thrillingly evoked storms in all of literature The Shadow Line is a dramatically fictionalized account of Conrad's first command as a young sea captain trapped aboard a becalmed fever wracked and seemingly haunted ship an ordeal that marks for him the shadow line between youth and maturity Suspenseful atmospheric and deceptively simple this intense story reflects the complex themes of Conrad's most famous novels Lord Jim and Heart of Darkness With an introduction by Martin Seymour Smith     **Forthcoming Books** Rose Arny,2000     English Mechanic and Mirror of Science ,1916     **Hymns of Faith and Hope** Horatius Bonar,1867     The Real Cruel Sea Richard Woodman,2011-07-06 The renowned maritime historian's compelling study of the vital role played by merchant seamen during WWII in the Battle of the Atlantic For the British the Battle of the Atlantic was a fight for survival They depended on the safe transit of hundreds of merchant ships carrying food and supplies from America to feed the country and keep the war effort going On top of that they had to export manufactured goods to pay for it all Britain's merchant navy a disparate collection of private vessels had become the country's lifeline While its seamen were officially non combatants they bravely endured the onslaught of the German U boat offensive until Allied superiority overwhelmed the enemy Drawing extensively on first hand sources Richard Woodman establishes the importance of the British and Allied merchant fleets in the struggle against Germany This important study elevates the heroic seamen who manned these ships to their rightful place in the history of the Second World War     **Peter Simple** Frederick Marryat,1873     **The New Review** ,1896     English Mechanic and Mirror of Science and Art ,1916     **Merchant Vessels of the United States...** United States.
