The Franks in the Aegean Peter Lock, 2014-01-14

Despite the enormous literature on the crusades the Frankish states in the Aegean set up in the wake of the Fourth Crusade

in 1204 have been seriously neglected by modern historians Yet their history is both compelling in itself these were the last crusader states to be set up in the eastern Mediterranean and among the last to fall to the Turks and also valuable for the case study they offer in medieval colonialism Peter Lock surveys the social economic religious and cultural aspects of the region within a broad political framework and explores the clash of cultures between the Frankish interlopers and their Byzantine subjects This is a major addition to crusading studies A Complete Collection Of State-Trials And Proceedings For High-Treason And Other Crimes and Misdemeanours ,1730 **Beatrice, Or, The Unknown Relatives** Catherine Sinclair,1854 **Unknown Warwickshire** Mary Dormer Harris,1925 **The English Reports: Nisi Prius (1688-1867)** ,1927 The British Army Against Napoleon Robert Burnham,Ron McGuigan,2010-08-09 Despite the bewildering number of tomes devoted to the Napoleonic wars much basic data as been hitherto unavailable to anyone other than the most ardent scholars McGuigan and Burnham have collected a tremendous treasure trove of information in a readily accessible form Other books may tell you how many regiments were sent on the expedition to Hanover in 1805 but The British Army against Napoleon will tell you where every single regiment in the British army was stationed who were their honorary colonels and give you a list of all the barracks in Britain with the number of men they were designed to hold Where else will you find not just the pay of different ranked officers but the amount of income tax they paid as well as all the other deductions and stoppages that reduced their actual receipts to a fraction of their nominal and generally quite low pay Or pension charts for widows There are tables that list all the recipients of the honours and awards issued casualties in action and disease seniority of officers of the numerous expeditions and campaigns a matter not just of curiosity but of major significance for the date of rank of an officer determined who commanded the force and all of its sub units The material in these tables has been collected from countless primary sources and official publications such as the Army List London Gazette Wellington s Dispatches regimental histories artillery manuals and handbooks A Compleat Collection of State-tryals, and Proceedings Upon Impeachments for High Treason, and Other Crimes and Misdemeanours: 1681-1692 Thomas Salmon,1719 *The Fireside Encyclopædia of Poetry* Henry Troth Coates,1878 The Encyclopedia of Fantasy John Clute,John Grant,1999-03-15 Like its companion volume The Encyclopedia of Science Fiction this massive reference of 4 000 entries covers all aspects of fantasy from literature to art Footsteps Unknown; or, A Parable, found written on the Earth John RUSSELL (of Dunedin, Auckland.),1862 **Unknown Essex** Donald Maxwell,1925 *Reports of Cases, Determined at Nisi Prius, in the Courts of King's Bench and Common Pleas ...* Great Britain.
