Dupée,2008-04-15 Traveling India in the Age of Gandhi is a study of armchair travel writers who journeyed to India during what has often been termed the Age of Gandhi placed between 1914 1948 Most of the travel writers surveyed understood this era to be a unique time in world history in India and elsewhere on the globe The lingering trauma of World War I the rise of radical state ideologies in Russia Italy Japan and Germany world wide depression in the 1930s along with a host of other unsettling political cultural and technological realities revealed a world of bewildering complexity and uncertainty For many of the travel writers surveyed in this work India was the main drama in a shifting global landscape Moreover many viewed it as the ultimate travel experience a journey that tested one s capacity to fully engage the earth s most compelling forms of human diversity and suffering Although a few notable figures are included most of the authors in the study constitute a breed of largely forgotten travel writers This work is an attempt to extract the core of their observations impressions and conclusions concerning what they saw and experienced particularly concerning Indian aspirations for independence and India as the world s most exotic human landscape Natural History

,1922 *Down at the Docks* Rory Nugent,2010-02-09 In the opening pages of Moby Dick Herman Melville called New Bedford Massachusetts the dearest place to live in in all of New England But the old fishing port and manufacturing center once one of the richest cities in New England has withered in the modern economy Its once prosperous fishermen now struggle with government regulations and fished out seas while its empty factories now offer more work to the Fire Department than anyone else In Down at the Docks Rory Nugent tells the riches to rags story of this iconic American town through beautifully told and unsentimental portraits of its residents Their lives inform a eulogy to the distinctive ideas

traditions and culture that is about to disappear from the waterfront *Spell of the Tiger* Sy Montgomery, 2009-01-16 Tigers
