Beyond the Shadow of Doubt Mark Chironna,2001 Chironna tells readers how to acquire doubt busting faith in order to discover God given capabilities competence and significance He draws upon years of pastoring experience and prophetic insights to take readers from doubting to believing from victim to victor *Nothing Personal: Seeing Beyond the Illusion of a Separate Self* Nirmala,2010-01-16 Advaita and nondual teachings are about finding the Truth This Truth is not a dogma that you study it is the Truth about life the Truth about who you really are This Truth is discovered not learned It is discovered through sincerely inquiring Who am I What you discover is that who you are has nothing to do with self images or roles and everything to do with what you experience when you ask this question What you discover is that who you think of yourself as is just that a thought And beyond that thought is a great Mystery an experience of nothingness which is your true nature Nothing Personal leads you to the experience of your true nature and helps you explore its depth Through exposition questions and dialogues it brings you to a place of realization of the Truth you are that spacious Awareness in which everything appears including your thoughts and feelings Your thoughts and feelings do not define you but merely appear within Consciousness along with everything else This Consciousness is who you are Nothing Personal offers a gentle and persistent guide to seeing the underlying truth of your ultimate nature In this concisely edited collection of satsang talks and dialogues you are invited to honor the limitless love that is your true nature and to enjoy the sweet richness that is revealed when you give this Truth your undivided attention From the introduction Unlike most books this one is not meant to add to your knowledge or understanding It is about the Truth that cannot be spoken or written Although the Truth cannot be contained in this or any other book each word written here is intended to point you toward that Truth Many of the words and ideas may seem paradoxical or contradictory because what they point to is larger than our conceptual frameworks Many questions are asked which are not answered anywhere in the book Find out what the experience is like to ask yourself these questions even if they leave you emptier of knowledge and understanding In this emptying you just may discover what you are looking for The Truth is revealed when we allow ourselves to not know so I invite you to set aside all that you know for the time being and allow yourself to look with innocent eyes at what the words are attempting to unveil Take the time to experience the unspoken truth in each section before moving on to the next Resist the temptation to read these words with your mind which is likely to rush right past the Truth Allow the words to sink into your heart and reveal the truth of who you are *Find Out for Yourself* Eugenia Price,2021-03-23 It s a wide awake world Everywhere young people are waking up and discovering that their hang ups have real answers In Find Out for Yourself bestselling author Eugenia Price offers a series of essays urging young people to think through issues concerning decisions they must make Life is such a mystery All it takes to unlock the door to a successful dynamic life is some time thought and helpful insight All the basics are here find out for yourself *Beyond Self-Help: The True Path to Harnessing God's Wisdom, Realizing Life's Potential and Living the*
