Trump](#) Dan P. McAdams, 2020-02-17 *The Strange Case of Donald J Trump* provides a coherent and nuanced psychological portrait of Donald Trump drawing upon biographical events in the subject s life and contemporary scientific research and theory in personality developmental and social psychology Dan P McAdams renowned psychologist who pioneered the study of lives

examines the central personality traits personal values and motives and the interpersonal and cultural factors that together have shaped Trump's psychological makeup with an emphasis on the strangeness of the case that is how Trump again and again defies psychological expectations regarding what it means to be a human being The book's central thesis is that Donald Trump is the episodic man The chapters structured as stand alone essays each riffing on a single psychological theme build on each other to present a portrait of a person who compulsively lives in the moment without an internal story to integrate his life in time With an emphasis on scientific personality research rather than political rhetoric McAdams shows that Trump's utter lack of an inner life story is truly exceptional This book is a remarkable case study which should be of as much interest to psychologists as it is to readers trying to reckon with the often confounding behavior and temperament of the 45th President of the United States

Never Enough Michael D'Antonio, 2015-09-22 In the summer of 2015 as he vaulted to the lead among the many GOP candidates for president Donald Trump was the only one dogged by questions about his true intentions This most famous American businessman had played the role of provocateur so often that pundits reporters and voters struggled to believe that he was a serious contender Trump stirred so much controversy that his candidacy puzzled anyone who applied ordinary political logic to the race But as Michael D'Antonio shows in *Never Enough* Trump has rarely been ordinary in his pursuit of success and his trademark method is based on a logic that begins with his firm belief that he is a singular and superior human being As revealed in this landmark biography Donald Trump is a man whose appetite for wealth attention power and conquest is practically insatiable Declaring that he is still the person he was as a rascally little boy Trump confesses that he avoids reflecting on himself because I might not like what I see and he believes most people aren't worthy of respect A product of the media age and the Me Generation that emerged in the 1970s Trump was a Broadway showman before he became a developer Mentored by the scoundrel attorney Roy Cohn Trump was a regular on the New York club scene and won press attention as a dashing young mogul before he had built his first major project He leveraged his father's enormous fortune and political connections to get his business off the ground and soon developed a larger than life persona In time and through many setbacks he made himself into a living symbol of extravagance and achievement Drawing upon extensive and exclusive interviews with Trump and many of his family members including all his adult children D'Antonio presents the full story of a truly American icon from his beginnings as a businessman to his stormy romantic life and his pursuit of power in its many forms For all those who wonder Just who is Donald Trump *Never Enough* supplies the answer He is a promoter builder performer and politician who pursues success with a drive that borders on obsession and yet has given him almost everything he ever wanted

Tower of Lies Barbara A. Res, 2020-10-20 Barbara A. Res worked directly with Donald Trump for eighteen years on some of his biggest projects and had nearly unlimited access to him Trump selected Res to be in charge of construction of Trump Tower his greatest success as a developer In this insider's look at how the ambitious real estate developer became the most divisive president in recent U.S. history Res takes us into

closed door meetings boardrooms limo rides and helicopter flights to really understand what makes him tick and show us why his claim to be a great dealmaker and savvy businessman is just a mirage No one with this kind of access to Trump during his formative years as a developer has ever written so completely about who he is away from the cameras It s no wonder that when the media are looking for someone who really understands Trump they turn to Res Candid personal and deeply perceptive Res shines new light on the man whose depravity has put us all and democracy itself in danger Includes a 16 page photo insert featuring images from the author s personal collection **Mar-a-Lago** Laurence Leamer,2024-03-26 Where Trump Learned to Rule To know Donald J Trump it is best to start in his natural habitat Palm Beach Florida It is here he learned the techniques that took him all the way to the White House Painstakingly over decades he has created a world in this exclusive tropical enclave and favorite haunt of billionaires where he is not just president but a king The vehicle for his triumph is Mar A Lago one of the greatest mansions ever built in the United States The inside story of how he became King of Palm Beach and how Palm Beach continues to be his spiritual home even as president is rollicking troubling and told with unrivaled access and understanding by Laurence Leamer In Mar A Lago the reader will learn How Donald Trump bought a property now valued by some at as much as 500 000 000 for less than three thousand dollars of his own money Why Trump was blackballed by the WASP grandees of the island and how he got his revenge How Trump joined forces with the National Enquirer which was headquartered nearby and engineered his own divorce How by turning Mar A Lago into a private club Trump was the unlikely man to integrate Palm Beach s restricted country club scene and what his real motives were What transpires behind the gates of today s Mar A Lago during the season when President Trump and assorted D C power players fly down each weekend In addition to copious interviews and reporting from inside Mar A Lago Laurence Leamer brings an acute and unparalleled understanding of the society of Palm Beach where he has lived for twenty five years He has written an essential book for understanding Donald Trump s inner character **Comply with Me** Lisa Morgan,2020-01-27 Have you been hypnotised without you knowing If you think you haven t this might change your mind Comply with Me reveals hypnosis tools that Donald Trump has used to make people support him and give him the edge He is not the only professional persuader using these tricks either We can all go into a light trance when we watch TV or drive Once our guard is down other people s suggestions can be accepted by our unconscious minds We cannot ignore hypnosis any longer Used to influence us it can distort reality befuddle and deceive Used well hypnosis is a positive force helping people to improve their lives Learn techniques for yourself Find out how to spot when anyone tries to manipulate you with them You can use hypnosis tools too at the least to make sure your beliefs are your own Lisa Morgan is Chair of the UK Guild of Hypnosis Practitioners After teaching and writing about hypnosis for 25 years she spotted what Trump was doing early in his presidency and felt compelled to expose it Modern Organizations and Emerging Conundrums Richard Alan Goodman,1999-01-01 The contributors to this book review the postindustrial subculture emphasizing cross disciplinary and cross contextual inquiry a

