Lord Of The High Valley:

The Lord's First Night Alain Boureau,1998-09 From the late Middle Ages to THE MARRIAGE OF FIGARO to Mel Gibson s BRAVEHEART the ultimate symbol of feudal barbarism has been the right of a feudal lord to sleep with the bride of a vassal on her wedding night But here in a fascinating case study of the folklore of sexuality Alain Boureau elegantly demonstrates such tradition is a myth

The Road to Batemans Bay Alastair Greig,2023-11-16 The Road to Batemans Bay is the story of competing ventures to create the Great Southern Township on the South Coast of New South Wales in the early 1840s The idea of developing the furthest reaches of settlement was linked to the hopes of southern woolgrowers for a road from their properties to the coast over the Great Dividing Range The township proponents dreamed that having a quicker and cheaper connection to Sydney would allow them to open a port second only to Port Jackson The scene begins with the proposed coastal township of St Vincent in an age of optimism settlement is expanding exports are growing and land prices are soaring generating Australia s first land boom Before long however the colony experiences a catastrophic economic depression whose pestilential breath infects those with a stake in the coastal townships Alastair Greig follows the fate of these individuals while also speculating on the broader fate of South Coast development during the mid nineteenth century Greig gives a unique insight into many aspects of colonial life including the worlds of Sydney s merchants auctioneers land speculators surveyors map makers and lawyers as well as its maritime challenges The Road to Batemans Bay is a chronicle of how Australia first developed its land gambling habit and how land speculation led to the road to ruin

The Hebrew Bible Robert Alter,2019-02-05 A landmark event the complete Hebrew Bible in the award winning translation that delivers the stunning literary power of the original A masterpiece of deep learning and fine sensibility Robert Alter s translation of the Hebrew Bible now complete reanimates one of the formative works of our culture Capturing its brilliantly compact poetry and finely wrought purposeful prose Alter renews the Old Testament as a source of literary power and spiritual inspiration From the family frictions of Genesis and King David s flawed humanity to the serene wisdom of Psalms and Job s incendiary questioning of God s ways these magnificent works of world literature resonate with a startling immediacy Featuring Alter s generous commentary which quietly alerts readers to the literary and historical dimensions of the text this is the definitive edition of the Hebrew Bible

[Ancient Israel](#) Robert Alter,2013-03-25 Robert Alter s award winning translation of the Hebrew Bible continues with the stirring narrative of Israel s ancient history To read the books of the Former Prophets in this riveting Robert Alter translation is to discover an entertaining amalgam of hair raising action and high literary achievement Samson the vigilante superhero of Judges slaughters thousands of Philistines with the jawbone of a donkey David the Machiavellian prince of Samuel and Kings is one of the great literary figures of antiquity A ruthless monarch David embodies a life in full dimension as it moves from brilliant youth through vigorous prime to failing old age Samson and David play emblematic roles in the rise and fall of ancient Israel a nation beset by internal divisions and external

threats A scattering of contentious desert tribes joined by faith in a special covenant with God Israel emerges through the bloody massacres of Canaanite populations recounted in Joshua and the anarchic violence of Judges The resourceful David consolidates national power but it is power rooted in conspiracy and David dies bitterly isolated in his court surrounded by enemies His successor Solomon maintains national unity through his legendary wisdom wealth and grand public vision but after his death Israel succumbs to internal discord and foreign conquest Near its end the saga of ancient Israel returns to the supernatural In Elijah s fiery ascent to heaven many would find the harbinger of a messiah coming to save his people in their time of need

The Hidden Frontier John W. Cole, Eric R. Wolf, 1999-11-16 This award winning classic in the study of ethnicity identity and nation building has a new introduction on which Eric Wolf collaborated near the end of his life that shows the continuing validity of the book s innovative approach to ethnography ecology culture and politics The authors investigated two Alpine villages the German speaking community of St Felix and Romance speaking Tret only a mile apart in the same mountain valley

A Word for the Weary Kevin Stevens, 2015-11-19 A Word for the Weary speaks directly into the hearts of those who are passing through difficult seasons in their lives As you read through this devotional day by day the Spirit of God will encourage you the reader to continue moving forward even through the most difficult of circumstances As much as a tragedy or a severe trial can seemingly alter the whole course of your destiny it takes only one word from God to turn things around and change your lives God will bring to pass His promises concerning you Are you in a season of feeling weary and without strength Do you feel like you are in a spiritually dry and desert place Perhaps you feel like you are wandering through the wilderness Then this book is for you God

Fitzpatrick,2023-09-07 The adventure is set in South Western France in the aftermath of the Battle of Waterloo It begins in the small town of La Garenne home to the Ducs of Garenne and their ancestors for more than six hundred years La Garenne was a place where nothing much ever happened Even the French Revolution had passed by the town That is until the suspicious death of a national hero a man from the town known to all and the subsequent death of his mentor the Duc de Garenne There was also the unexplained disappearance of a famous hunting dog Hugo Hound once owned by both of these men Then the nation was gripped by the news that a patrol of gendarmes from La Garenne had vanished off the face of the earth at least according to their local commandant A young officer was dispatched from Paris to investigate and discovered that all these events had a common link the dog Hugo Hound To his bewilderment his orders are changed by the Head of Gendarmerie in Paris He must now also find Hugo Hound He finds himself protecting not only Hugo but Hugo s companions including talking bears and lions He also meets once again Catherine whom he had helped rescue from the chaotic aftermath of Waterloo She and her cousin are far more involved with his task than he could ever have imagined On a voyage across France to the safety of the Pyrenees once home to these special beings he and his charges are pursued by evil in the form of a Werewolf once the leader of the lost patrol and the renegade son of the late Duc de Garenne brother to Catherine *Druids Of The Faerie* Lewis G.
