level of mutual noncompliance between officials and rural families Through in depth interviews with rural parents and local leaders they reveal that many had strong incentives not to comply with the birth control policy because larger families meant increased labor and income In this sober exploration of China s Single Child Policy throughout the reform period the authors more broadly show how governance by grassroots cadres with greater local autonomy has affected China in the past and the challenges for resolving center versus locality contradictions in governance that lie ahead **Route 66, Lost & Found**

Paintbrush Dave Currick was everything Matty Brennan wanted for as long as she could remember. Right up until he broke her heart six years ago. Now that she's returned to Wyoming for good, what she wants more than anything is to save her family's ranch. Even if that means swallowing her pride and asking Dave to marry her. Matty's up to something. Dave knows that much. Just as he knows that Matty needs help, so of course he'll provide it just as he has all her life. Doing what's best for Matty is second nature and part of the cowboy code. Even when it comes to marrying her in name only. Although he can't resist one hot-blooded kiss after the I dos of their marriage of convenience wedding. Maybe just maybe his Matty will become more to him than Almost a Bride. Wildflowers have to be strong and resilient to bloom amid the rugged western beauty of Wyoming, and so do the women. But his response to one member of the family is far more than he ever expected. The sparks between him and Cambria are real, and so is the danger to his hopes for their future if she finds out why he's really in Wyoming. BARDVILLE WYOMING A Stranger in the Family A Stranger to Love The Rancher Meets His Match LOST AND FOUND GROOM A Place Called Home Series Can they have a second chance at love when they never had a first chance? While following a story in distant Santa Estella, hardheaded journalist Kendra Jenner finds herself in the middle of a vicious hurricane and unexpectedly in the arms of a stranger who speaks virtually no English. Fear leads to passion, leads to their making a baby, a baby which Kendra fully expects to raise on her own since her search for Matthew's father, who she only knows as Paulo Ayudor, is a fruitless one. Then three years later, her Paulo shows up out of the blue at her home in Wyoming, speaking the perfect English of an American and identifying himself as Daniel Delligati. He announces he's come for his son and for her. From an Amazon review by Karen Templeton: Can they lift the curse that has haunted the Wyoming ranch they love?