central idiom of postindustrial organizational life The essays consider alternative methods of understanding media that add variety to meanings within and without organizations This multi method approach in the search for meaning and the limits of word and symbols to express meaning generates a personally interpretive basis to science

Corruption and Illiberal Politics in the Trump Era Donna M. Goldstein,Kristen Drybread,2022-09-23 This book explores the nexus of corruption late capitalism and illiberal politics in the Trump era Through deep contextualized analysis and careful critique it offers valuable perspectives on how corruption is defined and understood in the current historical moment The book asks Is today s corruption something new or is it a continuation of prior patterns of illiberalism Chapters in this collection consider how corruption is practiced mobilized or invoked in a range of cases each of which is embedded within larger concerns about what citizenship social belonging honesty and justice mean in the United States today The authors examine a constellation of unscrupulous actors and questionable actions with topics ranging from sex scandals and shady real estate deals to the Trump administration s response to the COVID 19 pandemic Several essays directly address the increasingly violent rhetoric and the deliberately anti democratic policies that have flourished during the Trump era The book draws on anthropological insights and comparative analysis to place the policies and practices of Trump and his supporters in a wider global context Corruption and Illiberal Politics in the Trump Era will be of great interest to readers from anthropology sociology political science discourse studies media studies linguistics and American studies

Football for a Buck Jeff Pearlman,2018 From a multiple New York Times bestselling author the rollicking outrageous you can t make this up story of the USFL The United States Football League known fondly to millions of sports fans as the USFL was the last football league to not merely challenge the NFL but cause its owners and executives to collectively shudder It spanned three seasons 1983 85 It secured multiple television deals It drew millions of fans and launched the careers of legends But then it died beneath the weight of a particularly egotistical and bombastic owner a New York businessman named Donald J Trump The league featured as many as 18 teams and included such superstars as Steve Young Jim Kelly Herschel Walker Reggie White Doug Flutie and Mike Rozier In Football for a Buck the dogged reporter and biographer Jeff Pearlman draws on more than four hundred interviews to unearth all the salty untold stories of one of the craziest sports entities to have ever captivated America From 1980s drug excess to airplane brawls and player coach punch outs to backroom business deals to some of the most enthralling and revolutionary football ever seen Pearlman transports readers back in time to this crazy boozy audacious unforgettable era of the game He shows how fortunes were made and lost on the backs of professional athletes and also how thirty years ago Trump was a scoundrel and a spoiler For fans of Terry Pluto s Loose Balls or Jim Bouton s Ball Four and of course Pearlman s own stranger than fiction narratives Football for a Buck is sports as high entertainment and a cautionary tale of the dangers of ego and excess

The Real Psychology of the Trump Presidency Stanley Renshon,2020-09-14 The United States has never had a president quite like Donald J Trump He violated every rule of conventional presidential campaigns to win a race

