Reading Seattle Peter Donahue, John Trombold, 2014-05-01 Seattle with its spectacular natural beauty and rough frontier history has inspired writers from its earliest days. This anthology spans seven decades and includes fiction, memoirs, histories and journalism that define the city or use it as a setting, imparting the flavor of the city through a literary prism. Reading Seattle features classics by Horace R. Cayton, Richard Hugo, Betty MacDonald, Mary McCarthy, Murray Morgan and John Okada, as well as more recent works by Sherman Alexie, Lynda Barry, David Guterson, J. A. Jance, Jonathan Raban and others. It includes cutting edge work by emerging talents and reintroduces works by important Seattle writers who may have been overlooked in recent years. The writers featured in this volume explore a variety of neighborhoods and districts within the city, delineating urban spaces and painting memorable portraits of characters both historical and fictional.

Gay Seattle Gary L. Atkins, 2011-10-17 Winner of a 2004 Washington State Book Award Winner of a 2004 Alpha Sigma Nu ASN Jesuit Book Award In 1893 the Washington State legislature quietly began passing a set of laws that essentially made homosexuality and eventually even the discussion of homosexuality a crime A century later Mike Lowry became the first governor of the state to address the annual lesbian and gay pride rally in Seattle Gay Seattle traces the evolution of Seattle's gay community in those 100 turbulent years telling through a century of stories how gays and lesbians have sought to achieve a sense of belonging in Seattle Gary Atkins recounts the demonization of gays by social crusaders around the turn of the century the earliest prosecutions for sodomy the official harassment and discrimination through most of the twentieth century and the medical discrimination and commitment to mental hospitals that continued into the 1970s as homosexuality was diagnosed as a disease that could be cured Places of refuge from this imposed social exile were created in underground theater and dance clubs the Gold Rush era burlesque shows modern drag theater and in mid century the emergence of openly gay bars from the Casino to Shelley's Leg Many of these were subjected to steady exploitation by corrupt police until bar owner MacIver Wells and two Seattle Times reporters exposed the racket The increasingly public presence of gays in Seattle was accompanied by the gradual coalescence of social services and self help organizations such

as the Dorian Society gay businesses and advocacy groups including the Greater Seattle Business Association and the stormy relationship between the Vatican Seattle's Catholic hierarchy and gay worshippers Atkins narrative reveals the complex and often frustrating process of claiming a civic life showing how gays and lesbians have engaged in a multilayered struggle for social acceptance against the forces of state and city politics the police the media and public opinion The emergence of mainstream political activism in the 1970s and ultimately the election of Cal Anderson and other openly gay officials to the state legislature and city council were momentous events yet shadowed by the devastating rise of AIDS and its effect on the homosexual community as a whole These stories of exile and belonging draw on numerous original interviews as well as case studies of individuals and organizations that played important roles in the history of Seattle's gay and lesbian community Collectively they are a powerful testament to the endurance and fortitude of this minority community revealing the ways a previously hidden sexual minority comes out as a people and establishes a public presence in the face of challenges from within and without
