Prentzas, 2014-08-01 On a windy morning in April 2005 two friends set out to go fishing near Charleston South Carolina The teenagers paddled their small 15 foot 5 6 m boat into the choppy Atlantic Ocean They planned to stay close to shore and fish Suddenly their boat became caught in a powerful rip current It began to sweep the small vessel away from shore The frightened teenagers tried paddling back to land with all their might but the current was too strong It pushed their boat farther and farther into deeper water Would the teenagers survive being lost at sea **Lost at Sea** is a heart stopping collection of true stories about what it s like to be lost and forced to survive at sea Captivating first person accounts of survivors include a sailor who was shipwrecked in the middle of the ocean for 75 days and a surfer who accidentally fell off a boat into the ocean in the middle of the night The book also includes general information about the world s oceans and the incredible creatures that inhabit them Large color photos maps and fact boxes enrich the exciting survival tales Written in narrative format this book is sure to keep readers on the edge of their seats Lost At Sea Wingston Mathews, 2019-08-25 This is a true life story I got lost over the sea at 3 00 am flying a helicopter in a pitch dark night without the moon and sky full of clouds and rain I came back to land on my ship after four long hours of hunting for an enemy country s submarine But my ship was not to be found anywhere It was a doomed mission in which I faced a series of life threatening events I got disoriented and almost crashed Then I had a fire inside my helicopter Finally I was lost at sea and I ended up planning to crash land my helicopter into the sea more than 700 km away from land without any hope of any rescue team finding me alive because the sea in the area I was flying was infested with sharks The rough sea would topple and sink my helicopter the moment I touch down on the water And probably I was destined to go down into the depths of the ocean along with my sinking helicopter Fighting to Survive Being Lost at Sea Eric Mark Braun, Elizabeth Raum, 2019-08 SOS What would you do if you were stranded in the middle of the ocean with no way to get home How long could you survive Find out what actual survivors did in these true tales of being lost at sea Lost at Sea Joe Kloc, 2025-04-15 A deeply personal nine year account of the lives of the anchor outs an unhoused community living off the California coast on abandoned boats that explores the struggles and resilience of those surviving on the fringes of society In the wake of the financial crisis the number of anchor outs living in Richardson Bay more than doubles as their long simmering feud with the wealthy residents of Marin County one of the richest counties in the country finally boils over Many of the shoreline s well heeled yacht club members and mansion owners blame their unhoused neighbors for rising crime on the waterfront Meanwhile local politicians accuse them of destroying the Bay Area s marine ecosystem and demand their eviction When the pandemic breaks out a slew of city and regional authorities heed the call they

seize and crush the anchor outs boats arresting dissenters as they dismantle one of the nation s oldest unhoused communities Kloc s near decade long firsthand account of the joys hardships and eventual demise of the anchor outs is in many ways the story of being poor in America Examining the profit driven policies that exacerbate the contemporary housing crisis *Lost at Sea* weaves together tales of comradery and survival on the anchorage with the rich history of the region from the creation of unspeakable wealth during the San Francisco Gold Rush era to the aftermath of the devastating earthquake and fire of 1906 when the first unhoused people dropped their anchors in Marin County Along the way Kloc discovers the quiet beauty of the world the anchor outs built how they ve learned to care for each other band together to fend off real estate developers and NIMBY neighbors and fight for a way of life that is entirely unrecognizable to those on shore *Lost at Sea* explores the often overlooked world of poverty and homelessness that exists in even the wealthiest enclaves of America where people who have fallen on hard times struggle to rebuild their lives among those who would rather just wish them away
