Lore Of New Mexico Abridged Ed:

American Mythmaker Mark J. Dworkin, 2015-02-27 Walter Noble Burns 1872 1932 served with the First Kentucky Infantry during the Spanish American War and covered General John J Pershing s pursuit of Pancho Villa in Mexico as a correspondent for the Chicago Tribune However history making these forays may seem they were only the beginning In the last six years of his life Burns wrote three books that propelled New Mexico outlaw Billy the Kid Tombstone marshal Wyatt Earp and California bandit Joaquin Murrieta into the realm of legend [Chasing the Cure in New Mexico](#) Nancy Owen Lewis, 2016-05-01 This book tells the story of the thousands of health seekers who journeyed to New Mexico from 1880 to 1940 seeking a cure for tuberculosis TB the leading killer in the United States at the time By 1920 such health seekers represented an estimated 10 percent of New Mexico s population The influx of lungers as they were called many of whom remained in New Mexico would play a critical role in New Mexico s struggle for statehood and in its growth Nearly sixty sanatoriums were established around the state laying the groundwork for the state s current health care system Among New Mexico s prominent lungers were artists Will Shuster and Carlos Vierra who came to heal and stayed to paint Bronson Cutting brought to Santa Fe on a stretcher in 1910 became the influential publisher of the Santa Fe New Mexican and a powerful U S Senator Others included William R Lovelace and Edgar T Lassetter founders of the Lovelace Clinic as well as Senator Clinton P Anderson poet Alice Corbin Henderson architect John Gaw Meem aviator Katherine Stinson and Dorothy McKibben gatekeeper for the Manhattan Project New Mexico s most infamous outlaw Billy the Kid first arrived in New Mexico when his mother Catherine Antrim sought treatment in Silver City [Revolvers and Pistolas, Vaqueros and Caballeros](#) D. H. Figueredo, 2014-12-09 This riveting expos reveals how a distorted belief in Anglo superiority necessitated the rewriting of American western history replacing heroic images of Mexican and Spanish cowboys with negative stereotypes Early Anglo settlers in the Old West crafted negative images of Latinos in part to help justify the takeover of land occupied by Mexicans and Spaniards at the time Unfortunately these depictions were perpetuated throughout the 20th century in art popular culture and media eventually reshaping the narrative of the American West to the exclusion of the non Anglo people This book contrasts dominant lore with historical reality to provide a broad overview of the history and contributions of Latinos in the Old West Author D H Figueredo sets out to debunk the myths and falsehoods of the American West by chronicling the cultural perceptions that led to such historical inaccuracies Through spellbinding accounts chapters address such topics as the legends behind the caballeros Mexican culture in the Old West and the search for cities of gold in the Southwest Arranged chronologically and thematically the book examines how popular culture diminished the role of the Mexican vaqueros and illustrates how the image of the Anglo cowboy became the iconic symbol of the Old West

[Downwind](#) Sarah Alisabeth Fox, 2014-11-01 Downwind is an unflinching tale of the atomic West that reveals the intentional disregard for human and animal life through nuclear testing by the federal government and uranium extraction by

mining corporations during and after the Cold War Sarah Alisabeth Fox highlights the personal cost of nuclear testing and uranium extraction in the American West through extensive interviews with downwinders the Native American and non Native residents of the Great Basin region affected by nuclear environmental contamination and nuclear testing fallout These downwinders tell tales of communities ravaged by cancer epidemics farmers and ranchers economically ruined by massive crop and animal deaths and Native miners working in dangerous conditions without proper safety equipment so that the government could surreptitiously study the effects of radiation on humans In chilling detail Downwind brings to light the stories and concerns of these groups whose voices have been silenced and marginalized for decades in the name of patriotism and national security With the renewed boom in mining in the American West Fox s look at this hidden history unearthed from years of field interviews archival research and epidemiological studies is a must read for every American concerned about the fate of our western lands and communities

The United States Marshals of New Mexico and Arizona Territories, 1846-1912 Larry D. Ball,1982-02 The pathbreaking classic on law enforcement on the frontier of the American West **Resources in Education** ,1998 *The Publishers Weekly* ,1896 *Publishers Weekly* ,1920
