A sword with a dark hilt and a long, straight blade, resting on a dark, textured surface. The sword is positioned diagonally across the frame, with the hilt at the bottom left and the tip pointing towards the top right. The blade is a light, metallic color, contrasting with the dark background. The hilt features a crossguard with a central pommel and a dark, possibly leather or wood, grip. The background is a dark, mottled brown with some lighter, reddish-brown patches, suggesting a rocky or metallic surface.
