Literary Research and the British Eighteenth Century Peggy Keeran, Jennifer Bowers, 2013-02-21 The 18th century in Britain was a transition period for literature Patronage either by a benefactor or through subscription lingered even as the publishing and bookselling industries developed The practice of reviewing books became well established during the second half of the century with the first periodical founded in 1749 For the literary scholar these gradual changes mean that

different search strategies are required to conduct research into primary and secondary source material across the era

Literary Research and the British Eighteenth Century addresses these unique challenges It examines how the following all contribute to the richness of literary research for this era book and periodical publishing a growing literate society dissemination of literature through salons private societies and coffee houses the growing importance of book reviews the explosion of publishing and the burgeoning of primary source material available through new publishing and digital initiatives in the 21st century This volume explores primary and secondary resources including general literary research guides union library catalogs print and online bibliographies scholarly journals manuscripts and archives 18th century books newspapers and periodicals contemporary reception and electronic texts and journals as well as Web resources Each chapter addresses the research methods and tools best used to extract relevant information and compares and evaluates sources making this book an invaluable guide to any literary scholar and student of the British eighteenth century Everyday Chemicals Gerald A. LeBlanc, 2023-02-21 What is the likelihood that common chemicals such as bisphenol A which is found in plastic water bottles are harming us Should shoppers be concerned about pesticide residues on fruits and vegetables in the supermarket produce aisle Are we risking adverse health effects when we use insect repellent that contains DEET or slather on sunscreen Modern life requires us to navigate an endless sea of chemicals How do we know whether we need to worry about them This book is a layperson's guide to understanding chemical risk The toxicologist Gerald A LeBlanc offers a nontechnical overview of the key factors in evaluating whether exposure to chemicals in our daily lives could be harmful He leads readers through the basic concepts of risk assessment using real world examples LeBlanc emphasizes that chemical hazard depends on the level of exposure and provides practical strategies for sensible decision making The book features a series of accessible case studies describing how we all can reach rational conclusions about the danger of typical chemical exposures we experience every day Giving nonexpert readers the tools to understand chemical risks this book shows how critical thinking and science literacy can help us live with less fear and anxiety and make reasonable choices when confronted with potential hazards **Fear at the Ferris Wheel** Mel McCoy, 2019-09-03 The season is in full swing in Cascade Cove Florida and a third body has been found this time behind the Ferris wheel at the town's amusement park A collage of suspects quickly pops up after an artist is found dead but what motive could one have for murdering the local talent With the authorities unable to paint a clear picture as to who was behind the esteemed artist's death it's up to Sarah to track down the culprit and keep the Cove from erupting into panic Soon Sarah realizes there is more to this mystery than meets the eye and she ponders the possibility that her top suspect has been framed Drawing on her past experiences will Sarah use her avant garde approach to curate the ever growing pile of clues and bring the killer to the foreground Or will she be brushed into a precarious situation becoming yet another casualty who is cropped out of the picture Join Sarah and the rest of the gang at Larry's Pawfect Boutique in this exciting Whodunit Pet Cozy Mystery Series Get nestled in your favorite

Lost Contact Found Aiden

Feynman, AI, 2025-02-17 Lost Contact Found explores the increasingly common experience of losing touch with family and loved ones and how technology now offers unprecedented ways to reconnect It delves into the psychology of estrangement highlighting how factors like global mobility and the rise of digital communication contribute to these separations Interestingly while search technologies and social media can facilitate reunions lasting reconnection hinges on genuine human effort and empathy The book adopts a three part structure starting with the social and historical context of familial separation It then transitions into case studies detailing how individuals successfully used social media search DNA ancestry services and other tools to find lost relatives For instance the algorithms behind search engines and the functionalities of social media platforms have reshaped human connection though the emotional work of rebuilding relationships remains paramount Finally the book addresses the ethical implications of using technology in family search emphasizing the need for sensitivity and respect Ultimately Lost Contact Found provides solace strategies and hope for those seeking to bridge the gaps in their lives blending practical guidance with a nuanced understanding of human relationships
