Searching For A Piece Of My Soul:

In Search of the Soul, Second Edition Joel B. Green, 2010-11-01 Why A Search for the Soul Many Christians assume that it is biblically faithful and theologically noncontroversial to speak of humans having a soul Yet a wide range of biblical scholars are questioning whether we have correctly understood what the Bible means when it speaks of the soul And contemporary neuroscience is laying more and more questions at the doorstep of the church asking whether our human sense of self is intelligible on the basis of soul But for thoughtful Christians following science on this point looks like caving in to reductionism while denying science gives off the door of obscurantism In Search of the Soul provides a rare opportunity to listen in as four Christian philosophers set forth their best arguments for their distinct views and then respond to each other While each of these views calls for careful framing and patient exposition they are labeled as follows SUBSTANCE DUALISM Stewart Goetz EMERGENT DUALISM William Hasker NONREDUCTIVE PHYSICALISM Nancey Murphy CONSTITUTION VIEW OF PERSONS Kevin Corcoran The editor introduces the debate by laying out the critical issues at stake and wraps it up by considering the implications for the Christian life particularly hospitality and forgiveness This is a book of timely interest to philosophers theologians psychologists and pastors Whatever conclusions readers may draw they will find here an instructive and engaging discussion of a controversy that will not go away any time soon [The Search for Ethics in Leadership, Business, and Beyond](#) Joanne B. Finding Your Soul Mate with ThetaHealing Vianna Stibal,2016-10-11

Many of us are born into this world with the feeling and knowing of what being loved by another person should feel and be like but we lack the feeling and knowing of how to fulfill this desire in the highest and best way The desire for a soul mate is the ancient need to become the divine couple whose union breathes new life into the world Seen from this context finding your soul mate has deeper ramifications than a purely romantic desire the union of a soul mate is about the creation of an energy that is a candle to bring illumination to the world The content of this book is designed for spiritually romantic people who have not lost the faith that there is someone out there that has a divine understanding of us and that two people are brought together for a divine plan that will contribute towards a higher purpose Based on Vianna Stibal s own experience of

finding her soul mate this book will reaffirm your belief in true love and will explain how using ThetaHealing you can bring your soul mate into your life In Search of the Soul John Cottingham,2022-04-12 How our beliefs about the soul have developed through the ages and why an understanding of it still matters today The concept of the soul has been a recurring area of exploration since ancient times What do we mean when we talk about finding our soul how do we know we have one and does it hold any relevance in today s scientifically and technologically dominated society From Socrates and Augustine to Darwin and Freud In Search of the Soul takes readers on a concise accessible journey into the origins of the soul in Western philosophy and culture and examines how the idea has developed throughout history to the present Touching on literature music art and theology John Cottingham illustrates how far from being redundant in contemporary times the soul attunes us to the importance of meaning and value and experience and growth A better understanding of the soul might help all of us better understand what it is to be human Cottingham delves into the evolution of our thoughts about the soul through landmark works including those of Aristotle Plato and Descartes He considers the nature of consciousness and subjective experience and discusses the psychoanalytic view that large parts of the human psyche are hidden from direct conscious awareness He also reflects on the mysterious and universal longing for transcendence that is an indelible part of our human makeup Looking at the soul s many dimensions historical moral psychological and spiritual Cottingham makes a case for how it exerts a powerful pull on all of us In Search of the Soul is a testimony to how the soul remains a profoundly significant aspect of human flourishing **In Search of Soul** Alejandro Nava (Author on hip hop),2017-09-05 In Search of Soul explores the meaning of soul in sacred and profane incarnations from its biblical origins to its central place in the rich traditions of black and Latin history Surveying the work of writers artists poets musicians philosophers and theologians Alejandro Nava shows how their understandings of the soul revolve around narratives of justice liberation and spiritual redemption He contends that biblical traditions and hip hop emerged out of experiences of dispossession and oppression Whether born in the ghettos of America or of the Roman Empire hip hop and Christianity have endured by giving voice to the persecuted This book offers a view of soul in living color as a breathing suffering dreaming thing **Geron. The Old Man in Search of Paradise. A Posthumous Work** John Lavicount Anderdon,2024-07-31 Reprint of the original first published in 1877 **Father Malebranche his Treatise concerning the Search after Truth ... To which is added the author's Treatise of Nature and Grace ... All translated by T. Taylor ... The second edition, corrected ... With the addition of a Short Discourse upon Light and Colours, etc** Nicolas Malebranche,1700 Finding Your Life Purpose - Uncover Your Soul's True Goals Kelly Wallace,2020-08-13 How many times have you wondered Is this all there is Am I merely here to exist Or do I truly have a life purpose Everyone has a life purpose but finding it on your own isn t always easy and that s why I wrote this book I want to help you uncover your soul s true goals so you can live a fulfilling life of meaning success and happiness And it s easier than you think which is probably why it always seems out of reach We thoroughly believe that

