Searching For Kenny Searching For God:

Searching for Kenny, Searching for God Bob Miller, 1996-01-01 *Anselm of Canterbury and the Search for God* John T. Slotemaker, 2018-03-20 This volume provides a broad interpretation of Anselm's theological method through a study of his Monologion. The Monologion has been chosen specifically because of its rich and nuanced account of the search for the one God. Through a careful analysis of this text, what becomes evident is that Anselm's theological project is much broader than a single argument or a simple account of how divine justice and honor are appeased. What one encounters is a theology informed by the notion of the human desire for God and the honest search to come to know God in an intimate way. The Monologion therefore will present an entry point into Anselm's theological project. The second half of the volume will examine the reception history of Anselm's two most famous philosophical and theological contributions: i.e. the ontological argument and the satisfaction theory. Anselm is often misunderstood because his approach to theology is reduced to the one argument or a carefully construed calculus of human redemption; such readings of Anselm abound and often obscure the Benedictine context within which his thought developed, and so a careful reading of Anselm's texts and the history of reception and interpretation will offer a counter narrative to the standard perception of one of the greatest thinkers of Christian history.

Searching for Lord Haw-Haw Colin Holmes, 2016-07-28 Searching for Lord Haw-Haw is an authoritative account of the political lives of William Joyce. He became notorious as a fascist, an anti-Semite, and then as a Second World War traitor when assuming the persona of Lord Haw-Haw; he acted as a radio propagandist for the Nazis. It is an endlessly compelling story of simmering hope, intense frustration, renewed anticipation, and ultimately catastrophic failure. This fully referenced work is the first attempt to place Joyce at the centre of the turbulent, traumatic, and influential events through which he lived. It challenges existing biographies which have reflected not only Joyce's frequent calculated deceptions but also the suspect claims advanced by his family, friends, and apologists. By exploring his rampant, increasingly influential narcissism, it also offers a pioneering analysis of Joyce's personality and exposes its dangerous, destructive consequences. What a saga my life would make, Joyce wrote from prison just before his execution. Few would disagree with him. *Being God's Man in the Search for Success* Stephen Arterburn, Kenny Luck, Todd Wendorff, 2010-05-19 I've worked hard to get where I am. I've overcome great obstacles. I've earned it. No one had a greater right to say those statements more than King David. He rose from the fields of Palestine to the palace of power and privilege. He'd made it. But now that he was on top, would he continue to grow spiritually in the midst of his success? Self-sufficiency is a temptation every man faces. But we can't be both self-sufficient and on the move spiritually at the same time. Just as in David's life, God often allows us to experience the consequences of self-sufficiency so that we can rediscover our need for his leadership and empowerment in our lives. In the end, the crushing blows we face serve to humble us and forge the basis for the next wave of spiritual momentum in our lives. *Being God's Man in the Search for Success* will help you, whether in individual or group study, come to grips with the

attitudes and actions you must own as you move forward to achieve God's goals for you in life **In Search of a Father's Blessing** Doug Stringer, 2016-04-01 There are times when I feel like the title father is the worst name God could have given Himself What a stupid idea when father means rejection in my world From a troubled teen's letter to Doug Stringer Doug Stringer's ministry daily saw young people struggling with drugs alcohol abortion prostitution apathy and other issues As God gave insight the root of the problem became clear America is devoid of fathers both natural and spiritual it is an orphaned nation with broken and dysfunctional families it is a society of individuals in search of identity Doug gives the reader a clear path to the affirmation acceptance and approval of a father by drawing from his own struggle with fatherlessness to explain The answer to the problem of fatherlessness in our nation The importance of spiritual fathers in the church How to be a spiritual father and find a spiritual father God's heart for reconciliation between generations How to overcome broken trust and learn to trust again The church is only now awaking to the heart cry of a generation that has been abandoned and left to its own devices Doug Stringer believes that God is ready to release a multi generational anointing calling forth churches and nations to come back to their Abba Father *In Search of Me* J.L. Stoenner, 2015-11-20 You are loved probably more than you realize God didn't make a mistake when He created you He has a divine plan and purpose for you but you won't be able to discover it or walk it out until you truly accept His unconditional undying love for you made manifest through Jesus Christ This book is the inspiring personal story of the first six years of a young woman's journey with Jesus a journey of faith and discovery faith in Christ and discovery of the wonderful loving nature of God and her true God given identity as a child of God and co heir with Christ She has made this journey into a devotional in hopes that it will help you the reader cultivate a deep personal relationship with Jesus as well as help you discover your own God given mission and successfully walk it out As you read this inspiring story of faith and answer the questions at the end of each chapter your relationship with God will grow deeper and so will your faith Get ready to dive deep into the very heart of God *In Search of the Good Life* Corey Miller, 2019-10-01 What is the Good Life Learn from some of the greatest minds in Greek Jewish and Christian thought Comparing their thought reveals a new apex reached in the age old question concerning the relationship of Jerusalem and Athens faith and reason Few have been more influential in Judaism and Christianity than Moses Maimonides and Thomas Aquinas yet Aristotle influenced them both in significant ways By adopting and adapting some of Aristotle's best thinking we can appreciate Maimonides and Aquinas search for the Good Life from their respective views ranging from the fall to human perfectibility This examines human nature the human telos and how each would prescribe the route to the Good Life For all three it is ultimately about the knowledge of God But what does that mean The comparative approach is more illuminating than if considered in isolation Comparatively Aristotle's approach may be characterized as informational Maimonides as instructional and Aquinas as pneumatic relational The role of faith as a virtue in both Maimonides and Aquinas makes a substantive difference over Aristotle's in philosophical and practical ways It is used to exploit their accounts
