Lost Bonanzas Of Western Canada Ii:

Lost Bonanzas of Western Canada Garnet Basque,1996 The book contains 13 true stories of lost mines buried treasure and outlaw loot from British Columbia Alberta and the Northwest Territories This collection of stories is unlike most Although many of the stories themselves are not new in the past most authors have merely glamorized the possibility that the treasure existed This author has gone far beyond that spending the time and research necessary trying to establish whether or not the treasure did in fact exist whether the people places and events actually existed It was a complicated process given the number of years that had passed Authenticating them however did not detract from the stories This collection will stir the adventuresome spirit in any reader

B.C. Provincial Police Stories Cecil Clark,1986-05 Cecil Clark s stories from the archives of B C s first lawmen show why the B C Provincial Police was considered one of North America s best police forces Included are tales of the McLeans a gang of vicious young killers in the Interior Skook Davidson one of the force s most unconventional Special Constables canine policemen and Sergeant Sperry Cline and his one of a kind approach to policing

Ghost Towns & Mining Camps of the Boundary Country Garnet Basque,1999 Annotation The lost communities that stretch from the Okanagan to West Kootenay come to life with 150 photographs a dozen maps and entertaining text Canadian Books in Print ,2003 *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1967 Includes Part 1 Number 1 Books and Pamphlets Including Serials and Contributions to Periodicals January June

Slumach's Gold Rick Antonson,Brian Antonson,2011-03-01 Slumach s Gold chronicles what is possibly Canada s greatest lost mine story It searches out the truth behind a Salish man s hanging for murder in 1891 and tracks the intriguing legend about him that grew after his death It was a legend that turned into a drama of international fascination when Slumach the hanged criminal was mysteriously linked to gold nuggets the size of walnuts The stories claimed that Slumach had placed a curse on a hidden motherlode to protect it from interlopers and trespassers just before he plunged to his death at the wrong end of a five strand rope Although many have attempted to find Slumach s gold over the past 100 years following tantalizing clues that are part of the legend itself none have succeeded or have they Rick Antonson Mary Trainer and Brian Antonson have diligently sifted through history and myth separating fact from fiction but leaving the legend intact along with the promise of gold yet to be found by some future gold seeker