that almost no one including at times he himself thought he would win In so doing Trump set off cataclysmic shock waves across the country and world that have not subsided and are unlikely to as long as he remains in office Critics of Trump abound as do anonymously sourced speculations about his motives yet the real man behind this unprecedented presidency remains largely unknown In this innovative analysis American presidency scholar and trained psychoanalyst Stanley Renshon reaches beyond partisan narrative to offer a serious and substantive examination of Trump's real psychology and controversial presidency He analyzes Trump as a preemptive president trying to become transformative by initiating a Politics of American Restoration Rigorously grounded in both political science and psychology scholarship **The Psychology of the Trump Presidency** offers a unique and thoughtful perspective on our controversial 45th president **The Truth About Trump** Michael D'Antonio, 2016-04-12 Who is the man shaking up the GOP What does he really stand for How far will he go in his pursuit of power This is THE TRUTH ABOUT TRUMP He is one of the world's most successful businessmen and a man who many Americans love to hate So how did Donald Trump become a serious contender in the race for the country's highest office His critics think his run for president is a marketing campaign for the Trump brand His supporters believe that he can make America great again The only thing both sides can agree on is that Trump is a man whose appetite for wealth attention power and conquest is insatiable In this up close and personal biography author Michael D'Antonio draws upon extensive and exclusive interviews with Trump himself to present the full story behind this American icon from his early life to the headlines of today Carefully reported and fair minded USA Today A brisk and entertaining read The Washington Post Previously published in hardcover as *Never Enough* *Baddest Man* Mark Kriegel, 2025-06-03 From the acclaimed New York Times bestselling author whose coverage of Mike Tyson and his inner circle dates back to the 1980s a magnificent noir epic about fame race greed criminality trauma and the creation of the most feared and mesmerizing fighter in boxing history On an evening that defined the greed is good 1980s Donald Trump hosted a raft of celebrities and high rollers in a carnival town on the Jersey Shore to bask in the glow created by a twenty one year old heavyweight champion Mike Tyson knocked out Michael Spinks that night and in ninety one frenzied seconds earned more than the annual payrolls of the Los Angeles Lakers and Boston Celtics players combined It had been just eight years since Tyson a feral child from a dystopian Brooklyn neighborhood was delivered to boxing's forgotten wizard Cus D'Amato who was living a self imposed exile in upstate New York Together Cus and the Kid were an irresistible story of mutual redemption darlings to the novelists screenwriters and newspapermen long charmed by D'Amato and perfect for the nascent industry of cable television Way before anyone heard of Tony Soprano Mike Tyson was HBO's leading man It was the greatest sales job in the sport's history and the most lucrative But the business of Tyson concealed truths that were darker and more nuanced than the script would allow The intervening decades have seen Tyson villainized lionized and fetishized but never until now fully humanized Mark Kriegel an acclaimed biographer regarded as the finest boxing writer in America was a young cityside

reporter at the New York Daily News when he was first swept up in the Tyson media hurricane but here he measures his subject not by whom he knocked out but by what he survived Though Tyson was billed as a modern day Jack Dempsey in truth he was closer to Sonny Liston Tyson was Black feared and born to die young What made Liston a pariah though would make Tyson in a way his own handlers could never understand a touchstone for a generation raised on a soundtrack of hip hop and gunfire What Peter Guralnick did for Elvis in *Last Train to Memphis* and James Kaplan for Sinatra in *Frank Kriegel* does for Tyson It's not just the dizzying ascent that he captures but also Tyson's place in the American psyche *Unhinged* Omarosa Manigault Newman, 2018-08-14 In the 1 New York Times bestseller the former Assistant to the President and Director of Communications for the Office of Public Liaison in the Trump White House provides an eye opening and explosive The Boston Globe look into the corruption and controversy of the current administration Few were a member of Donald Trump's inner orbit longer than Omarosa Manigault Newman Their relationship spanned fifteen years through four television shows a presidential campaign and a year by his side in the most chaotic outrageous White House in history But that relationship came to a decisive and definitive end and Omarosa finally shares her side of the story in this deftly executed The Guardian jaw dropping account A stunning tell all and takedown from a strong intelligent woman who took every name and number *Unhinged* is a must read for any concerned citizen **Greed and Glory** Sean Deveney, 2018-05-15 On October 28 1986 just one day after winning one of the most thrilling World Series in history the New York Mets were feted by more than two million fans with a parade through the city In news accounts of the event there was a small aside as this one in the New York Times Notable in his absence was the pitcher Dwight Gooden who Mets officials later said had overslept No the Mets twenty one year old phenom had not slept too late He had not slept at all in fact For Gooden his postgame champagne celebration kicked off a cocaine binge that took him to a club in Long Island and wound up with him wired watching his teammates roll through the streets as he sat with strangers in a public housing project Such were the 1980s in New York City a gilded era buttressed by fast money from a real estate boom and the explosion of Wall Street wealth The Mets and Giants bolstered by lightning rod personalities like Gooden and Lawrence Taylor brought the city sporting glory while its celebrity wealthy added a tabloid friendly touch of intrigue and national envy Iconoclastic real estate developer Donald Trump gained national celebrity for his deal making skill and the flaunting of his outsize ego Even mayor Ed Koch had gained coast to coast fame and mention as a potential future president Beneath the opulence was a tenuous foundation one that collapsed spectacularly over the last half of the decade Away from the cameras focused on the city's nouvelle riches New York was beset by crisis after crisis homelessness AIDS crack cocaine organized crime The swell of outrage over the unwillingness of the city elite to address those problems took years to finally reach a tipping point Through interviews and detailed research *Greed and Glory* gives the narrative of New York during these times tracing the arc of its sports heroes and celebrities of that era from their memorable highs to their ultimate lows **The Plaza** Julie Satow, 2019-06-04 Journalist Julie Satow's thrilling

