Lord Jims Many Marriages:

Lord Jim's Many Marriages Ruby Christian, 1995-11-01 Jim Proctor was one of Vienna's rare people. He was truly successful and seemingly a happy man. However, there was a blight on his life. He was lonely. Even though he knew where and how to get everything, he had yet to find the right female companion. He needed a wife. Actually, he had won and lost one years ago. He did not expect to meet another like her. As a Social Work Counselor in a Rehabilitation Clinic at Vienna, Alabama, Jim had dealt with marital or companionable arrangements that were far from standard, set by law and religion alike, as far as the good old USA was concerned. Some of these arrangements had come close to practices in cultures not at all American. Jim found a way to legally marry as many women as he wanted back cover **Marriage** June Hunt, 2014-02-11 Time, effort, and meticulous planning go into the wedding, but what about the marriage? Are you living happily ever after, or does it feel like you have a make-believe marriage? You might be skeptical about marriage because of the failed marriages around you, or maybe your own marriage has deflated your hopes of ever having a successful marriage and relationship. This book addresses that. Marriage cannot solve your problems. Your identity is in Christ, not in your mate. It's never too late to improve your marriage. The male and female differences bring balance to the marriage relationship. Whether you are contemplating marriage or remarriage, there is hope. God designed marriage as a lifetime covenant relationship for His purpose. You can learn to be the spouse God intended you to be. And although there may be struggles along the way, a God-honoring marriage can be yours. Rose Publishing Product Code 271X June Hunt Hope For The Heart Series **F. Scott Fitzgerald on Authorship** Francis Scott Fitzgerald, 1996 In a substantial introduction to the volume, Matthew J. Bruccoli positions Fitzgerald as a case history for the profession of authorship. Approach to American literary history formulated by William Charvat. Bruccoli notes that more is known about the professional life of Fitzgerald than about that of any other major American author, and drawing on that wealth of information, he challenges familiar myths about Fitzgerald's squandering of fortunes and literary genius. Bruccoli exposes the error of segregating Fitzgerald's magazine and movie work from his novels, suggesting instead that a symbiotic relationship exists among these works and ties them together. **The English Catalogue of Books [annual]** Sampson Low, 1927 Vols. for 1898-1968 include a directory of publishers. **A Catalogue of the Most Important Books Available for Free Circulation Among Subscribers to 'The Times'** The Times, London. the Ethics of Ageing C. S. Wareham, 2022-08-04 We're all getting older from the moment we're born. Ageing is a fundamental and ubiquitous aspect of life. Yet in ethics not much work is done on the questions surrounding ageing: how do diachronic features of ageing and the lifespan contribute to the overall value of life? How do time change and mortality impact on questions of morality and the good life? And how ought societies to respond to issues of social justice and the good, balancing the interests of generations and age cohorts? In this Cambridge Handbook, the first book-length attempt to stake this terrain, leading moral philosophers from a range of sub-fields and regions set out their approaches to the conceptual and ethical understanding of ageing. The volume makes an important contribution to significant debates about the implications of ageing for individual well-being, social policy and social justice.
