Letters from Home Malka Z. Simkovich, 2024-06-18 The announcement by the Persian king Cyrus following his conquest of Babylon in 539 BCE that exiled Judahites could return to their homeland should have been cause for celebration Instead it plunged them into animated debate Only a small community returned and participated in the construction of the Second Temple in Jerusalem By the end of the sixth century BCE they faced a theological conundrum Had the catastrophic punishment of exile understood as marking God's retribution for the people's sins come to an end By the Hellenistic era most Jews living in their homeland believed that life abroad signified God's wrath and rejection Jews living outside of their homeland however rejected this notion From both sides of the diasporic line Jews wrote letters and speeches that conveyed the sense that their positions had ancient roots in Torah traditions In this book Malka Z Simkovich investigates the rhetorical strategies such as pseudepigraphy ventriloquy and mirroring that Egyptian and Judean Jews incorporated into their writings about life outside the land of Israel charting the boundary marking push and pull that took place within Jewish letters in the Hellenistic era Drawing on this correspondence and other contemporaneous writings Simkovich argues that the construction of diaspora during this period reinforced by some and negated by others produced a tension that lay at the core of Jewish identity in the ancient world This book is essential reading for scholars and students of ancient Judaism and to laypersons interested in the questions of a Jewish homeland and Jewish diaspora

**A Missionary Looks at the Love Letter** Richard Lehman, 2024-02-19 Jesus gave Revelation as a love letter for his servants to share with the church It is addressed to us from him that loved us and washed us from our sins in his own blood Revelation 1:5 He reminds us that he personally suffered and gave his very best for his bride the church But then with a broken heart in his first letter to the church he says you have left your first love Revelation 2:4 This book interprets Revelation by following the instructions given to us in the first chapter We are told to compare Revelation to the Word of God and the testimony of Jesus Christ Revelation 1:2 Revelation is a heart heavy message very carefully and personally delivered by Jesus Christ himself He doesn't take it lightly when people write up their own interpretations and imaginations about what it means That is why this particular book carefully considers the spiritual heart message that is being delivered to the ministry and we will address each scripture within Revelation in the same order as it was originally given Almost every scripture within Revelation hundreds of them are derived from other scriptures within the rest of the Bible There is no way to interpret Revelation without carefully considering what those scriptures spiritually teach us and then what Jesus is telling us with them through his Revelation This is exactly the way that the apostle Paul taught us to understand scripture Which things also we speak not in the words which man's wisdom teaches but which the Holy Ghost teaches comparing spiritual things with spiritual 1 Corinthians 2:13 Revelation is also a book of many sevens Addressing things seven times is God's way within scripture of completing his purpose and his work There are four different patterns of seven that are explicitly identified within Revelation 7 churches 7 seals 7 trumpets and 7 vials of

the wrath of God poured out This pattern of four sevens matches how God said he would correct his people back in Leviticus chapter 26 He said four different times that if his people stray away from him he will correct them seven times and in the last seven he will correct them in his fury Accordingly the last pattern of seven within Revelation is done in God's wrath and fury Revelation finalizes the corrections for all the problems in the church A Missionary Looks at the Love Letter has been written so that you can respond from your heart to the love letter Jesus wrote to you Christ died so that we can have a personal heart to heart relationship with him and his heavenly Father through the Holy Spirit That is how he first established the Kingdom of Heaven on Earth Consequently the purpose of Revelation is to fill us in a greater way with his sacrificial love Intellectual understanding into the different symbols types and patterns of Revelation are a byproduct of that heart transformation Consequently this book will also explain all of these symbols types and patterns in complete detail directly from the scriptures The book is titled A Missionary Looks at the Love Letter because as a missionary the author has taught this Revelation message to over a thousand ministers already The purpose of Revelation is first to shake and awaken the ministry to their responsibility to respond directly to the heart of God For those ministers where that spiritual heart change takes place a revival breaks forth in their life and spreads to others That Christ may dwell in your hearts by faith that you being rooted and grounded in love May be able to comprehend with all saints what is the breadth and length and depth and height And to know the love of Christ which passes knowledge that you might be filled with all the fullness of God Ephesians 3 17 19

