Revelation Allen Daves, 2013-12-12 The book of Revelation offers us an interesting theological dilemma It states Rev 22:16 I Jesus have sent mine angel to testify unto you these things in the churches Revelation also states it is the true sayings of Jesus and that it is the testimony of Christ If this is not the gospel of Jesus Christ then what is it and should we consider it accursed testimony of an angel If it is not to be considered accursed then it cannot be some other gospel message then what was already given previously However this is the conundrum for if this is the gospel message then why do so few understand it There is a possibility which few consider but is the overall thesis of this apology The reason people don't understand revelation is because they never understood what the gospel message was in the first place In that case where does that put those who claim it is not essential for salvation Do you not find it quite curious that the most Personally given NT book By Jesus himself is the least understood and given the least importance for Salvation in Christendom There are numerous preachers and bible exegetes but as Paul said I bear them record that they have a zeal of God but not according to knowledge Most who profess the name of Christ are feeding on doctrines of devils and the ignorant There are without question many qualified teachers and scholars with many years of dedication and solid education However teachers no matter how well lettered or numbered in degrees if obtained from others who are just as equally ignorant in such matters are just blind leaders of the blind And if the blind lead the blind both shall fall into the ditch

Gambino, 2000-09-16 When prominent businessman and arts patron E Dillon Parsons is murdered at the prestigious Verdi Society's annual masquerade ball Homicide Lieutenant Douglas MacArthur Kim is plunged into the Philadelphia arts scene where to find the killer he must follow a path of deception in which the arts are subject to corporate whim and justice is subordinated to political expediency When three other members of the city's arts scene are murdered the pathways of deception branch even farther forcing Kim to cope with pressure from his superior

officer who wants to be police commissioner from the District Attorney who wants to be mayor and from an overbearing newspaper editor who wants headlines They want an arrest and conviction even though Kim is convinced the prime suspect is innocent Along the way Kim must come to grips with the deceptions of his own life Half Korean half Caucasian he is torn between two cultures Unsure of his own identity he has become alienated from his American stepfather who brought him to this country and raised him as his own then abandoned him and his mother for another woman Now he must follow deception's path until he reaches a doorway of truth
