THE
LOST FRONTIER

Lost Frontier

Paul C Rosier

Lost Frontier:

Slopovers Stephen J. Pyne, 2019-04-02 America is not simply a federation of states but a confederation of regions Some have always held national attention some just for a time Slopovers examines three regions that once dominated the national narrative and may now be returning to prominence The Mid American oak woodlands were the scene of vigorous settlement in the late eighteenth and early nineteenth centuries and thus the scene of changing fire practices The debate over the origin of the prairies by climate or fire foreshadowed the more recent debate about fire in oak and hickory hardwoods In both cases today s thinking points to the critical role of fire The Pacific Northwest was the great pivot between laissez faire logging and state sponsored conservation and the fires that would accompany each Then fire faded as an environmental issue But it has returned over the past decade like an avenging angel forcing the region to again consider the defining dialectic between axe and flame And Alaska Alaska is different as everyone says It came late to wildland fire protection then managed an extraordinary transfiguration into the most successful American region to restore something like the historic fire regime But Alaska is also a petrostate and climate change may be making it the vanguard of what the Anthropocene will mean for American fire overall Slopovers collates surveys of these three regions into the national narrative With a unique mixture of journalism history and literary imagination renowned fire expert Stephen J Pyne shows how culture and nature fire from nature and fire from people interact to shape our world with three case studies in public policy and the challenging questions they pose about the future we will share with fire

The Wild West Will Wright, 2001-08-09 This book written by the author of the celebrated volume Six Guns and Society explains why the myth of the Wild West is popular around the world It shows how the cultural icon of the Wild West speaks to deep desires of individualism and liberty and offers a vision of social contract theory in which a free and equal individual the cowboy emerges from the state of nature the wilderness to build a civil society the frontier community The metaphor of the Wild West retained a commitment to some limited government law and order but rejected the notion of the fully codified state as too oppressive the corrupt sheriff Compelling and magnificently suggestive the book unpacks one of the core icons of our time

Ecritage Michael A. Lewis, 2011

Alaska Walter R. Borneman, 2009-10-13 This panoramic chronicle of Alaska captures the grandeur of its geography history and many larger than life personalities Just plain terrific Bradford Washburn The history of Alaska is filled with stories of new land and new riches and ever present are new people with competing views on how these valuable resources should be used Here are the stories of Russians exploiting a fur empire explorers checking rival advances prospectors stampeding to the clarion call of Gold soldiers battling out a decisive chapter in WWII oil wildcatters looking for a different kind of mineral wealth and always at the core of these disputes is the question of how the land itself is to be used and by whom While some want Alaska to remain static others are in the vanguard of change Alaska Saga of a Bold Land shows that there are no easy answers on either side of this perennial debate and that Alaska will always be crossing the next frontier

The Yuma Reclamation

Project Robert Sauder,2009-08-15 In the arid American West settlement was generally contingent on the availability of water to irrigate crops and maintain livestock and human residents Early irrigation projects were usually the cooperative efforts of pioneer farmers but by the early twentieth century they largely reflected federal intentions to create new farms out of the western public domain The Yuma Reclamation Project authorized in 1904 was one of the earliest federal irrigation projects initiated in the western United States and the first authorized on the Colorado River Its story exemplifies the range of difficulties associated with settling the nation s final frontier the remaining irrigable lands in the arid West including Indian lands and illuminates some of the current issues and conflicts concerning the Colorado River Author Robert Sauder s detailed meticulously researched examination of the Yuma Project illustrates the complex multiplicity of problems and challenges associated with the federal government s attempt to facilitate homesteading in the arid West He examines the history of settlement along the lower Colorado River from earliest times including the farming of the local Quechan people and the impact of Spanish colonization and he reviews the engineering problems that had to be resolved before an industrial irrigation scheme could be accomplished The study also sheds light on myriad unanticipated environmental economic and social challenges that the government had to confront in bringing arid lands under irrigation including the impact on the Native American population of the region The Yuma Reclamation Project is an original and significant contribution to our understanding of federal reclamation endeavors in the West It provides new and fascinating information about the history of the Yuma Valley and as a case study of irrigation policy it offers compelling insights into the history and consequences of water manipulation in the arid West