Ambrose, 1815 The Soul Search Gary R. Collins, 1998-04-05 Dr Gary Collins provides a path through the spiritual maze that confronts readers today Beginning with a look at modern approaches to spirituality including the New Age and the many new spiritualities it has spawned Collins guides readers away from society's spiritual overload to a special intimacy with God Along the way he answers questions such as How do people play games with the spiritual and What keeps the spiritual journey alive **Reformed Evangelicalism and the Search for a Usable Past** Ian Hugh Clary, 2020-09-07 The question of how theology shapes a Christian historian's reading of the past has been debated thoroughly in various academic periodicals Should historians recognise the role of providence in their accounts of past events Should they sympathise with their subject's theology Can objectivity be lost due to theological bias And last but not least is there a compromise of faith if one writes natural instead of supernatural history Such questions are important for understanding the historian's profession Arnold Dallimore who trained and specialised in pastoral ministry in Canada wrote an influential biography of the revivalist George Whitefield as well as others on Charles and Susanna Wesley Edward Irving and Charles Spurgeon How did his Reformed theological perspective impact his historiography How does his work fit into larger historiographical debates concerning the nature of Christian history While other books look at Christian historiography using abstract and methodological approaches this book examines the subject precisely by looking at the life and work of an individual historian It does so by placing Dallimore in the context of being a minister in twentieth-century

Canada as well as his role in the development of Reformed Theology in the Anglosphere It also examines the quality of his various biographies focusing on key issues such as the nature of religious revival the problem of Christianity and slavery and the question of charismatic religious experience His study concludes by examining the relationship between the discipline and profession of church history and asking what is required for one to be considered a church historian

My Baby, My Baby Our Timeless Journey of Faith, Hope, and Love Jennifer B. Sturgeon, Alma B. Allen, 2014-05-12 Life and death struggles a common thread that connects us as human beings are vividly revealed in this inspirational and unforgettable true story as told by a mother and her daughter of their babies born with life threatening birth defects Swept away on an uncharted and treacherous journey one thing clearly emerges God the ultimate thread that held them together through their darkest hours was waiting for them there He gave them beauty for ashes the oil of joy for mourning and the garment of praise for the spirit of heaviness so He might be glorified through their babies life and death struggles Isaiah 61:3b At every bend in the road lives were forever changed The baby boy unable to ever speak a word about what he endured in his fight for life went to his grave never knowing what a giant impression his tiny handprint had left on every heart he touched leaving this world a better place than he found it For the little girl the veil separating Heaven and Earth was lifted Mommy I see an angel Hoping to get a glimpse her mommy searched the hospital room eagerly Where do you see an angel her mommy asked She pointed overhead Up there in the corner of my room one angel with big pink wings Although her mommy didn't see the Heavenly being together they felt the comfort of its presence On their timeless journey of faith hope and love their loving God went with them through it all healing hearts changing lives sharing their deepest sorrows and

sending his angels to comfort and help them Their stories formed in the crucible of life and death struggles were transformed by the grace of God into a thing of beauty He hath made every thing beautiful in his time Ecclesiastes 3 11a KJV
