## Seasons Of Gray:

Gray's Island Shirley Brock Turney.,2013-10-30 This book is a collection of poems and childhood memories The poems are simple words from a simple mind Some were written to be just plain silly in hopes of making you smile The childhood memories are about growing up in the fifties when I spent most of my young years playing in the dirt swimming in the creek and walking on railroad tracks My family and I lived in a small house next door to a big three room school house There was a railroad in front of our house and a creek in the back The rest of the community was on the other side of the railroad tracks I always say that I grew up on the wrong side of the tracks Most memories are about Gray s Island where we spent the summers swimming in the creek and having many adventures It was always boys chasing girls dunking us in the creek and having battles throwing pine cones and crabapples at each other It was a time of innocence that could only be experienced during childhood **Marine Fisheries Review** ,2009 **Field & Stream** ,1993-01 FIELD STREAM America s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations Investigative Reporting David Anderson,Peter Benjaminson,1976 **Gray Wolves (Canis Lupus) Reintroduction Into Yellowstone National Park (N.P.) and Central Idaho (WY,MT, and ID)** ,1993 **The Reintroduction of Gray Wolves to Yellowstone National Park and Central Idaho** ,1994 *Gray's Poems* Thomas Gray,1891 **Annual Report of the Commissioners on Fisheries and Game** Massachusetts.
