2005      **A New History of Ireland, Volume VI** W. E. Vaughan, 2010-04-01 A New History of Ireland is the largest scholarly project in modern Irish history. In 9 volumes, it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory, from the earliest geological and archaeological evidence through the Middle Ages down to the present day. Volume VI opens with a character study of the period, followed by ten chapters of narrative history and a study of Ireland in 1914. It includes further chapters on the economy, literature, the Irish language, music, arts, education, administration and the public service, and emigration.      **Books Ireland**, 1990      *English Drama of the Early Modern Period 1890-1940* Jean Chothia, 2016-07-01 The period 1890-1940 was a particularly rich and influential phase in the development of modern English theatre, the age of Wilde and Shaw, and a generation of influential actors and managers, from Irving and Terry to Gielgud and Olivier. Jean Chothia's

study is in two parts beginning with a portrait of the period setting the narrative context and considering the dramatic social and cultural changes at work during this time It then focuses on some of the main themes in the theatre from Shaw and comedy to the rise of political and radio drama providing an interpretative framework for the period This volume will be of great benefit to students and academics of English literature and drama as it covers the work of the major dramatists of the period as well as considering the dramatic output of literary figures such as James Eliot and Lawrence
