L'origine de l'Internationale communiste Jules Humbert-Droz, *De Krieg und Internationale.*, 1968 **L' origine de l' internationale communiste** Jules Humbert, 1968 L'origine de l'Internationale communiste Jules Humbert-Droz, 1968

Bibliography of the Communist International (1919-1979) Vilem Kahan, 2023-08-14 Until now the Communist movement has been studied more from the national perspective than the international This scholarly tradition seems to be at odds with the organisational interconnection even subjugation of the national communist parties sections to the Communist International or Comintern 1919 1943 but it is understandable from the point of view of the historian who has only national sources at his disposal newspapers brochures interviews Nowadays the tendency is for the international component of the Communist movement to participate in research The archives of the Comintern are gradually being released by the Soviet Union and an enormous number of official publications is emerging and being made available in libraries by reprints Here Vil m Kahan s bibliography is an indispensable tool in listing nearly all reference works and publications by and on the Comintern and in giving a list of aliases of speakers on Comintern meetings and an overview of all agendas of the meetings These lists are based on research in 14 specialised Western libraries and on the knowledge of a dozen European languages The second volume will deal with the front organisations a third and last volume with the national sections **The Russian Revolution and Civil War 1917-1921** Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state **When the Soviet Union Entered World Politics** Jon Jacobson, 2023-11-15 The dissolution of the Soviet Union has aroused much interest in the USSR s role in world politics during its 74 year history and in how the international relations of the twentieth century were shaped by the Soviet Union Jon Jacobson examines Soviet foreign relations during the period from the end of the Civil War to the beginning of the first Five Year Plan focusing on the problems confronting the Bolsheviks as they sought to promote national security and economic development He demonstrates the central importance of foreign relations to the political imagination of Soviet leaders both in their plans for industrialization and in the struggle for supremacy among Lenin s successors Jacobson adopts a post Cold War interpretative stance incorporating glasnost and perestroika era revelations He also considers Soviet relations with both Europe and Asia from a global perspective integrating the two modes of early Soviet

foreign relations revolution and diplomacy into a coherent discussion Most significantly he synthesizes the wealth of information that became available to scholars since the 1960s The result is a stimulating work of international history that interfaces with the sophisticated existing body of scholarship on early Soviet history The dissolution of the Soviet Union has aroused much interest in the USSR's role in world politics during its 74 year history and in how the international relations of the twentieth century were shaped by the Soviet Union Jon Jacobson examines Soviet for **Jules Humbert-Droz.**

L'Origine de l'Internationale communiste Jules Humbert-Droz, 1968 **Alphonse Merrheim** N. Papayanis, 2012-12-06 This is a political biography of Alphonse Merrheim a significant leader of the Confédération Générale du Travail CGT in the years between 1904 and 1923 and the most important member of the Federation of Metalworkers during the same period He was born in the Nord in 1871 and became a worker at an early age first in metallurgy then in textiles and finally once more in metalworking In his ideological evolution he passed through a socialist political party and then converted to revolutionary syndicalism In his peculiar fusion of theory and practice Merrheim represented a form of revolutionary syndicalism that helps define the characteristics of that movement He believed along with other revolutionary syndicalists that one day a workers general strike would overthrow capitalism But the syndicalist movement would prepare that eventuality by strengthening the workers through social reforms and by creating their class consciousness through education Merrheim however participated so thoroughly in trade union activity and studied the organization of capitalist industry so carefully that he came to emphasize the preparations for such a general strike much more than the strike itself The test of his attitude came on the eve of during and immediately after World War I for contrary to the demands of certain militant and revolutionary workers who believed that the threat of war and the displacement caused by the war demanded a revolutionary response Merrheim persistently stressed the dangers of such an action before the adequate preparation of the workers His steadfast refusal to respond to the strike actions of some of his own metalworkers in 1919 indicates the central contradiction between his revolutionary theory and reformist practice This book examines in detail Merrheim's evolution from a revolutionary to a reformer In so doing it also sheds light on an equally substantial topic namely how a certain type of worker responded to industrialization in the late nineteenth and early twentieth centuries Merrheim is an interesting figure too because of his position in the labor movement for it represents a unique focal point for the study of labor history Merrheim entered the French labor movement in the 1890s and remained active in it until 1923 During that period he was successively a local union leader co secretary of a national labor federation and an important figure within the CGT Never the secretary general of the CGT he was nevertheless the confident of the secretary general from 1909 to 1916 in Jouhaux **Reconsidering Peace and Patriotism during the First World War** Justin Quinn Olmstead, 2017-08-05 This volume provides a unique view of the movement for peace during the First World War with authors from across Europe and the United States each providing a distinctive cultural analysis of peace movements during the Great War As Europe began its descent into the madness that became the

First World War people in every nation worked to maintain peace Once the armies began to march across borders activists and politicians alike worked to bring an end to the hostilities This volume explores what peace meant to the different people societies nationalities and governments involved in the First World War It offers a wide variety of observations including Italian socialists and their fight for peace women in Britain pushing for peace and French soldiers refusing to fight in an effort to bring about peace Internationalism in the Labour Movement 1830-1940 Holthoon, Marcel van der

Linden, 2025-02-10 **War on War** R. Craig Nation, 1989-10-12 The outbreak of World War I precipitated a schism in the international socialist movement that endures today Heeding calls for rational defense the leading European socialist democratic parties abandoned their vision of peace and internationalism as an integral part of the struggle for social justice and set aside their view of interstate war as the clearest example of the irrational essence of competitive capitalism Only the Zimmerwald Left led by Lenin continued to speak out for internationalism R Craig Nation utilizes sources in Dutch French German Italian Russian and Swedish to provide the first comprehensive history of the Zimmerwald Left as an international political tendency **Faces of Nationalism** Tom Nairn, 1997 In *The Modern Janus* Nairn argued for the democratic necessity of nationalism in the modern world In this work he addresses the subsequent upheavals caused by nationalism

