Burkhalter, 2010-03 The saga continues with Dr Burel's children moving west His son James led the Mississippi bound wagons from South Carolina into another untamed frontier Their first Christmas in Attalaville Mississippi was a grand celebration of their newfound life only to have the New Year bring tragedy Mississippi's Golden Years brought prosperity to the pioneers as landowners and independent farmers Too soon the Civil War swept across their land leaving King Cotton reeling and survivors coping with shattered lives Sympathetic eyes of the world watched as they searched for ways to survive the aftermath of total war Lisbeth Burel struggled with the heartbreak of losing the war her husband James and her youngest son Bracing to survive post war defeat and economic ruination Lisbeth and her oldest son learned to cope with the nagging pain and hatred of a useless war With the burden of the world on William Riley's back he turned to God and self reliance to get them through the bleak future Recovery was slow and families joined hands to plant new fields of cotton corn and sorghum cane Thirty years of worry and hard work turned William into an old sick man long before his time On a cold

October morning the stooped and frail man shuffled toward the sugarcane mill and furnace Assuring the old family recipe and tradition continued he taught his grandson how to cook molasses to be as smooth as silk A couple months later William s family celebrated the biggest Christmas since the war Sadly two days later the celebration was marred as his thirteen proud children mourned the loss of their Pa After the war William Riley took great pain to instill the belief that they and their kind were the moral fiber offering the best hope for rebuilding the New South And they were *Jackson's North State Street* Todd Sanders,2009 Since the mid 19th and early 20th centuries Jackson s North State Street has been home to some of the capital city s major architectural landmarks North State Street was bordered by stately homes of many different styles and periods from rather simple antebellum cottages to grand Greek Revival elaborate Queen Anne and elegant Colonial Revival and neoclassical mansions as well as impressive institutional buildings and churches However beginning in the early years of the Great Depression many of these stately homes and buildings were lost replaced by apartments parking lots and commercial buildings Through the images in this book those who never witnessed first hand the majesty of Jackson s North State Street will be able to gain some insight into what has been lost and truly appreciate what remains For those who remember what North State Street was this book will be a chance to revisit and reminisce about that lost era **Jefferson's Muslim Fugitives** Jeffrey Einboden,2020-04-01 On October 3 1807 Thomas Jefferson was contacted by an unknown traveler urgently pleading for a private interview with the President promising to disclose a matter of momentous importance By the next day Jefferson held in his hands two astonishing manuscripts whose history has been lost for over two centuries Authored by Muslims fleeing captivity in rural Kentucky these documents delivered to the President in 1807 were penned by literate African slaves and written entirely in Arabic Jefferson s Muslim Fugitives reveals the untold story of two escaped West Africans in the American heartland whose Arabic writings reached a sitting U S President prompting him to intervene on their behalf Recounting a quest for emancipation that crosses borders of race region and religion Jeffrey Einboden unearths Arabic manuscripts that circulated among Jefferson and his prominent peers including a document from 1780s Georgia which Einboden identifies as the earliest surviving example of Muslim slave authorship in the newly formed United States Revealing Jefferson s lifelong entanglements with slavery and Islam Jefferson s Muslim Fugitives tracks the ascent of Arabic slave writings to the highest halls of U S power while questioning why such vital legacies from the American past have been entirely forgotten *The Generation That Saved America* Bettye B. Burkhalter,2010-12-10 History Romance Destiny The Third Novel in the Trilogy Dr John Burel s great grandson John Harrison was a toddler when his family pioneered from South Carolina to Mississippi As a youngster he proudly helped his family bellwether the Civil War and rebirth of the New South By the early 1900s he was a prosperous farmer and landowner Time passed quickly and too soon he was an old man Join Grandpa and feel the biting north wind as he shuffled onto the front porch cupped his hands around his mouth and shouted It s hog killing day Watch the bustling families rush toward the big house to slaughter enough hogs to carry them through the

winter Summer finally arrived and brought old time gospel singing and preaching to their country church on the hill Mama rose early on Sunday morning and filled her basket with fried chicken biscuits baked sweet potatoes and fried apple pies After preaching there was going to be another dinner on the ground Everyone was excited Without a doubt those were the good years But all that changed Walk down the dismal road with the Burrell family as they helplessly watched the reckless Roaring Twenties and Great Depression bring a flourishing economy and their comfortable lifestyle to a grinding halt Feel Grandpa s pain and humiliation when the bank called in his Deed of Trust and he was forced to sell his last 640 acre farm and home for a few dollars Sit for awhile and listen to his grandson Cecil Allen Burrell The Man Himself as his thought provoking stories detail how they all survived those disastrous years With their eyes on the future John Harrison s children and grandchildren navigated their way back into prosperity and eventually reclaimed their part of the American dream the same dream brought to America by their Great3 Grandfather Dr Jean Baptiste Elzear Burel in 1778      **Persistence through**
