P. Hanson, 2005-01-01 First published in 1988 The Search for the Christian Doctrine of God is still considered by many scholars to be the finest work on the Arian Controversy Examining scholarly works on the Controversy and many original texts Professor Hanson provides a clear understanding of how the traditional and historic doctrine of God as the Holy Trinity reached its most mature and enduring form The author is not primarily concerned to defend the orthodox position itself but rather to discover and examine the formation of that orthodoxy The history of the events the Councils the interventions of the Emperor the rivalries of sees the behaviour of bishops the varying fortunes of the different schools of thought and their leaders is interwoven with the progression of thought and doctrine during the sixty years of the Controversy Professor Hanson sees the problem of the reconciliation of two concepts which were both part of the very fabric of Christianity monotheism and the worship of Jesus Christ as divine **The Search-light**, 1903 Jeremiah's Search for the Truth Jeremy Vincent, 2010-05-18 I dedicate this book to those people that question the world around them Even as a young child I wondered about things that most people simply dismissed as what is I dedicate this book to the questions that have never been answered because they have never been asked I would also like to dedicate this book to the two greatest girls a father could ask for Hannah and Madelyn My wife and I have dedicated our lives to ensuring our girls are better than their parents They are well on their way **The Search for the Self in Statius' ›Thebaid‹** Jean-Michel Hulls, 2021-07-19 The aim of this project is to provide a sustained analysis of the concept of self in Statius Thebaid It is this project's contention that the poem is profoundly interested in ideas

of identity and selfhood The poem stages itself as a metapoetic exploration of the difficulties for a belated epicist in finding a place in the literary canon it shows the impossibility of squaring large scale epic poetics with small scale finely wrought Callimacheanism it reflects the violent disjunction between Statius authorial pose as a poet without power and the extreme violence of his poetics it opens up the intricacies of constructing original coherent characters out of intertextual exemplary models The central tenet of the project is that Statius in the Thebaid stages his own death but does so that his poem may live This book is intended for an academic audience including undergraduate and graduate students as well as specialists in the field Although the project will be of primary importance to readers of Flavian literature it will also be of interest to those who study intertextuality and characterisation in Roman literature more generally selfhood and identity in Roman literature and culture and the reception of Roman literature

Searching for Justice Fred Kaufman, Osgoode Society for Canadian Legal History, 2005-01-01. The Honourable Fred Kaufman has been a distinguished figure in Canadian law for a half century. Born into a middle class Jewish family in mid 1920s Vienna, Kaufman escaped to England on the eve of the Second World War. In 1940 he was interned as an enemy alien and sent to Canada. Released in 1942, Kaufman stayed in Canada where he went on to university and law school in Montreal. Kaufman was called to the Bar of Quebec in 1955 and practiced criminal law for eighteen years, taking part in many of the famous cases of that period. In 1960 he secured the release of a young Pierre Elliott Trudeau from prison, and in 1973 Trudeau returned the favour by personally informing Kaufman of his appointment to the Quebec Court of Appeal, where he served for eighteen years, including one as Acting Chief Justice of Quebec. Since his retirement in 1991, Kaufman has led numerous commissions and inquiries, most notably the investigation into the wrongful conviction of Guy Paul Morin and the two-year reassessment of the Steven Truscott case. **Searching for Justice** is Kaufman's remarkable story in his own words. It is the tale of adversity overcome in a crucial period of Canadian legal history.
