Search For The Holy Grail:

The Quest of the Holy Grail Jessie Laidlay Weston, 1913 **In Search of the Holy Grail** ,2007 *The Quest of the Holy Grail* ,1969-02-28 Composed by an unknown author in early thirteenth century France The Quest of the Holy Grail is a fusion of Arthurian legend and Christian symbolism reinterpreting ancient Celtic myth as a profound spiritual fable It recounts the quest of the knights of Camelot the simple Perceval the thoughtful Bors the rash Gawain the weak Lancelot and the saintly Galahad as they journey through danger and temptation to reach the elusive Holy Grail But only one of them is judged worthy to see the mysteries within the sacred vessel and look upon the ineffable Enfused with tragic grandeur and an aura of mysticism The Quest is an absorbing and radiant allegory of man s perilous search for divine grace and had a profound influence on later Arthurian romances and versions of the Grail legend For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators **In Search of the Holy Grail and the Precious Blood** Deike Begg,Ean Begg,2008-03 THE HOLY GRAIL IS ONE of the most powerful myths in Western Culture At the centre of this myth is the story of the chalice containing the Holy Blood of Christ shed when Longinus pierced his side at the crucifixion The search for the Grail has inspired artists and mystics for hundreds of years Many churches and cathedrals were built on sites that claimed their part in this sacred mystery IMBUED WITH THE SPIRIT OF the ancient quest and aware of its power as an antidote to our modern spiritual malaise Ean and Deike Begg travelled throughout Europe researching sites of the Holy Grail the Precious Blood and their associated myths This book is an illustrated account of their search and a practical informative guidebook for travellers and seekers It is full of fascinating information such as the name of the Spanish cathedral that holds the cup of the Last Supper the story of how a fig tree carried the Precious Blood to France and the secrets of the Grail castles of Germany I believe that Ean and Deike Begg have done something of great importance in exploring the myth of the Holy Grail that played such a vital part in the deeps of Jung s spirit and in re establishing how now it is still one of the most dynamic elements in the search of the lost and bewildered modern soul for wholeness Sir Laurens van der Post Deike and Ean Begg have revitalized the idea of pilgrimage Michael Baigent An exemplary and vividly written guide to the many strange and beautiful sites associated with the Grail quest throughout Europe Count Nikolai Tolstoy **In Search of the Holy Grail** Veronica Ortenberg,2006-01-01 This book surveys the influence of the middle ages and of medieval attitudes and values on later periods and on the modern world Many artistic political and literary movements have drawn inspiration and sought their roots in the thousand years between 500 and 1500 AD Medieval Christianity and its rich legacy has been the essential background to European culture as a whole Gothic architecture and chivalry were two keys to

Romanticism while nationalists including the Nazis looked back to the middle ages to find emerging signs of national character In literature few myths have been as durable or popular as those of King Arthur stretching from the Dark Ages to Hollywood In Search of the Holy Grail is a vivid account of how later ages learnt about and interpreted the middle ages
