Lost Language Of Cranes:

The Lost Language of Cranes David Leavitt, 2014-06-30 One of his generation's most gifted writers New York Times An amazingly perceptive novel San Francisco Chronicle Fascinating lingers in the mind New York Times Book Review Owen and Rose are facing serious challenges to their married life of routine and monotony as New York City grows and changes around them They spend most Sundays apart while Rose buries herself in crosswords and newspapers Owen visits gay porn theaters But when they discover they may lose their apartment and their son prompted by his new relationship reveals his homosexuality their lives cannot continue as they were Owen and Rose are forced to confront not only their son's revelation but also Owen's latent homosexuality Poignant and lingering this is a tale of love and relationships secrets and unspoken desires

Out of the Twilight Andrew Gottlieb, 2014-07-16 How would you react if your son told you he was gay Out of the Twilight Fathers of Gay Men Speak explores how fathers have dealt with discovering that their sons were gay and what effect it had on their own development as parents and people This revealing moving book will help you understand the difficulties and joys of a father-son relationship Out of the Twilight draws from literary sources such as poems fairy tales plays novels and movies as well as psychoanalytic theories to highlight the obstacles that a father must overcome to understand and identify with his son In Out of the Twilight you will discover the personal and intimate struggles of these fathers including Mitchell whose son Jay came out at the age of twenty one and who describes the coming out process as a means of forging a closer father-son relationship Juan Miguel who knew and accepted that his son was gay before his son told him and who discusses how his love and complete acceptance made the coming out process easier for his son Peter whose response to his son Richard was ordering him to live at home so the family could look for a cure for Richard's homosexuality Daniel who admitted that he himself was gay after being married and who was very accepting when his son Charles came out since it provided them with a special bond Marty whose response to his son Gary's coming out was to join P FLAG an organization for parents of gay and lesbian children so he could find support and acceptance among other parents who were going through the same thing Out of the Twilight allows you to see how fathers have struggled with the truth about their sons' sexuality This book presents a unique opportunity to develop a greater awareness of and appreciation for father-son similarities and differences and suggests that through time communication and love fathers can become comfortable with and respectful of their sons' homosexuality

The Lost Language of Cranes David Leavitt, 1987 Als een Amerikaanse jongeman aan zijn ogenschijnlijk behoudende ouders meedeelt dat hij homoseksueel is veroorzaakt hij een kettingreactie

Homosexuality on the Small Screen Sebastian Buckle, 2018-08-30 Television provides a unique account of the development of a homosexual identity across the western world emerging as it did when ideas around sex and sexuality were themselves only just beginning to be publicly discussed From the very earliest surviving drama featuring homosexuality in 1959 *Homosexuality on the Small Screen* explores each decade's programming in turn looking at homosexual themes

storylines and characters situating them historically and relating them to the broader events in British history By doing so it examines the interactions between the medium and the reality of gay lives showing how television mirrored the changes taking place in British society For those with a homosexual or emerging homosexual sexual orientation they were seminal in early personal and social development For heterosexual viewers these images were equally important in exploring a sexual other which otherwise remained hidden from them They included positive storylines which helped improve public ideas about homosexuality but also stereotypical images which propagated negative attitudes in the public consciousness Homosexuality on the Small Screen charts this fascinating journey and television s role in the construction of a gay identity

De-Centering Sexualities Richard Phillips, David Shuttleton, Diane Watt, 2000 This book of critical rural geography breaks new ground by drawing attention to sex and sexualities outside the metropolis It explores sexualities and sexual experiences in a variety of rural and marginal spaces with international contributions from a wide range of disciplines These include literary and cultural studies lesbian and gay studies geography history and law Among the topics uncovered are a lesbian in rural England sexual life in rural Wales sexuality in rural South Africa scandal in the American South sex race and politics nature and homosexuality

Writing Masculinities Ben Knights, 1999-05-17 The great bulk of work on gender in fiction and literature has reflected feminist concerns and focused on women authors This book attempts to extend the contemporary preoccupation with representations of gender into the terrain of masculinity and male writing Drawing on work in both the social sciences and humanities it explores the narrative representation of masculinity in selected twentieth century fictions ranging from classic texts by Lawrence and Conrad to novels by John Fowles Graham Swift David Leavitt and others