Prologue ,2015 *Critical Norths* Sarah Jaquette Ray,Kevin Maier,2017-05-15 For millennia the North has held a powerful sway in Western culture Long seen through contradictions empty of life yet full of promise populated by indigenous communities yet ripe for conquest pristine yet marked by a long human history it has moved to the foreground of contemporary life as the most dramatic stage for the reality of climate change This book brings together scholars from a range of disciplines to ask key questions about the North and how we ve conceived it and how conceiving of it in those terms has caused us to fail the region s human and nonhuman life Engaging questions of space place indigeneity identity nature the environment justice narrative history and more it offers a crucial starting point for an essential rethinking of both the idea and the reality of the North

[The Lost Frontier](#) Mark Asquith,2014-06-19 The success of *The Shipping News* and the film of *Brokeback Mountain* brought Proulx international recognition but their success merely confirms what literary critics have known for some time Proulx is one of the most provocative and stylistically innovative writers in America today She is at her best in the short story format and the best of these are to be found in her Wyoming trilogy in which she turns her eye on America s West both past and present Yet despite the vast amount of print expended reviewing her books there has been nothing published on the Wyoming Stories There is appetite for such a work the plethora of critical work on McCarthy s *Border Trilogy* indicates that the reinvention of the West is a subject for serious academic

study Provided by publisher **My Letters to the Church** Genesis McKenzie,2008-04 One solution to the greatest challenges of modern day Christianity today Anti Semitism is ingrained in our Christian doctrines and viewpoints which makes all who claim to be Christian prone to be natural anti Semitists in their doctrine This book provides an analysis of anti Semitism in Christian doctrines from a theological perspective and will show you how we can rid ourselves of it and destroy the leaven of anti Semitism in our Christian doctrine once and for all The author provides a new way of seeing the Letters to the Seven Churches of Revelation chapter 2 3 and a look at major religious practices in today s Pop Christianity from Baptism to the issue of Women s Silence in the Church a renewed way of viewing the Scriptures without much change An appreciation of the Jewishness of the Apostles and the Lost Frontier to help all come to unity of the knowledge of the Son of God **Virtual Slavica** Michael Neubert,2013-01-11 Get an inside view of producing digital information projects Digital technology has provided great opportunities as well as colossal challenges for information professionals at Slavic libraries collections and archives Virtual Slavica Digital Libraries Digital Archives presents leading information experts exploring the monumental task of converting Slavic manuscripts and books for presentation in the digital realm Readers get a clear inside view of how to conquer the various challenges that arise within digital library and archive projects through detailed descriptions of specific projects discussed in easy to understand language Slavic studies present innate problems when attempts are made to allow access to the material over the Internet The Cyrillic alphabet is just one of the huge stumbling blocks standing in the way of universal access to this important material Virtual Slavica Digital Libraries Digital Archives provides practical strategies for anyone looking for answers to problems within their own virtual information project Copyright issues digital reference text encoding online translation presentation issues and use of grant funding are some the topics comprehensively discussed to give information professionals clear solutions to the issues they may be facing The book is carefully referenced Virtual Slavica Digital Libraries Digital Archives examines the persistence of multiple standards for digitally handling the Cyrillic alphabet presenting the Comintern archives online FEB webits structure the creation of digital editions its plans for the future copyright issues in the twenty first century Meeting of Frontiersthe reorganization of the text content of the international collaborative digital library project at the Library of Congress standardized encoding practical and theoretical programming issues the unforeseen difficultiesand solutionsto complete a grant funded digital Slavic project and more Virtual Slavica Digital Libraries Digital Archives is of keen interest to librarians archivists Slavic studies academics and library and information science educators and students *Spectacular Narratives* Geoff King,2000-11-24 What is the appeal of the contemporary Hollywood blockbuster The sheer scale and impact of big special effects sequences is part of the attraction of films such as Independence Day Jurassic Park Titanic or Mission Impossible But they also offer other appeals including the dynamics of narrative Spectacular Narratives is the first serious book length treatment of the contemporary blockbuster including the digital effects based spectacle space fictions the action film war spectaculars the recent wave of

