The Ethics of Love Susi Ferrarello, 2022-07-29 This book explores the ethical and psychological dilemmas connected to the lived experiences of love uniquely proposing an ethical framework that can be applied in loving relationships The book provides an introduction to the study of ethics moral psychology and ancient philosophy Examining key themes of love such as unconditional love romantic love anger desperation and fairness this book offers the reader a way to exercise and strengthen their personal critical thinking on ethical dilemmas especially in relation to loving feelings The author believes that ethics is the heart of love in the same way as logic is the brain of reasoning we do not need ethics to love but we can love in a much healthier way if we train our ethical skills to love After laying the theoretical framework for the book chapters are organized into themes relating to ethical problems and begin with an exemplary piece from Greek and Latin literature Using these writings as a starting point Susi Ferrarello discusses whether it is possible to have a sound ethical theory of love especially in cases relating to justice despair and rage and demonstrates how this framework can be applied in new and established relationships Filled with case studies throughout spiritual exercises are listed at the end of chapters to help the reader increase their understanding of love and their ethical choices surrounding emotional dilemmas This interdisciplinary book is essential reading for undergraduate and graduate students who take classes on ethics marriage and family therapy psychology philosophy classics ancient philosophy and politics as well as those interested in the ethics of love and emotional decision making

In Search of Consistency: Ethics and Animals Lisa Kemmerer, 2006-08-01 In Search of Consistency is the most comprehensive examination to date of moral theories and animal ethics This large volume unveils and explores the work of Tom Regan rights theory Peter Singer utilitarian Paul Taylor environmental ethics and Andrew Linzey theology not only digging deep into critical analysis of extant theories but feeding the flames of a now flourishing dialogue at the intersections of animal ethics environmental ethics and religious ethics This book ultimately presents a new approach the Minimize Harm Maxim which exposes through real and hypothetical scenarios common practices as patently irrational and raises questions few authors are willing to entertain about the way we value life and our attitudes toward death At every turn In Search of Consistency reminds that ethics carry an expectation of action that ethics are intended to guide how we live

In Search of the Good Life Corey Miller, 2019-10-01 What is the Good Life Learn from some of the greatest minds in Greek Jewish and Christian thought Comparing their thought reveals a new apex reached in the age old question concerning the relationship of Jerusalem and Athens faith and reason Few have been more influential in Judaism and Christianity than Moses Maimonides and Thomas Aquinas yet Aristotle influenced them both in significant ways By adopting and adapting some of Aristotle's best thinking we can appreciate Maimonides and Aquinas search for the Good Life from their respective views ranging from the fall to human perfectibility This examines human nature the human telos and how each would prescribe the route to the Good Life For all three it is ultimately about the knowledge of God But what does that mean The

comparative approach is more illuminating than if considered in isolation Comparatively Aristotle s approach may be characterized as informational Maimonides as instructional and Aquinas as pneumatic relational The role of faith as a virtue in both Maimonides and Aquinas makes a substantive difference over Aristotle s in philosophical and practical ways It is used to exploit their accounts of the human fall moral perfection and ultimate human perfection the knowledge of God The Heart in the Digital Era Pasquale De Marco,2025-07-14 In The Heart in the Digital Era we embark on a poignant exploration of love and relationships in the 21st century a world indelibly shaped by technology As our lives become increasingly intertwined with the digital realm we find ourselves navigating a landscape of virtual connections and ever shifting boundaries between the physical and virtual worlds Through the eyes of diverse characters we witness the complexities of love in the digital age We follow their journeys as they navigate the challenges and opportunities of finding love maintaining intimacy and confronting the ethical dilemmas posed by technology The book delves into the unique experiences of digital natives those who have come of age in a world where technology is an inseparable part of life We explore how their perspectives on love and relationships are shaped by this digital context and the challenges they face in finding authentic connections in a world saturated with virtual interactions With sensitivity and insight the book also confronts the darker aspects of love in the digital age It sheds light on the potential for abuse and manipulation the complexities of digital infidelity and the unique challenges of grieving and loss in a world where our lives are increasingly mediated by technology Furthermore The Heart in the Digital Era looks to the future envisioning the potential trajectories of love and relationships in a world transformed by emerging technologies It explores the possibilities and pitfalls of artificial intelligence virtual reality and augmented reality examining their potential to enhance or hinder human connection Ultimately this book is not only a reflection on the impact of technology on love but also a celebration of the enduring power of human emotions in a digital world It is a call for a more ethical compassionate and human centered approach to love in the digital age a search for the balance between the virtual and the tangible the technological and the human If you like this book write a review In Search of Self J. Philosophy of Love Michael Strawser, 2021-08-27 In *Spinoza and the Philosophy of Love* Michael Strawser provides a new reading of Spinoza as a philosopher of love and one who centers his thought on an ethically qualified conception of noble love. Strawser examines the threefold conception of love found in Spinoza's *Ethics* and argues that what is most important for Spinoza's philosophy is a unified conception of love centered on nobility: amor sive generositas. This active conception of love can conquer hatred and bring people together. Situating Spinoza's philosophy of love within both Jewish and Western philosophical traditions, Strawser investigates questions in the philosophy of love together with Spinoza and thinkers such as Saadia Gaon, Maimonides, Leone Ebreo, Tullia d'Aragona, and René Descartes. He shows how Spinoza deepens our understanding of amorous perfectionism and how this reading of Spinoza's philosophy of love serves as both a corrective to problematic readings such as those found in Isaac Bashevis Singer and Emmanuel Levinas and a counter to speciesism. With careful examination of Spinoza's writings, Strawser demonstrates that the goal of his philosophy is best understood as the love of other people who are to be helped and united with in friendship. Ultimately, Spinoza's philosophy of love calls for collective nobility.

