Loss Of Faith:

The Mid-Victorian Literature and Loss of Faith Krishan Lal Kalla,1989 *The Life of Irony and the Ethics of Belief* David Wisdo,1993-01-01 Wisdo concludes that the fragility of religious belief is due to the unavoidable irony intrinsic to the religious life *Living Faith* Susan Crawford Sullivan,2012-03-15 Scholars have made urban mothers living in poverty a focus of their research for decades These women s lives can be difficult as they go about searching for housing and decent jobs and struggling to care for their children while surviving on welfare or working at low wage service jobs and sometimes facing physical or mental health problems But until now little attention has been paid to an important force in these women s lives religion Based on in depth interviews with women and pastors Susan Crawford Sullivan presents poor mothers often overlooked views Recruited from a variety of social service programs most of the women do not attend religious services due to logistical challenges or because they feel stigmatized and unwanted at church Yet she discovers religious faith often plays a strong role in their lives as they contend with and try to make sense of the challenges they face Supportive religious congregations prove important for women who are involved she finds but understanding everyday religion entails exploring beyond formal religious organizations Offering a sophisticated analysis of how faith both motivates and at times constrains poor mothers actions *Living Faith* reveals the ways it serves as a lens through which many view and interpret their worlds

Faith Lost: Faith Regained James Atkinson,2019-05-21 A holistic positive answer to modernist and post modernist challenges to Christian faith Recent trends in theology have adapted to what has been assumed to be universally valid scientific thinking thereby contributing to the erosion of traditional protestant belief Pointing to parable as a tool of understanding and appealing to aesthetic appreciation as an analogy the author makes an impassioned call for a return to an assured biblical faith The answer lies in a fuller epistemology and a profounder ontology to explain the universe and man s place in it **Nietzsche, Religion, and Mood** Sampsa Andrei Saarinen,2019-05-20 How does Nietzsche as psychologist envision the future of religion and atheism While there has been no lack of psychological studies that have sought to illuminate Nietzsche s philosophy of religion by interpreting his biography this monograph is the first comprehensive study to approach the topic through the philosopher s own psychological thinking The author shows how Nietzsche s critical writings on religion and especially on religious decline and future possibilities are informed by his psychological thinking about moods The author furthermore argues that the clarification of this aspect of the philosopher s work is essential to interpreting some of the most ambiguous words found in his writings the words that God is dead Instead of merely denying the existence of God in a way that leaves a melancholic need for religion or a futile search for replacements intact Nietzsche arguably envisions the possibility of a radical atheism which is characterized by a mood of joyful doubt The examination of this vision should be of great interest to scholars of Nietzsche and of the history of philosophy but also of relevance to all those who take an interest in the interdisciplinary discourse on secularization *Nurturing Faith* Fred P. Edie,Mark A. Lamport,2021-09-07

Repair My House Michael H. Crosby, 2012 Repair my house From a crucifix in a ruined chapel St Francis heard this instruction which set him on a mission of evangelical renewal In the light of unprecedented crisis afflicting the Catholic church Michael Crosby calls us all to undertake a wholesale project of repair and renewal The crisis is visible in the sex abuse scandal and the questions it has raised about internal structures of authority and clerical culture Meanwhile a spate of new atheists has challenged traditional worldviews The percentage of those identifying themselves as former Catholics grows at an alarming rate In response Fr Crosby sees a challenge to return to the core evangelical message of Jesus Christ This message is supported not contradicted by discoveries in science and cosmology He envisions a new way of being Catholic and a set of practices that

draws on the contemplative compassionate and life giving spirit of the Kingdom that God's will may be realized on earth as it is in heaven Rediscovering Faith Myles Munroe, 2009-08-28 What is true faith In The Power of Kingdom Faith Dr Myles Munroe strips away the common errors and misconceptions surrounding faith to reveal the nature character and power of true faith or Kingdom faith Kingdom faith trusts not in the promises of God but in the God who promises seeks not the blessings of God but the God who blesses Kingdom faith will always be tested but because it places its trust in the King of the universe will always prevail under testing Kingdom faith therefore is a triumphant faith that will overcome the world
