need to find friends be liked and find somebody anybody to confide in THE BOY IN THE BOOK is Nathan s poignant recreation of the discovery of the fragments of Terence Prendergast s diary his quest to find the lost boy and the friendship that resulted from their first meeting In doing so Nathan is forced to examine his own childhood and as his relationship with Terence deepens he begins to believe that the two men are not so different and to reflect on the darkness that can exist in childhood **But These Are Written . . .** Craig S. Keener,Jeremy S. Crenshaw,Jordan Daniel May,2014-01-24 Johannine Literature offers some of the most beautiful majestic and profound theology contained within the entire biblical text Within its works can be found the highest Christology the capstone of eschatology and the heartbreaking struggles of a community committed to Christ However it does not always get the attention it deserves in New Testament studies This book seeks to remedy that by drawing together some of the most respected biblical scholars to bring their expertise to bear on various aspects of Johannine studies that are contained within the Gospel Epistles and the Apocalypse These contributions have been collected as a Festschrift in honor and celebration of the career of Benny C Aker a preeminent scholar teacher and mentor

The Lost Jewels of Nafouti R. A. Montgomery,2005-09-01 Student Book Risk in Children's Adventure Literature Elly McCausland,2024-05-31 Risk in Children s Adventure Literature examines the way in which adults discuss the reading and entertainment habits of children and with it the assumption that adventure is a timeless and stable constant whose meaning and value is self evident A closer enquiry into British and American adventure texts for children over the past 150 years reveals a host of complexities occluded by the term and the ways in which adults invoke adventure as a means of attempting to get to grips with the nebulous figure of the child Writing about adventure also necessitates writing about risk and this book argues that adults have historically used adventure to conceptualise the relationship between children and risk the risks children themselves pose to society the risks that threaten their development and how they can be trained to manage risk in socially normative and desirable ways Tracing this tendency back to its development and consolidation in Victorian imperial romance and forward through various adventure texts and media to the present day this book probes and investigates the truisms and assumptions that underlie our generalisations about children s love for adventure and how they have evolved since the mid nineteenth century **Do Travel Writers Go to Hell?** Thomas Kohnstamm,2008-04-22 For those who think that travel guidebooks are the gospel truth WANTED Travel Writer for Brazil QUALIFICATIONS REQUIRED Decisiveness the ability to desert your entire previous life including well salaried office job attractive girlfriend and basic sanity for less than minimum wage Attention to detail the skill to research northeastern Brazil including transportation restaurants hotels culture customs and language while juggling sleep deprivation nonstop nightlife and excessive alcohol consumption Creativity the imagination to write about places you never actually visit Resourcefulness utilizing persuasion seduction and threats when necessary to secure a place to stay for the evening once your pitiable advance has been mis spent Resilience determination to overcome setbacks such as bankruptcy disillusionment and an ill fated one night stand with

an Austrian flight attendant As Kohnstamm comes to personal terms with each of these job requirements he unveils the underside of the travel industry and its often harrowing effect on writers travelers and the destinations themselves Moreover he invites us into his world of compromising and scandalous situations in one of the most exciting countries as he races against an impossible deadline *Lost on the Amazon* R. A. Montgomery,2006-05 The reader decides the course of the action in six stories

The Secret Treasure of Tibet Richard Brightfield,1984 You re a private investigator searching for the lost valley of Siling La where monks have learned the strange art of levitation You get a tip that a man named von Kamp has valuable information for you but just as you start talking with him someone tries to kill him **The Lost Tribe** Louise Munro Foley,1983 Novel for children set in New Zealand You have come to New Zealand with a team of archeologists to search for the Lost Tribe of Fiordland a M ori tribe no one has seen for 200 years You are deep in the wilderness when suddenly you re caught in a hunting snare A M ori hunter is towering over you He sets you free then commands you to follow him Will he lead you to the lost tribe What happens next in the story It all depends on the choices you make Back cover

The Mystery of Ura Senke Shannon Gilligan,1985 You the reader are searching for a priceless tea bowl but you are kidnapped by a vicious Japanese gang You decide how the story will go **The Whole Story** John E.