Ethics, Love, and Faith in Kierkegaard Edward F. Mooney, 2008-07-17 *Ethics, Love, and Faith in Kierkegaard* collects essays from 13 leading scholars that center on key themes that characterize Kierkegaard's philosophy of religion. With their unique focus on notions of the self, views on the command to love one's neighbor, thoughts on melancholy and despair, and the articulation of religious vision, the essays in this volume cover the breadth and depth of Kierkegaard's philosophical and religious writings. Poised at the intersection of Kierkegaard's moral psychology and its religious significance, they offer vivid testimony to the ongoing power of his unique and fervent religious spirit. Students and scholars alike will find new light shed on questions that define Kierkegaard's philosophy and religion today.

Ethics and the Search for Values Luis E. Navia, Eugene Kelly, 1980 *An essential introduction to ethics and values*, this comprehensive anthology places the perennial human search for ethical values into historical perspective. The philosophers included are Aristotle, Marcus Aurelius, Bentham, Cicero, Dewey, Hartman, Hume, James, Kant, Kierkegaard, Mill, Moore, Nietzsche, Plato, Sartre, Scheler, Schopenhauer, Spencer, Spinoza, St. Augustine, and Stevenson.

Love Letter to a Conflicted Church Richard P. Olson, 2010-01-01 The book is organized into three divisions and, as the title implies, there is a brief letter in the form of a New Testament epistle to the contemporary church, a portion of which begins each chapter. The first division reexamines the gifts and redemptive possibilities of anger and conflict. The barriers to healthy anger and conflict are considered and addressed. In the second, attention is given to conflicts surrounding the Bible. There is a chapter on conflict and reconciliation in the Bible, followed by suggestions on how people who read the Bible differently from each other can resolve some of those differences. Consideration is also given to discovering biblical priorities for the contemporary church. The third division offers vistas of change and reconciliation. Parables of hope and promise are provided. Insights from the studies of persons and communities, as well as ethics and theology, are summarized. There is reflection on those unresolved conflicts that continue in spite of our

best efforts Then moral imagination is engaged to visualize the opportunities for a church that moves beyond its present stalemates

Do I Look at You with Love? Mark Freeman, 2021-02-15 Do I Look at You with Love were the words uttered by Mark Freeman's mother when she learned once again that he was her son This book explores the experience of dementia as it transpired during the course of the final twelve years of her life from the time of her diagnosis until her death in 2016 at age 93 As a longtime student of memory identity and narrative as well as the son of a woman with dementia he had a remarkable opportunity to try to understand and tell her story Much of the story is tragic But there were other periods and other dimensions of relationship that were beautiful and that could not have emerged without her very affliction In the midst of affliction there were gifts arriving unbidden that served to alert Freeman and his family to what is most precious and real These are part of the story too Part narrative psychology part memoir part meditation on the beauty and light that might be found amidst the ravages of time and memory Freeman's moving story is emblematic of nothing less than the bittersweet reality of life itself

Proceedings from Philosophy of Love Volume 1 Spring 2017 Dana Trusso, 2017-06-14 Philosophy of Love is one of many courses offered at LaGuardia Community College CUNY in the Philosophy and Critical Thinking Program The journal is a collection of student work inspired by the readings and discussions from HUP 215 during the Spring 2017 semester Inside you will find each student's final paper along with a critical review and a response from the author The format reflects the dialectical process that we embarked on during class discussions up and down the ladder of love The ascent is a challenging struggle The dialectic continues motivated by a love for wisdom self and others chiseling away as we sculpt our characters in the pursuit of the good life

The Seductiveness of Virtue John J. Fitzgerald, 2016-12-15 John J Fitzgerald addresses here one of life's enduring questions how to achieve personal fulfillment and more specifically whether we can do so through ethical conduct He focuses on two significant twentieth century theologians Rabbi Abraham Joshua Heschel and Pope John Paul II seeing both as fitting dialogue partners given the former's influence on the Second Vatican Council's deliberations on the Jews and the latter's groundbreaking overtures to the Jews in the wake of his experiences in Poland before and during World War II Fitzgerald demonstrates that Heschel and John Paul II both suggest that doing good generally leads us to growth in various components of personal fulfillment such as happiness meaning in life and freedom from selfish desires There are however some key differences between the two theologians John Paul II emphasizes more strongly the relationship between acting well and attaining eternal life whereas Heschel wrestles more openly with the possibility that religious commitment ultimately involves anxiety and sadness By examining historical and contemporary analyses including the work of the Fourteenth Dalai Lama the philosopher Peter Singer and some present day psychologists Fitzgerald builds a narrative that shows the promise and limits of Heschel's and John Paul II's views
