Search For Selfhood In Modern Literature:

The Search for Selfhood in Modern Literature M. Roston, 2001-09-05 The scientific achievements of the modern world failed to impress the leading writers of this century leaving them instead profoundly disturbed by a sense of lost values and of the insignificance of the individual in a universe seemingly indifferent to human concerns In *The Search for Selfhood in Modern Literature* Roston explores the strategies adopted by such mid century authors as Greene Salinger Osborne Baldwin and others in their attempt to cope with the spiritual vacuity strategies including the emergence of the anti hero and of literary existentialism and offer in the course of the investigation fascinatingly new insights into their work

Self-Optimization in Modernist Culture , 2025-06-19 Our contemporary society is obsessed with the idea of self optimization a concept that implies the need to constantly work on improving oneself and one's appearance The roots of postmodern self optimization however lie in the cultural industries that emerged in the late nineteenth and early twentieth centuries With its equally profound and transient interest in new forms of expression new ways of life and new technologies modernism thoroughly and critically embraced the idea of the self as something that can be created and recreated either in accordance with or in contradiction to social norms This book explores strategies of self optimization developed in modernist literature and culture In doing so it offers a panoramic view of an often overlooked aspect of European and North American modernity that anticipates our current postmodern crisis of the self [Transforming the Rebel Self: Quest Patterns in Fiction by William Styron, Flannery O'Connor and Bobbie Ann Mason](#) Sharon Therese Nemeth, 2010 Originally written as the author's dissertation

Radicalization Kevin McDonald, 2018-12-14 From Paris to San Bernardino Barcelona to Manchester home grown terrorism is among the most urgent challenges confronting Western nations Attempts to understand jihadism have typically treated it as a form of political violence or religious conflict However the closer we get to the actual people involved in radicalization the more problematic these explanations become In this fascinating book Kevin McDonald shows that the term radicalization unifies what are in fact very different experiences These new violent actors whether they travelled to Syria or killed at home range from former drug dealers and gang members to students and professionals mothers with young children and schoolgirls This innovative book sets out to explore radicalization not as something done to people but as something produced by active participants attempting to make sense of themselves and their world In doing so McDonald offers powerful portraits of the immersive worlds of social media so fundamental to present day radicalization Radicalization offers a bold new way of understanding the contemporary allure of jihad and in the process important directions in responding to it

Comparative Criticism: Volume 24, Fantastic

Currencies in Comparative Literature: Gothic to Postmodern E. S. Shaffer, 2002 This new volume looks at Fantastic Currencies money modes media **Iconotropism** Ellen Spolsky, 2004 The essays in this collection expand the boundaries of inter art studies claiming that human beings have evolved to draw nourishment from pictures Ellen Spolsky argues in a polemical introduction that the recognition of our embodied need for pictures that is our human iconotropism provides a fresh way of understanding the relationship of works of art to their historical contexts Jacket Graham Greene's Narrative Strategies M. Roston, 2006-07-31 In Narrative Strategies Roston focuses upon the Greene s texts themselves and their manipulation of reader response highlighting the innovative strategies that Greene developed to cope with the mid century invalidation of the traditional hero The result is a stimulating new reading of the major novels **The Anti-Hero in the American Novel** D. Simmons, 2008-05-26 The Anti Hero in the American Novel rereads major texts of the 1960s to offer an innovative re evaluation of a set of canonical novels that moves beyond entrenched post modern and post structural interpretations towards an appraisal which emphasizes the specifically humanist and idealist elements of these works

Reality in Movement Maarten van Delden, 2021-03-15 In the last couple of decades there has been a surge of interest in Octavio Paz s life and work and a number of important books have been published on Paz However most of these books are of a biographical nature or they examine Paz s role in the various intellectual initiatives he headed in Mexico specifically the journals he founded Reality in Movement looks at a wide range of topics of interest in Paz s career including his engagement with the subversive adversary strain in Western culture his meditations on questions of cultural identity and intercultural contact his dialogue with both leftist and conservative ideological traditions his interest in feminism and psychoanalysis and his theory of poetry It concludes with a chapter on Octavio Paz as a literary character a kind of reception study Offering a complex and nuanced portrait of Paz as a writer and thinker as well as an understanding of the era in which he lived Reality in Movement will appeal to students of Octavio Paz and of Mexican literature more generally and to readers with an interest in the many significant literary cultural political and historical topics Paz wrote about over the course of his long career

"Never Asking why Build - Only Asking which Tools" Rita Horváth, 2005 *Longing* Tamara S. Wagner, 2004 By revealing the origins of common misunderstandings about nostalgia this book aims moreover to show that it creatively fosters a personal and imaginative memory Jacket Subjectivity Ruth Robbins, 2005-04-20 Who do you think you are In Subjectivity Ruth Robbins explores some of the responses to this fundamental question In readings of a number of autobiographical texts from the last three centuries Robbins offers an approachable account of formations of the self which demonstrates that both psychology and material conditions often in tension with one another are the building blocks of modern notions of selfhood Key texts studied include William Wordsworth s Prelude Thomas De Quincey s Confessions of an English Opium Eater James Joyce s A Portrait of the Artist as a Young Man Oscar Wilde s De Profundis Jung Chang s Wild Swans Robbins also argues that our subjectivity far from being the secure possession of the individual is potentially fragile

and contingent She shows that the versions of subjectivity authorized by the dominant culture are full of gaps and blindspots that undo any notion of universal human nature subjectivity is culturally and historically specific we are in part what the culture in which we live permits us to be Concise and easy to follow this introduction to the concept of subjectivity and the theories surrounding it shows that in spite of the insecurity of selfhood there is still much to be gained from the textual encounter with other selves It is essential reading for all those studying autobiography or autobiographical writing **The Search for the Self in Statius' >Thebaid<** Jean-Michel Hulls, 2021-07-19 The aim of this project is to provide a sustained analysis of the concept of self in Statius Thebaid It is this project's contention that the poem is profoundly interested in ideas of identity and selfhood The poem stages itself as a metapoetic exploration of the difficulties for a belated epicist in finding a place in the literary canon it shows the impossibility of squaring large scale epic poetics with small scale finely wrought Callimacheanism it reflects the violent disjunction between Statius' authorial pose as a poet without power and the extreme violence of his poetics it opens up the intricacies of constructing original coherent characters out of intertextual exemplary models The central tenet of the project is that Statius in the Thebaid stages his own death but does so that his poem may live This book is intended for an academic audience including undergraduate and graduate students as well as specialists in the field Although the project will be of primary importance to readers of Flavian literature it will also be of interest to those who study intertextuality and characterisation in Roman literature more generally selfhood and identity in Roman literature and culture and the reception of Roman literature **Immigration and Estrangement in Indian Diaspora Literature: A**