Aageson, 2020-07-24 For all who know the security of home in all its iterations and for those who don't finding home is complicated Home always is characterized by joy and sorrow grief and gladness the realities of complicated lives What is it like to flee the horrors of war as a refugee in search of home When daily life is unbearable what exactly does home mean How do we learn to be at home in our bodies at home with ourselves What does it mean to be made in the likeness of the Holy One Can we find home in the company of strangers and how do we reclaim our earth home So many images swim just below the surface of my memory all the houses where I came to know home It takes little to retrieve them a shared story the pungent smell of tide flats the sound of rain on a tin roof But home of course is much more than houses These reflections invite readers to explore identity the importance of rootedness discovering home away from home what it means to be home for one another Finding home literally and metaphorically is challenging      *The Church at Home and Abroad* Henry Addison Nelson, Albert B. Robinson, 1894      **Church missionary society, extracts from the annual letters of the missionaries** Church missionary society, 1896      **Letters From Home** Sandra Froese Callahan, 2023-08-11 War revolution and the consolidation of Soviet power during the 1920s prompted 21 000 Mennonites to leave the Soviet Union for Canada Among them were Isaac and John Thiessen Left behind was their beloved

family three siblings and parents Elizabeth and Heinrich who were tortured and starved under Stalin's rule. Letters from Home provides a rare intimate portrait of the Russian Mennonite experience during the Holodomor, documenting in detail this horrific and much debated period of human history. Between 1925 and 1934, Elizabeth and Heinrich wrote letters from Molotschna Mennonite Colony in Russia to Isaac and his wife Anna in Leamington, Canada. Serendipitously, these letters were rescued from extinction by Anna painstakingly transcribed by Marie Hildebrandt Huebert and translated into English by grandson Otto Tiessen. They were then gathered into this vital historical manuscript by Otto's wife Faye and by Sandra Froese Callahan, Elizabeth and Heinrich's great granddaughter. Beyond historical documentation, beyond politics, dogma, and deliberation, these letters profoundly express the private heartbreaking realities of one family's struggle to survive, characterized by familial love, religious faith, and the descent day by day into desperation and starvation.

**Journey into God's Heart** Jennifer Rees Larcombe, 2015-11-05. Even Jennifer herself has, in the light of severe recent tragedies, found herself gaining a new understanding of all she has been through. This book looks back at the traumas and insecurities of her childhood, the joys and trials of family life through the most testing of circumstances, the confusion caused by her life-threatening illness and subsequent miracle healing, the pain of bereavement, and the most recent chapter that no one foresaw: divorce from her husband Tony. Journey Into God's Heart is an epic saga of a unique woman's journey through the fire. An adventure that lasts a lifetime, a path strewn with heart-testing challenges. Written as compellingly as a novel, it presents a completely new perspective on the story told in Jennifer's previous autobiographical books, *Beyond Healing* and *Unexpected Healing*. Her journey unfolds against the backdrop of the momentous changes undergone by the evangelical and charismatic church in the mid and late twentieth century.

Richardson, 1893      **Finding a Home Group** James G., 2011-08-29. For newcomers and experienced Twelve Steppers alike, this valuable guidebook will guide you in finding the right home group so you can make the most of your meetings. The first advice most people hear when beginning a Twelve Step program is "Go to meetings." But as most people who have attended several Alcoholics Anonymous or other peer recovery groups will tell you, not all meetings are created equal. The fact is that a group that's perfect for one person can send someone else running for the door. In this essential guidebook for newcomers and experienced Twelve Steppers alike, James G. describes the various kinds of meetings available, discusses what typically happens in those meetings, and outlines practical points for evaluating groups to identify the best one to meet your personal needs. With the idea in mind that chemistry is as important as content, James provides practical advice born of decades of solid recovery years in which he has attended a wide variety of meetings, as well as the experience of other Twelve Steppers interviewed for this book. James G. is a writer working in the fields of advertising, journalism, and fiction. He credits the wonderful people in his AA home group with helping to save his life and opening up a whole new world in the process. He lives in a large Midwestern city with his
