Leon,2018-06-19 Only one man in the Old Testament was given the profound description by God himself I have found in David a man after my own heart Acts 13 22 Why Why would God give David such a characterization Wasn t he also a man of failure Of contradictions After all today he would provide headlines for

scandal adultery murder cover up and deception And despite those issues there are other pressing questions to ask What are the qualities of one who has such a heart after God What does that character look like This book takes us on a journey in the life of David discovering what God meant by such a divine inscription regarding the man who would become the greatest and most effective monarch in Israel s history But we will also discover something greater As we travel with David we will soon realize there is a larger story unfolding through David s story It s God s metanarrative His Story We will find there is a deeper message from God that transcends David s life The key that unlocks such a message is given to us long before David is born and spoken by God For those who honor me I will honor and those who despise me shall be lightly esteemed 1 Sam 2 30 As we begin to understand the meaning of this truth we will then learn why God gave David such a description Therefore it is through the lens of David s life we learn the meaning and purpose of the Christian life Why Because God did not intend such a divine inscription for David only but one which our heavenly Father desires to write on your heart and mine as we pursue to know him

Kent,2011-02-25 Everyday countless numbers of believers experience crisis that tests their faith Once thrust into the storm the sifting begins and we must make a choice to stand on truth To complicate the matter we may respond in sin and continue in error by pointing the blame on others After our faith falters through a trial we may abandon it and suffer the stigma of what the Apostle Paul called a shipwrecked faith Not understanding why this happens to loyal believers who once felt so close to God we turn away from our faith Like spiritual nomads we leave the congregation fleeing for refuge in a desert of our own making What we may not comprehend or appreciate is that Gods grace sustains us during our season of separation This book helps the reader to regain stability during a stretch in the desert and see it as an opportunity for refining and redefining our faith Alternatively faith failure occurs when a believer naively misplaces faith to truth in a system of religious works or persons and suffers when they do not uphold the teachings of Jesus When we walk from false religious teachings associates label us as failures and reject us Broken hearted and disillusioned by our situation we give up our religion and turn our back on everything we once believed in We may spend years hiding in the desert making little progress in our faith until we realize that we are spiritually thirsty We long for Gods love and wish someone would help us find the way to restore our faith Our cry is like the title of this book Help Me Im a Religious Wreck and You Can Find Me in the Desert and here it is with care placed into your hands from one who understands the cry *Looking for God* Alexys V.