The Lights that Failed Zara S. Steiner, Zara Steiner, 2007 In *The Lights that Failed* Steiner challenges the assumption that the Treaty of Versailles led to the opening of a second European war and provides an analysis of the attempts to reconstruct Europe during the 1920s OCLC **Le parti social-démocrate et la politique étrangère de la Suède (1914-1918)**

Jean-Pierre Mousson-Lestang, 1988 La Suède contemporaine n'a inspiré que très peu de travaux en France L'histoire des belligrances et des neutralités de 1914-1918 est aujourd'hui très largement critiquée et nous permet de mieux comprendre la genèse et la poursuite de la grande guerre européenne Mais la Suède que de raisons pourtant pour une participation au conflit un contentieux plus que s'culaire avec la Russie une solidarité croissante depuis 1871 avec l'Allemagne impériale de nombreux niveaux de la Société et de l'état un renouveau manifeste des sentiments nationalistes L'histoire de la non intervention suédoise conduit à interroger sur l'influence que les grands partis politiques et plus particulièrement le parti social-démocrate ont exercé sur la politique étrangère du pays Cette étude s'efforce ainsi de comprendre comment les sociaux-démocrates ont contribué à préserver la Suède non seulement de la guerre étrangère mais aussi des révolutions que cette dernière suscita et qui bouleversèrent la Russie et l'Allemagne Ce sont en grande partie les choix de politique étrangère qui permirent la montée fulgurante d'un parti social-démocrate qui l'image de son président Hjalmar Branting sut rassurer par son réalisme et son patriotisme C'est alors avec l'arrivée de nouvelles équipes dirigeantes et l'émergence d'une nouvelle société politique qu'est née la Suède moderne

Stalin Ronald Grigor Suny, 2022-03-29 This biography of the young Stalin is more than the story of how a revolutionary was made it is the first serious investigation using the full range of Russian and Georgian archives to explain Stalin's evolution from a romantic and idealistic youth into a hardened political operative Suny takes seriously the first half of

Stalin's life, his intellectual development, his views on the issue of nationalities and nationalism, and his role in the Social Democratic debates of the late nineteenth and early twentieth centuries. This book narrates an almost tragic downfall we see Stalin transform from a poor provincial seminarian who wrote romantic nationalist poetry into a fearsome and brutal ruler. Many biographers of Stalin turn to shallow psychological analysis in seeking to explain his embrace of revolution, focusing on the beatings he suffered at the hands of his father or his hero worship of Lenin's or sensationalizing Stalin's involvement in violent activity. Suny seeks to show Stalin in the complex context of the oppressive tsarist police state in which he lived and debates and party politics that animated the revolutionary circles in which he moved. Though working from fragmentary evidence from disparate sources, Suny is able to place Stalin in his intellectual and political context and reveal not only a different analysis of the man's psychological and intellectual transformation but a revisionist history of the revolutionary movements themselves before 1917. International Review of Social History, 1969. *Christian Rakovski (1873-1941)* Francis Conte, 1989. The definitive biography of the Bulgarian-born communist revolutionary and later diplomat whose opposition to Stalin led to his downfall and eventual conviction during the purges of the 1930s. Catalog of Foreign Books & Microfilms in the Possession of the Library of the Faculty of Economics, the University of Tokyo Tōkyō Daigaku. Keizai Gakubu, 1962. The Russian Revolution, 1917-1945 Anthony D'Agostino, 2010-12-16. This book offers a fresh analysis of the Russian Revolution from a global perspective. It stresses the historical role of Soviet Communism in the modernization of the country, the defeat of Nazism, and the rise of American power and world leadership. For students and scholars of the Russian Revolution, there are pivotal questions that merit careful comprehensive consideration: why did the Tsarist regime unravel in revolution? Why did the Bolsheviks come to power rather than some other party? How did Stalin, rather than a more popular and respected leader, win the mantle of Lenin and gain leadership of the ruling party? How should Stalin's regime be judged by subsequent generations of Russians and in the context of world history? In *Russian Revolution 1917-1945*, author Anthony D'Agostino discusses all these questions. His suggestions for further reading range over decades of writing on Soviet subjects and cite classics, revisionist works, curiosities, and studies done during and since the Gorbachev years. The book explores topics including the modernization of the Tsarist Russian state, World War I, the revolutionary project of Soviet Communism, the nationalist transformation of Soviet Communism under international pressures, the Big Drive to modernize Russia by force, and the external threat of fascism. **International Communism and the Communist International, 1919-43** Tim Rees, Andrew Thorpe, 1998. The Communist International was formed in Moscow in 1919 as a factory of world revolution but was dissolved in 1943 without having led a single successful working-class uprising. This book offers a reappraisal of the body

Lorigine De Linternationale Communiste De Zimmerwald Amoscou Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the ability of words has be more evident than ever. They have the capacity to inspire, provoke, and ignite change. Lorigine De Linternationale Communiste De Zimmerwald Amoscou Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Lorigine De Linternationale Communiste De Zimmerwald Amoscou free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Lorigine De Linternationale Communiste De Zimmerwald Amoscou free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While

downloading Lorigine De Linternationale Communiste De Zimmerwald Amoscou free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Lorigine De Linternationale Communiste De Zimmerwald Amoscou. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Lorigine De Linternationale Communiste De Zimmerwald Amoscou any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Lorigine De Linternationale Communiste De Zimmerwald Amoscou Books
