Seasons Of Time:

Seasons of God Jesse D. Yeakel, PhD, 2021-01-06 Have you ever watched a beautiful sunset and become absorbed into its hues of red yellow blue pink and purple Have you ever walked in a forest and listened to the insects the burbling of a brook or the wind blowing the Autumn colored leaves Have you ever felt so alone and afraid crying for help from God's son to lift you up and bring you to Him I have experienced all these things and have attempted to capture the feelings I had and the hope I cherished in words and verses These poems were written out of feelings of joy and despair times of comfort and fear enduring pain or feeling the golden glow within after praying to Christ for aid I hope these verses can give you warmth empathy gratitude hope and faith that in the end God is in charge of all and He will never fail you That even in human death He is there and where He is there is life The Mystery of Time Donnell Duncan, 2020-05 Do you want to know the secret to success according to Ecclesiastes 9 11 Be in the right place at the right time That principle forms the foundation of The Mystery of Time Yet it all starts with seeing time through the eyes of The One who created it God Time is more than the numbers on a clock or dates on a calendar It's more than the span between the beginning of Genesis and the end of Revelation It's more than what can be measured with any man made tool or instrument God has fit time into the continuum of eternity in such a way that it governs the human experience In this his seventh book author Donnell Duncan looks from seven different Biblical perspectives at the age old question What is time He provides scriptural best practices for discerning God's timing and shares effective tools for understanding the end times Most importantly he reveals through the life of Jesus the value of living according to God's schedule and tapping into the wisdom of the Holy Spirit for a revelation of the future

nations of the south recorded their histories are too well known to students to need more than a passing notice here It was known that our own tribes had various ways of depicting their mythology their totems or isolated facts in the life of the individual or nation but it is only within a few years that it was even suspected that they could have anything like continuous historical records even in embryo The fact is now established however that pictographic records covering periods of from sixty to perhaps two hundred years or more do or did exist among several tribes and it is entirely probable that every leading mother tribe had such a record of its origin and wanderings the pictured narrative being compiled by the priests and preserved with sacred care through all the shifting vicissitudes of savage life until lost or destroyed in the ruin that overwhelmed the native governments at the coming of the white man Several such histories are now known and as the aboriginal field is still but partially explored others may yet come to light
