The Seasons of My Life John Lentz,2022-08 The Seasons of My Life is a book that I wish my mother had written Growing up I was never very interested in hearing her tell stories of her life I was always more interested in going out to play As I got older and had my own family I was always too busy with my life to sit and listen to her experiences How sorry I am now that I never really knew my own mother This is also a book that I hope my kids and grandkids will someday write I hope it will also be inspirational to many others to start their own family tradition How great would it be to pick up a book and read about your parents grandparents or even great grandparents to know what their life was really like way back when to know of the struggles they faced their likes and dislikes successes and failures their loves and their regrets and what made them the way they were I also believe this would be a wonderful book for book club members to read It will get the thoughts and memories flowing back about their own life experiences I wrote this book so that my kids and grandkids and also the rest of my family and friends will know who I am and why I do the things I do For others who read it this book is not for you to