The Columbia Companion to the Twentieth-Century American Short Story Blanche H. Why Architects Still Draw Paolo Belardi, 2014-02-14 An architect s defense of drawing as a way of thinking even in an age of electronic media Why would an architect reach for a pencil when drawing software and AutoCAD are a click away Use a ruler when 3D scanners and GPS devices are close at hand In *Why Architects Still Draw* Paolo Belardi offers an elegant and ardent defense of drawing by hand as a way of thinking Belardi is no Luddite he doesn t urge architects to give up digital devices for watercolors and a measuring tape Rather he makes a case for drawing as the interface between the idea and the work itself A drawing Belardi argues holds within it the entire final design It is the paradox of the acorn a project emerges from a drawing even from a sketch rough and inchoate

just as an oak tree emerges from an acorn Citing examples not just from architecture but also from literature chemistry music archaeology and art Belardi shows how drawing is not a passive recording but a moment of invention pregnant with creative possibilities Moving from the sketch to the survey Belardi explores the meaning of measurement in a digital era A survey of a site should go beyond width height and depth it must include two more dimensions history and culture Belardi shows the sterility of techniques that value metric exactitude over cultural appropriateness arguing for an informed drawing that takes into consideration more than meters or feet stone or steel Even in the age of electronic media Belardi writes drawing can maintain its role as a cornerstone of architecture

Book Lust Nancy Pearl, 2009-09-29 What to read next is every book lover's greatest dilemma Nancy Pearl comes to the rescue with this wide ranging and fun guide to the best reading new and old Pearl who inspired legions of litterateurs with *What If All Name the City Read the Same Book* has devised reading lists that cater to every mood occasion and personality These annotated lists cover such topics as mother daughter relationships science for nonscientists mysteries of all stripes African American fiction from a female point of view must reads for kids books on bicycling chick lit and many more Pearl's enthusiasm and taste shine throughout

Gay Men's Literature in the Twentieth Century Mark Lilly, 1993-11 In gay men's writing tenderness lies side by side with rage existential rejection of convention rubs shoulders with sexual hedonism Beginning with Wilde's and Byron's existentialist outlaw the theme of social rebellion and the fight against conformity form a common link among the literary works of the twentieth century But mainstream academic criticism has shown itself for the most part incapable of engaging gay work without distorting or ignoring its most central features

International Handbook of Research in Arts Education Liora Bresler, 2007-01-26 Providing a distillation of knowledge in the various disciplines of arts education dance drama music literature and poetry and visual arts this essential handbook synthesizes existing research literature reflects on the past and contributes to shaping the future of the respective and integrated disciplines of arts education While research can at times seem distant from practice the Handbook aims to maintain connection with the live practice of art and of education capturing the vibrancy and best thinking in the field of theory and practice The Handbook is organized into 13 sections each focusing on a major area or issue in arts education research

Education at the Edge of Experience Marla Morris, 2024-06-03 Presenting a unique exploration of education at the edge of experience this book investigates how unassimilable concepts can reconceptualize education in order to grapple with what is beyond understanding Working at the intersection of curriculum theory philosophy and psychoanalysis Morris examines how each of these unassimilable concepts such as lament disavowal breathlessness and the Kafkaesque point toward currere as the edge of experience It addresses what Lee Braver calls the groundless grounds and what Avital Ronell calls the quicksand that is philosophy to approach slippage and breaking points through an interdisciplinary lens Pointing to an understanding of our largely social ills and extending William F Pinar's early work on currere in new and innovative directions this book will appeal to curriculum theorists education philosophers

psychoanalysts and those with interests in the philosophy and theory of education **The Reconceptualization of Curriculum Studies** Mary Aswell Doll, 2016-06-23 In this volume scholars from around the world consider the influential work of William F Pinar from a variety of conversations his ideas have generated The major focus is on the What Why and How of the word reconceptualization which involves engaging critically and ethically as public intellectuals with gender class and race issues theorized in a variety of disciplines The book introduces Pinar's seminal argument for curriculum to return to its root in the word currere the running of the course of study and its key concepts autobiography as alternative to the denial of subjectivity in traditional curriculum studies study and place Issues addressed include the ethics of study both of self and of the discipline of curriculum studies the politics of presence the curricular importance of entering the public sphere the openness to complicating simple solutions and the ethical dealing with alterity the state of being other or different otherness
