## **Seasons Of A Restless Heart A Spiritual Companion For Living In Transition:**

**Seasons of a Restless Heart** Debra K. Farrington, 2030-12-05 Praise for THE Seasons OF A Restless Heart Debra Farrington has done a beautiful job of Christian interpretation by building a bridge between the ancient stories of the Exodus and our contemporary experiences of transition She shares most eloquently what she has learned from others and more importantly what she has experienced personally Her words will both enlighten and inspire John R Claypool Episcopal priest and author The Hopeful Heart Debra Farrington has always been a deeply practical realistic and honest writer whose work is companionable and full of stories In The Seasons of a Restless Heart she is all these things and much much more In the time between ending and beginning Farrington finds the poetry as well as the agony of change she allays our fears and charms our spirits back to faith hope and yes to charity Phyllis Tickle compiler The Divine Hours In this daring and hopeful work Debra Farrington illumines how to live into the arduous task of transition so that we stand a better chance of being closer to God when we reach the end It is an extended prayer for the journeys of all in transition Reminding us that we are God's beloved she offers footholds to guide us through the murky in between times This book is beautiful hopeful and caressing Anne E Kitch Canon for Christian Formation Cathedral Church of the Nativity and author The Anglican Family Prayer Book It is all here The doubts the hesitations the fears even the excitement that mark the small and large transitions of our lives Farrington provides a helpful tool for readers as they learn to celebrate what was live meaningfully through the uncertainties of the present and move into a healthy and whole future Linda Post Bushkofsky executive director Women of the Evangelical Lutheran Church in America *Living in a Body with a Mind of Its Own* Mike Beck, 2013-07 For the past 20 years I have lived with a rare and currently incurable neurological illness known as a dystonia This illness can affect numerous different muscles in the body causing them to spasm in ways we cannot control forcing us to live in a body with a mind of its own This book was written to be of help to individuals who struggle with this frustrating and often painful illness However it contains valuable lessons for anyone dealing with adversity If you are struggling with illness the death of a loved one depression a broken relationship the loss of a job or dealing with one of life's many transitions this book is also for you People with dystonia and other individuals will find many of the same feelings described in the book resonating within you Once you have come to grips with the emotions involved in your own adversity you are ready to roll up your sleeves and deal with life as it is in a more positive manner Join me on a road you never expected to travel and filled with numerous twists and turns along the way The journey may never end in this life but my hope is that by reading this book life's road will become a little easier for you to travel Rev Mike Beck No Longer Silent Rev. Mike Beck, 2011-11-02 QUOTES FROM THE CHAPTER LET'S BE REAL Do we have any understanding of the unchurched culture in which we live and the way these people view the church Do we spend intentional time cultivating relationships with non-Christian people or is our attitude one of they know where we are and they'll come if they want to If the church is truly to experience a revival we must seek to understand the needs and

thinking of unchurched Harry and Mary We need to stop playing our pious religious games and realize that the church is to be a haven for broken hurting people who feel they don't have their lives all together And if we look at the teachings of Jesus He consistently taught that it was those people who felt they had it all together who in fact were farthest from God In no way am I diminishing the importance of sound doctrine but I have often laughingly said that we will be surprised when we get to Heaven at some of the people living in our neighborhood We must acknowledge our own struggles with complex issues and at times admit that we don't have God in a neat box and therefore don't have all the answers Although sound theology is important my Bible says first and foremost that they will know we are Christians by our love Christ said that He had come not to comfort the already comfortable but to preach good news to the poor to proclaim recovery of sight to the blind to release the oppressed and to proclaim the year of the Lord's favor Is that our message as well If not then it's time for us to be real
