*The South Carolina Review*, 1991

Caleb's Cross Urcelia Teixeira, 2024-02-26 Beneath the surface of perfection darkness festers in unexpected places A nearby quiet town becomes the backdrop for a perplexing murder mystery when a chiropractor is found dead Sheriff Angus Reid is tasked with

solving the strange case that plunges him deep into the lives of a nearby Amish community With no apparent clues and a seemingly fruitless autopsy Angus is determined to uncover the truth behind the mysterious death Meanwhile local Weyport resident Caleb Townsend carries a secret of his own Torn between his Amish upbringing and his newfound freedom he stumbles upon a connection between the deceased and his distant sister Rachel who as it happens was the last person to see the chiropractor alive But when Rachel suddenly disappears from the very Amish community Caleb turned his back on matters become more complicated for both him and Angus As Caleb sets out to find his sister before Angus does confronting his past and his estranged family along the way Angus discovers there may be more to the case than meets the eye And as the facade of perfection slowly crumbles more victims turn up dead This suspenseful murder mystery will keep you guessing until the very end Caleb s Cross is book 3 in the Angus Reid Mysteries Series *The Temporal Horizon* Karin Linton,1989 This dissertation studies the theme of time in Anne Tyler s fiction and centres specifically on how Jeremy Pauling in *Celestial Navigation* Justine Peck in *Searching for Caleb* Cody Tull in *Dinner at the Homesick Restaurant* and Macon Leary in *The Accidental Tourist* respond to the losses brought about by the passage of time The introduction establishes similarities between Tyler s emphasis on change the passage of time and reactions to change and Paul Fraisse s focus on temporally organized behaviour the three interrelated perspectives of the past the present and the future The temporal horizon is used in this dissertation as a key to interpreting the temporal awareness of Tyler s characters and their behaviour in adapting to change It is often memories of crises such as unexpected death or desertion which predominate the protagonist s temporal outlook at the expense of the present and the future protagonists is to free themselves from the past and discover a greater significance in the present and the future With the exception of Jeremy Pauling they finally succeed in altering the hold of the past and as a consequence of this shift of vision a better balance between their three temporal perspectives is achieved dissertation indicates that the majority of her protagonists in the end reach a moment of buoyancy when at least temporarily in control of time they apparently trust in the possibility of altering their situations Because of this anticipation they also modify their behaviour and take steps to give their futures a new direction While it may be an open question where the passage of time may lead them the thesis indicates that in many of Anne Tyler s novels the endings seem suggestive of affirmative change *Studia Anglistica Upsaliensia* ,1963 **The Church School Journal** ,1875 **Let It Be Me** Kait Nolan,2021-01-08 Four years ago firefighter Caleb Romero saved a child and met the woman of his dreams But trauma killed the timing so he s contented himself with being the friend she needed as she navigated sudden parenthood Four years ago Emerson Aldridge became a mom in the worst possible way Without qualm she abandoned her own dreams to shepherd her teenage daughter through their shared grief Her number one priority has been to raise Fiona the way her best friend would have wanted Now Fi s headed off to college and Emerson has no idea how to feel about her suddenly empty nest She barely even remembers life before motherhood but Caleb s right next door to give her a reminder along with a toe curling kiss that

catapults them past friends and into something more The life she wanted before the accident is still within reach He just has to convince her that their age difference means nothing Piece of cake Right *Understanding Anne Tyler* Alice Hall Petry,1990 Analyzes each of Tyler s novels paying special attention to the honing of her style technical expertise as well as the evolution of her ideas regarding the individual the family the need for Emersonian self reliance in the face of uncertainty change the capacity of art to facilitate emotional spiritual well being **Critical Survey of Long Fiction** Frank Northen Magill,1991 *Men of the Misfit Inn: Volume 1 (Books 1-3)* Kait Nolan,2024-03-15 A firefighter a country star and a TV contractor all grew up in the same foster family LET IT BE ME With her daughter headed off to college single mom Emerson has no idea how to feel about her suddenly empty nest She barely remembers life before motherhood but firefighter Caleb s right next door to give her a reminder along with a toe curling kiss that catapults them past friends and into something more OUR KIND OF LOVE Country superstar Kyle is desperate to convince his childhood BFF Abbey that a fake engagement is the best way to get the media off her back and his And it just might give him a chance to fix what he destroyed Even as these two frenemies remember all the reasons they wanted to be lovers another blast from Kyle s past returns threatening to expose the secret he s spent his entire career hiding DON T YOU WANNA STAY When publicist Deanna James wakes with a hangover and the deed to a run down historic mansion she realizes she s going to need some serious help Contractor Wyatt Sullivan is trying to launch his own renovation show and Deanna s project is perfect The only catch They ll both have to move in If you like sweet talking unicorn caretaker heroes full of Southern charm then you ll definitely find your new book boyfriend in this boxed set of small town romances *Critical Survey of Long Fiction: Jesse Stuart-Emile Zola* ,2000

*Moving on* Susan S. Kissel,1996 A background synthesis freshly discussing the work of Chopin McCullers O Connor Mitchell and Welty leads to extended treatment of the novels of Shirley Ann Grau whose protagonists keepers of the house remain their fathers daughters of Anne Tyler whose characters are fatherless and homeless at home and Gail Godwin whose daughter heroines learn the necessity of autonomy **The Statesman** ,1975 **The New Yorker** Harold Wallace Ross,William Shawn,Tina Brown,David Remnick,Katharine Sergeant Angell White,Rea Irvin,Roger Angell,1976 *Critical Essays on Anne Tyler* Alice Hall Petry,1992 This collection of critical writing on Anne Tyler consists chiefly of published interviews personal statements reviews and articles with three previously unpublished articles The Family Sylvia Bristow-Goodrum,2010-09-27 His mother unable to live alone Morgan Daniels returns to Georgia to close his boyhood home He remembers his childhood and college days with his best friend and brother Charles now buried on Omaha Beach The book also introduces his grandfather Caleb Daniels and his younger brother Tim **Ritual Passages and Narrative Structures** Langdon Elsbree,1991 This book explores the homology between ritual passages and narrative structures The ways that rites of passage particularly their liminal stage correspond with narrative structures and the advantages of these correspondences for literary criticism and analysis are the central arguments of this study Drawing on a wide range of examples mainly from

19th and 20th Century English and American literature it concentrates on the middle stage of liminality where the identity themes the implications of choice and the values in conflict emerge most clearly Drawing on recent work in anthropology and the other social sciences it suggests new perspectives for understanding the relationships between rite and story and between art and life
