bad business Profit margins are the only concern The most curious aspect of life today is what happens when values meet the technologically cold world of the 21st century Can the person true to his values survive *Seasons of Change* Margaret Keyte,2013 William s life was turned upside down at twelve years of age when his father was killed throwing a drunk out of their hotel His mother spiraled into a series of moods of depression at which time a conniving patron Mr Albert Ilfield quickly seized on the opportunity and installed himself as the proprietor of the hotel and took over more than the running of the business William s life took him through many challenges and more than a few intriguing situations from that point on After suffering four years of physical abuse from Mr Ilfield William was finally thrown out of the hotel and told to make a man of himself Full of anger and aching to get even William spent many years scheming and plotting his revenge and even though he seemed focused on nothing else it did reveal his true character This search for revenge took him across the oceans to Australia in the early days of its settlement allowing him the opportunity to explore some of that vibrant harsh land Did he survive Did he return home Did he exact his revenge Read on to uncover the account of Seasons of Change *The Seasons of Change* Carol L.
