

The background of the book cover is a photograph of a person's silhouette against a bright, colorful sky. The person is seen from the back, looking towards the horizon. The sky is a mix of blue, pink, and yellow, suggesting a sunset or sunrise. The person's head is tilted back, and their arms are slightly out to the sides. The overall mood is contemplative and dramatic.

deviance and social control The collection of articles combines readings on sociological perspectives and theories with journalistic treatments of deviance and social control The focus is on the social construction of deviance and the legitimizing of social control

Force & Fear Frederick John Desroches, 2002 Eighty convicted bank robbers the Canadian penitentiary service and police departments across the country have all actively contributed to Desroches quest to uncover why an individual embarks on a crime for which the proceeds are minimal the arrest rate high and the jail sentence long The first book of its kind *Force and Fear* Robbery in Canada examines robbery not just as a crime but as a criminal event The author looks at offender motivation and social background responses to robberies by the criminal justice system and interaction between robber and victim

Power and Resistance Wayne Antony, Jessica Antony, Les Samuelson, 2020-05-06T00:00:00Z How do we make sense of the social problems that continue to plague Canadian society Our understanding of issues such as poverty racism violence homophobia crime and pollution stems from our view of how society is structured From the dominant neoliberal perspective social problems arise from individuals making poor choices From a critical perspective however these social troubles are caused by structural social inequalities Disparities in economic social and political power that is relations of power based on class race gender and sexual orientation are the central structural element of capitalist patriarchal colonialist societies The contributors to *Power and Resistance* use this critical perspective to explore Canadian social issues such as poverty colonialism homophobia violence against women climate change and so on This sixth edition adds chapters on the corporatization of higher education the lethal impacts of colonialism democracy the social determinants of health drug policy and sexual violence on campus

Unruly Women Karlene Faith, 2011-07-26 Winner of the VanCity Book Prize *Unruly Women* The Politics of Confinement institutionalized violence and sexual abuse against incarcerated women women loving women in prison motherhood inside prison battered woman syndrome Hollywood s formulaic women in prison films political education in prisons and acts of resistance inside and out Karlene Faith challenges misconceptions of deviant women and celebrates the unruly woman the unmanageable woman who claims her own body and who cannot be silenced As the drug war wages on riddled with excessive and inequitable prison sentences the incarcerated population skyrockets toward 2.5 million up from less than 200 000 nationwide in 1970 and private prisons burgeon around the coasts now is a critical moment to educate ourselves about what is at stake with our prison system Faith s incisive work causes us to question the usefulness of the forced confinement and surveillance of mostly nonviolent people

Violence and the Female Imagination Paula Ruth Gilbert, 2006-03-31 In the past twenty years Quebec women writers including Aline Chamberland Claire D Suzanne Jacob and H l ne Rioux have created female characters who are fascinated with bold sexual actions and language cruelty and violence at times culminating in infanticide and serial killing Paula Ruth Gilbert argues that these Quebec feminist writers are re framing gender *Violence and the Female Imagination* explores whether these imagined women are striking out at an external other or harming themselves through acts of self destruction and depression Gilbert examines the degree to which women

are imitating men in the outward direction of their anger and hostility and suggests that such tough women may be mocking men in their macho exploits of sexuality and violence She illustrates the ways in which Quebec female authors are feminizing violence or re envisioning gender in North American culture Gilbert bridges methodological gaps and integrates history sociology literary theory feminist theory and other disciplinary approaches to provide a framework for the discussion of important ethical and aesthetic questions

Aboriginal Voices and the Politics of Representation in Canadian Introductory Sociology Textbooks John Steckley, 2003 The philosophical underpinnings of this textbook make it a most interesting read for scholars of Aboriginal Studies the social sciences humanities and cultural studies and humanistic curriculum development John Steckley's familiarity with and respect for the epistemology of the Huron Mohawk and Ojibwa peoples enlightens and enables his research In this book he provides a critical framework for assessing Aboriginal content in introductory sociology textbooks He defines what is missing from the seventy seven texts included in his study of the manifestation of cultural hegemony in Canadian sociology textbooks This critique is suitable for students and professors of sociology as Dr Steckley addresses the impact of the ellipses from the textbooks they have traditionally used

The Montreal Massacre Peter Eglin, Stephen Hester, 2006-01-01 The Montreal Massacre A Story of Membership Categorization Analysis adopts an ethnomethodological viewpoint to analyze how the murder of women by a lone gunman at the Ecole Polytechnique in Montreal was presented to the public via media publication over a two week period in 1989 All that the public came to know and understand of the murders the murderer and the victims was constituted in the description and commentaries produced by the media What the murders became therefore was an expression of the methods used to describe and evaluate them and central to these methods was membership category analysis the human practice of perceiving people places and events as members of categories and to use these to explain actions This is evident in the various versions comprising the overall story of the Massacre it was a crime it was a tragedy it was a horror story The killer's story is also based on his own categorial analysis he said his victims were feminists The media commentators formulated the significance of the murders in categorial terms it implicated a wider problem that of violence against women and thus the reasons for the murders were shown to be categorial matters As a contribution to sociology and as a demonstration of the significance of ethnomethodology for understanding social life the book reveals the methodical and particularly categorial character of how sense is made of events such as this and how such methodical and categorial resources are central to human interaction