disaster movies and films evoking new technologies such as virtual reality Consideration is also given to the impact of profitable spin offs such as film related theme park rides and computer games Geoff King argues against the view that an emphasis on the spectacular has led to an erosion of the importance of narrative in Hollywood Instead he suggests even the most spectacular and effects led contemporary blockbuster offers a blend of appeals mixing elements of spectacle and narrative Narrative is explored at the levels of both linear story telling and underlying thematic patterns a particular emphasis being placed on the persistence of elements of the myth ideology of the American frontier Close textual analysis is combined with consideration of the industrial and social contexts of contemporary Hollywood in a readable original and rewarding book on the cinema that dominates markets across the globe *Quest West* Richard Lehan, 2014-05-05 Few spaces remain as central to American consciousness as the western frontier The vast territory which for generations fueled the desires and conquests of artists philosophers and politicians alike now offers new discoveries in Richard Lehan's *Quest West* Through an intellectual and cultural history of the frontier experience Lehan details the transformations of ideas and literary forms that occurred as the country expanded to the west and demonstrates how the wilderness and then by turn the urban frontier represent an ideological summary of the nation itself His study involves the foundations of belief and the realms of evolving interpretations from mythic destiny to the more regional address of historicism In both instances the desire is to find meaning in the lost past By tracing the evolution of Frederick Jackson Turner's famous thesis that the unchartered frontier ended in 1890 and was replaced with an equally precarious urban landscape Lehan argues that the two spaces became the basis for a division still evident in America today Historically the wilderness accommodated conservative thinking while urban environments proved more conducive to liberal values Ideologies stemming from the two regions as Lehan shows found literary equivalents in fictional narratives ranging from subgenres like the Western and naturalism to modern forms like neorealism and noir extending even into the postmodern Lehan offers a view of the West as a cultural phenomenon borne of ideological changes encompassing historical and literary movements from Puritan perspectives to the revisionist claims of Mark Twain and Walt Whitman from homesteading to imperial ambition *Quest West* traces these competing ideas as they appear in the works of major American writers such as James Fenimore Cooper Walt Whitman Willa Cather William Faulkner F Scott Fitzgerald John Dos Passos Nathanael West and John Steinbeck An important work of literary and historical scholarship *Quest West* presents compelling evidence that the meaning of America remains inseparable from the march of seminal ideas westward *Faith, Family, and Flag* Joanna Dee Das, 2025-11-25 Sons of Britches The Great American Chuckwagon Dinner Show The Haygoods The Grand Jubilee These are just a couple of the many shows performed in Branson MO where the seemingly innocent entertainment fuels American conservatism Branson Missouri the Ozark Mountain mecca of wholesome entertainment has been home to countless stage shows espousing patriotism and Christianity welcoming over ten million visitors a year Some consider it God's Country and others as close to

Hell as anything on Earth For Joanna Dee Das Branson is a political religious and cultural harbinger of a certain enduring dream of what America is She takes Branson more seriously than the light hearted fun it advertises and maybe we should too For Das Branson s performers offer visions of the American Dream that embody a set of values known as the three Fs faith family and flag Branson boosters insist that these are universal values that welcome all people the city aims to capture as many tourists as possible But over the past several decades faith family and flag have become markers of contemporary conservatism The shows and culture of Branson for all their fun and laughter have been a galvanizing political force for white working and middle class Christian Americans For social and economic conservatives alike Branson is practically proof of concept for America as they want it to be Faith Family and Flag is a comprehensive history of the Branson entertainment industry within the context of America s long culture wars Das reveals how and why a town known for popular entertainment a domain associated most often with the political left Hollywood liberals came to be so important to the political right and its vision for America