unforgettable history of how one illustrious hotel has defined our understanding of money and glamour from the Gilded Age to the Go Go Eighties to today's Billionaire Row. From the moment in 1907 when New York millionaire Alfred Gwynne Vanderbilt strode through the Plaza Hotel's revolving doors to become its first guest to the afternoon in 2007 when a mysterious Russian oligarch paid a record price for the hotel's largest penthouse, the eighteen-story white marble edifice at the corner of Fifth Avenue and 59th Street has radiated wealth and luxury. For some, the hotel evokes images of F. Scott Fitzgerald frolicking in the Pulitzer Fountain or Eloise, the impish young guest who pours water down the mail chute. But the true stories captured in *THE PLAZA* also include dark hidden secrets: the cold-blooded murder perpetrated by the construction workers in charge of building the hotel; how Donald J. Trump came to be the only owner to ever bankrupt the Plaza; and the tale of the disgraced Indian tycoon who ran the hotel from a maximum security prison cell 7,000 miles away in Delhi. In this definitive history, award-winning journalist Julie Satow not only pulls back the curtain on Truman Capote's *Black and White Ball* and The Beatles' first stateside visit, she also follows the money trail. *THE PLAZA* reveals how a handful of rich dowager widows were the financial lifeline that saved the hotel during the Great Depression and how today foreign money and anonymous shell companies have transformed iconic guest rooms into condominiums that shield ill-gotten gains, hollowing out parts of the hotel as well as the city around it. *THE PLAZA* is the account of one vaunted New York City address that has become synonymous with wealth and scandal, opportunity and tragedy. With glamour on the surface and strife behind the scenes, it is the story of how one hotel became a mirror reflecting New York's place at the center of the country's cultural narrative for over a century.

Wise Millennial Happy Wellness, Peter Noble Darrow, 2019-04-29 GOLD AWARD WINNER Nonfiction Author's Association. *Wise Millennial* is enrapturing, edifying, and transporting. Reader's Favorite: An engaging and articulate self-help book. *Wise Millennial* combines personal storytelling and guidance and will resonate with its target generation. *Clarion Review*: Lively, appealing, and instructive, perfectly targeted to the millennial demographic. *Kirkus Review*: Who the hell is Peter Darrow? Health and wellness entrepreneur Peter Darrow thought he had life all figured out. A native of the posh and privileged Upper East Side, the young millennial lived large, attending elite schools, throwing lavish birthday parties, and spending summers in the Hamptons. Then one day his seemingly perfect, polished life came crashing down. Over the course of three hellacious years, his father died, he inherited and burned through a shit ton of money, his girlfriend dumped him, and his first ever business floundered. One morning he found himself looking in the mirror thinking, "Whose life am I living anyway?" After thousands of hours of therapy, introspection, and meditation, Peter exchanged entitlement for humility and his parents' worldview for one authentically his own. His tragic crash course in the meaning of life revealed that true wealth and happiness are not found in affluence and privilege but within oneself and within healthy relationships with others. This is his story. In this book, you will learn what it was like for Peter to grow up in Manhattan's Upper East Side, how to overcome heartbreak when dealing with the loss of a parent, a failed relationship, or an unsuccessful business endeavor.

About the grueling stresses of the restaurant industry and an inside perspective on what it's like to be an owner The unique world of online dating and how to cultivate more meaningful relationships How millennials can break free from their parents' outdated values and their self-obsessed egos so they can discover their personal truths and live fulfilling authentic lives and many other fascinating insights from a young entitled and privileged human being who now sees the world differently through loss disappointment and failure A powerful set of ruminations that are likely to hit many millennials of privilege where they live and help start them on journeys that are likely to be both interesting and useful Wise Millennial gives readers lots to think about Len Schlesinger President Emeritus Babson College Baker Foundation Professor Harvard Business School Millennials are given a bad rap lazy entitled generally bad at life But my generation is so much stronger and wiser than you might think and Wise Millennial proves that Peter gives an inside take that's alternatively hilarious poignant and inspiring for millennials and the people who love them Nicole Lapin New York Times bestselling author of Rich Bitch and Boss Bitch The millennial generation is reminiscent of the baby boom generation it is already wielding enormous influence over every facet of American culture society politics and economics and yet it is poorly if at all understood by the generations that preceded it In Wise Millennial Peter N Darrow offers insights based on hard won personal experience and assiduous academic study that make the thoughts dreams wants and desires of the millennial generation understandable at long last Harry Hurt III award winning journalist and author of Lost Tycoon The Many Lives of Donald J Trump
