## Seasons Of A Marriage:

The 4 Seasons of Marriage Gary Chapman, 2012-08-31 Spring summer winter fall Marriages are perpetually in a state of transition continually moving from one season to another perhaps not annually as in nature but just as certainly and consistently Sometimes we find ourselves in winter discouraged detached and dissatisfied other times we experience springtime with its openness hope and anticipation On other occasions we bask in the warmth of summer comfortable relaxed enjoying life And then comes fall with its uncertainty negligence and apprehension The cycle repeats itself many times throughout the life of a marriage just as the seasons repeat themselves in nature The seasons of marriage come and go Each one holds the potential for emotional health and happiness and each one has its challenges The purpose of this book is to describe these recurring seasons of marriage help you and your spouse identify which season your marriage is in and show you how to enhance your marriage in all four seasons *Seasons of a Marriage* H. Norman Wright, 1982 **Seasons of a Marriage** Robinson, 1994-01-01 *Every Season in a Marriage Has Benediction* Dr Anniekie Ravhudzulo, 2015-10-30 The Seasons of Marriage Marriage life has different seasons It doesn't matter whether you are a newlywed or have been married for years there will definitely be times in your marriage relationship when you feel frustrated sad angry irritated or confused On the hand there will also be times in your marriage when you feel completely in love bonded connected secure and happy Moments of thoughtfulness playfulness exploration discovery and quiet time together can make you feel like you are living in your own world There is nothing good than feeling loved like everything in your relationship is just connecting In marriage there are two big categories of seasons namely internal and external External marital seasons are those difficult situations matters and issues of which we have absolutely no control Internal marital problems are issues that develop from within the marriage over which both spouses have control A successful couple understand that in order to maintain happiness and balance in their marriage they must learn how to change their gears When complications arise these couples communicate take the risk to express their feelings listen to one another and work TOGETHER to create a solution Marriage is a journey with different seasons as you travel Remember that every season is a unique adventure Live and enjoy the season you are in and enjoy the benedictions through Better communication More quality time together Affair preventions Lowered odds for divorce Reactivated sex life Flexibility to succeed despite conflicting differences Finally good and bad seasons are natural in marriage everyone knows that Sometimes everything is working right for you Sometimes your marriage is facing trials hardships and challenges Sometimes everything seems stagnant and frozen You must know that you can't fast forward rewind or skip reasons No season is for no reason God brings us through every season for divine reason The beauty of marriage is in facing the changes together as a team Seasons of a Marriage H. Norman Wright, 1982 **The 4 Seasons of Marriage** Gary Chapman, 2012-09 Compares the transitional cycles of marriage to those of nature describes the attitudes and emotions of each season and offers seven strategies that enable couples to enhance and improve their marital

relationship