Frontiers George Nathaniel Curzon Marquis of Curzon,1907 *Masculinity and Film Performance* D. Peberdy,2011-07-19 A lively and engaging study of on screen and off screen performances of masculinity focusing on well known male actors in American film and popular culture in the 1990s and 2000s Peberdy examines specific social cultural historical and political contexts that have affected age race sexuality and fatherhood on screen

Machinery Fred Herbert Colvin,Lester Gray French,1935 **Obsessive Images** Joseph Warren Beach,1960 Obsessive Images was first published in 1960 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions As Mark Schorer comments this is the last unfinished work of a distinguished well loved critic poet and professor After the death of Joseph Warren Beach his colleague and friend William Van O Connor professor of English at the University of Minnesota prepared the unfinished manuscript of this work for publication and wrote the foreword The work is primarily a study of certain words phrases and images that turn up with unusual frequency in modern American poetry especially that of the decades of the 1930 s and 1940 s and which are used in unusual senses to carry special symbolisms or to imply peculiar philosophical attitudes Since the study is concerned with such recurring images and themes many poets of distinction in whose work they are not to be found are left out but Professor Beach also discusses the significance of the absence of these poets Students and critics will gain insight through this work into the characteristic attitudes of a generation of poets The book is moreover a delight to read reflecting as it does Mr Beach s own love for the study of poetry As Professor O Connor points out the tone is much more personal than that of Mr Beach s other books

[Indian Defence Review](#) Bharat Verma,2009-03-15 Indian Defence Review IDR is India s best known defense journal Over the year the journal has attained the most quoted status by defense and security analysts worldwide The journal offers an incisive analysis of defense and politico security affairs focused on Asia

returncharacterreturncharacterIn addition to defense and security analyses each issue includes regular feature sections on

aerospace trends naval affairs and army force developments including the latest arms transfers and news returncharacterreturncharacterIndian Defence Review a quarterly journal is read by almost all leading policy makers at senior bureaucratic political and military levels Time and again the incisive analyses in the Indian Defence Review have helped form opinions and shape strategic responses on the sub continent **Scientific Americans** John Bruni,2014-03-15 Demonstrating the timely relevance of Theodore Dreiser Edith Wharton Jack London and Henry Adams this book shows how debates about evolution identity and a shifting world picture have uncanny parallels with the emerging global systems that shape our own lives Tracing these systems take off point in the early twentieth century through the lens of popular science journalism John Bruni makes a valuable contribution to the study of how biopolitical control over life created boundaries among races classes genders and species Rather than accept that these writers get their scientific ideas about evolution second hand filtered through a social Darwinist ideology this study argues that they actively determine what evolution means Furthermore the book examines the ecological concerns that naturalist narratives reflect such as land and water use waste management and environmental pollution previously unaddressed in a book length study *Serving Their Country* Paul C Rosier,2012-09-03 Over the twentieth century American Indians fought for their right to be both American and Indian In an illuminating book Paul C Rosier traces how Indians defined democracy citizenship and patriotism in both domestic and international contexts Battles over the place of Indians in the fabric of American life took place on reservations in wartime service in cold war rhetoric and in the courtroom The Society of American Indians founded in 1911 asserted that America needed Indian cultural and spiritual values In World War II Indians fought for their ancestral homelands and for the United States The domestic struggle of Indian nations to defend their cultures intersected with the international cold war stand against termination the attempt by the federal government to end the reservation system Native Americans seized on the ideals of freedom and self determination to convince the government to preserve reservations as places of cultural strength Red Power activists in the 1960s and 1970s drew on Third World independence movements to assert an ethnic nationalism that erupted in a series of protests in Iroquois country in the Pacific Northwest during the occupation of Alcatraz Island and at Wounded Knee Believing in an empire of liberty for all Native Americans pressed the United States to honor its obligations at home and abroad Like African Americans twentieth century Native Americans served as a visible symbol of an America searching for rights and justice American history is incomplete without their story

Lost Frontier: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have captivated audiences this year. Lost Frontier : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Lost Frontier : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Lost Frontier : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