How Claims Spread Joel Best, Best's anthology examines for the first time how diverse social issues road rage the metric system gun control and abortion are among those included migrate across national boundaries modifying themselves from place to place as a result of different claims claimsmakers and policy responses This unique collection assembled from new research by an international group of social problems scholars will fill a gap in undergraduate and graduate level studies in the constructionist analyses of social problems as well as in political science public policy and

criminology Claims concerning one social problem often influence those about another claimsmakers borrow rhetoric and tactics from one another In some cases experienced claimsmakers join efforts to call attention to other social problems compelling images e g the threatened child or random violence link claims about different problems and reactions to one set of claims These case studies describe very different processes ranging from deliberate attempts to disseminate social problem claims to developments that were more inadvertent from successes in which social problem constructions spread to new countries to failures in which claims were sown but failed to take root They are intended to suggest that the diffusion of social problems is neither simple nor automatic Joel Best is professor and chair Department of Sociology and Criminal Justice University of Delaware He has served as an editorial advisor for Aldine that has produced fifty titles *Understanding Societies* Gillian Balfour,2021-12-13T00:00:00Z This book is a collection of critical readings that animate contemporary sociological theory and research Students will learn how sociology can be relevant in their everyday lives as they are introduced to scholars who challenge conventional thinking about how the world works Designed as a companion reader for introductory sociology students each reading is set in context with clear linkages to Joanne Naiman s *How Societies Work* Students will read about racial profiling wrongful convictions homophobia human trafficking professional sports sweatshop labour and residential schools Each chapter illustrates how sociologists think about social inequality power and social transformation *Investigating Cyber Law and Cyber Ethics: Issues, Impacts and Practices* Dudley, Alfreda,Braman, James,Vincenti, Giovanni,2011-09-30 Ethical values in computing are essential for understanding and maintaining the relationship between computing professionals and researchers and the users of their applications and programs While concerns about cyber ethics and cyber law are constantly changing as technology changes the intersections of cyber ethics and cyber law are still underexplored *Investigating Cyber Law and Cyber Ethics Issues Impacts and Practices* discusses the impact of cyber ethics and cyber law on information technologies and society Featuring current research theoretical frameworks and case studies the book will highlight the ethical and legal practices used in computing technologies increase the effectiveness of computing students and professionals in applying ethical values and legal statutes and provide insight on ethical and legal discussions of real world applications **Cold North Killers** Lee Mellor,2012-03-03 Canada is seen as a peaceful place but this wake up call shows us that there have been more than 60 serial killers in our history Limited time offer There are more than 60 serial murderers in Canadian history For too long awareness of serial murder in Canada has been confined to West Coast butcher Clifford Olson and the Schoolgirl Murderers Paul Bernardo and Karla Homolka along with the horrific acts of pig farmer Robert Pickton Unlike our American neighbours Canada has been viewed as a nation untouched by the shadow of multiple murder Then came Colonel Russell Williams and his bizarre homicides and serial home invasions which were sensational news worldwide on the Internet and television and in scores of newspapers and magazines The reason for Canada s serial killer blackout is clear until now such information has never been compiled and presented in a

single concise work ColdNorth Killers is a wake up call This detailed and haunting account of Canada s worst monsters analyzes their crimes childhoods and inevitable downfalls It is an indispensablecompendium for any true crime lover criminologist or law enforcement officer **Juvenile Justice Systems** John Winterdyk,2002 Annotation By the year 2000 more than 50% of the world population will be under the age of 15 9th UN Congress 1995 Youth crime is increasing around the worl d 9th UN Congress 1995 In September 1997 Canadian Justice Minister Anne McLellan declared youth justice as a top priority These and similar facts speak to the urgency for society to study youth crime and examine youth justice systems from a comparative perspective As our world gets smaller we discover the urgency and importance of sharing and learning at a global level This collection offers a unique opportunity to examine six different juvenile justice systems and youth crime around the world All eleven articles are original contributions from a distinguished set of experts on juvenile justice in their respective countries Each contribution examines a set of common elements defining delinquency describing the nature and extent of youth crime examining the administration of youth justice and discussing issues confronting youth crime This groundbreaking book will be of interest to students criminologists and criminal justice policy makers who are interested in improving the intervention treatment and prevention of youth crime and the administration of youth justice

Discrimination and Denial Clayton James Mosher,1998-01-01 Champion sprinter Donovan Bailey said it and this book confirms it While racism may not be as blatant in Canada as in the United States it does exist Members of visible minority groups are discriminated against in employment housing and access to public services The increasing visibility of hate groups and calls to restrict immigration mark the growing tension Racist attitudes against Asians and Blacks in particular have seeped into the criminal justice system Ironically since 1960 it has been illegal in Ontario to track crime by race making it difficult for researchers to collect data The media our primary source of information has sensationalized crimes where minority groups are implicated Clayton Mosher uses historical data and media reports to expose racism in Canada s social legal and criminal justice systems He considers the social contexts of discrimination legislation directed against minority groups law enforcement and court outcomes At last we are offered an objective assessment of racism in Canada Discrimination and Denial is essential reading for judges lawyers police officers social policy makers and community leaders Interpretations of recent events such as the shooting of officer Todd Baylis by a fugitive alien and gang style slayings in Toronto s Chinatown are guaranteed to heat up the embers of public debate
