Balsiger,Charles E. Sellier,2008 It is a mystery to which all of mankind is seeking the answer Beginning with the story of Noah and woven throughout the pages of the Bible is a thread that ties together our past present and future a series of supernatural messages that carry the keys to life death and eternity Can these miraculous messages provide answers to life's most fundamental questions What is mankind's purpose on Earth What does the future hold Will we escape impending End Times catastrophic events Our quest for answers to these tough questions leads us to a mountaintop in eastern Turkey and to the remains of a 5 000 year old wooden ship Could this be Noah's Ark You will be amazed at what has been discovered Book jacket Flood Legends Charles Martin,2009 The story of the Deluge or the Global Flood of Noah permeates nearly every culture in the world in some way shape or form While details vary between the different cultures the same basic elements occur in all versions Despite the striking similarities of these

accounts some mythologists have looked at the minor differences in the stories and declared This never happened There is another alternative to accept that the different versions all refer to the same event passed on from generation to generation through various developing cultures Through these legends this epic event has remained woven into the tapestry of cultural history sharing not just the story of survival but the power of obedience and the fulfillment of God s enduring promise

The Last Noah David Cuff,2019-10-08 The Last Noah is a unique take on the sci fi genre that throws questions at you from the word go Robin and Miranda go to bed in their separate rooms but wake up somewhere else Somewhere that is alien and way outside their comfort zone However as they discover more about their new surroundings and have several unusual and action packed adventures they begin to suspect that all may not be as it first seemed As the days progress their passion for each other grows as their relationship develops emotionally and physically However is someone or something watching them Why do they keep discovering things that don t feel right And what s the story behind the various androids who they meet during their adventures Follow the mysterious adventures of our two unwilling space travellers and discover what is really going on Some more reviews from other sales sites An unseen presence consistent and ever present drives the story forward with a strong sense of mystery and a need to know more Interesting plotline with masterful twists and turns that are tied up in a nice bow at the end The Last Noah by David Cuff is a worthy sci fi novel Puzzling at times mysterious and absolutely captivating I read the entire book in one day entranced all the way through This wonderful ability to relate the story so finely by Cuff adds immense enjoyment to the overall reading experience The Last Noah is a fine addition to anyone s book collection who loves a good space adventure

Ancient Aliens and Secret Societies Mike Bara, 2015-03-17 Did ancient visitors of extraterrestrial origin come to Earth long ago and fashion man in their own image? Did they then lift the human race out of the ashes of a great global catastrophe around 10,500 BC? Were the science and secrets that they taught the ancients intended to be a guide for all humanity to the present era? Was this crucial information about our future and our true past hijacked by secretive cabals, some with bad intent and some with altruistic designs, who have held these secrets over the millennia? New York Times bestselling author Mike Bara says the answer to each of these questions is yes. He examines ancient documents including the Bible to delve into the true story of the beginnings of mankind. He establishes the reality of the major catastrophe that jolted the human race and traces the history of secret societies from the priesthood of Amun in Egypt to the Templars in Jerusalem and the Scottish Rite Freemasons. He shows how the spiritual wisdom and scientific knowledge the ETs sought to bestow on all humanity were kept by these secret societies for their own benefit. The influence of these sects and their extraterrestrial ties are said to be the stuff of myth, but Bara will show readers that this influence is all too real, extending even into the political arena. He has a very interesting take on the Kennedy assassination. Bara also reveals the true origins of NASA and exposes the bizarre triad of secret societies in control of that agency since its inception. In the end, Bara shows how NASA is manipulating the space program to fulfill occult purposes which may lead to our meeting the very ETs we have been inextricably linked with since the beginning.

The Last Ship William Brinkley, 2014-05-28 Hailed as an extraordinary novel of men at war, *The Washington Post* says this is the book that inspired the TNT television series starring Eric Dane. Rhona Mitra, Adam Baldwin, and Michael Bay as Executive Producer. The unimaginable has happened. The world has been plunged into all-out nuclear war. Sailing near the Arctic Circle, the U.S.S. Nathan James is relatively unscathed, but the future is grim. Captain Thomas is facing mutiny from the tattered remnants of his crew. With civilization in ruins, he urges those that remain, one hundred and fifty-two men and twenty-six women, to pull together in search of land. Once they reach safety, however, the men and women on board realize that they are Earth's last remaining survivors and they've all been exposed to radiation. When none of the women seems able to conceive, fear sets in. Will this be the end of humankind?

Is There Evidence for the Christian Faith? Craig A. Williams, 2001-11

From the Ashes of Angels Andrew Collins, 2001-09-01 Provides convincing evidence that angels, demons, and fallen angels were flesh and blood members of a giant race predating humanity, spoken of in the Bible as the Nephilim. Indicates that the earthly paradise of Eden was a realm in the mountains of Kurdistan. By the author of *Gateway to Atlantis*. Our mythology describes how beings of great beauty and intelligence, who served as messengers of gods, fell from grace through pride. These angels, also known as Watchers, are spoken of in the Bible and other religious texts as lusting after human women, who lay with them and gave birth to giant offspring called the Nephilim. These religious sources also record how these beings revealed

forbidden arts and sciences to humanity transgressions that led to their destruction in the Great Flood Andrew Collins reveals that these angels demons and fallen angels were flesh and blood members of a race predating our own He offers evidence that they lived in Egypt prior to the ancient Egyptians where they built the Sphinx and other megalithic monuments before leaving the region for what is now eastern Turkey following the cataclysms that accompanied the last Ice Age Here they lived in isolation before gradually establishing contact with the developing human societies of the Mesopotamian plains below Humanity regarded these angels described as tall white haired beings with viperlike faces and burning eyes as gods and their realm the paradise wherein grew the tree of knowledge Andrew Collins demonstrates how the legends behind the fall of the Watchers echo the faded memory of actual historical events and that the legacy they have left humanity is one we can afford to ignore only at our own peril

Reflections on Biblical Histories Robert N. Palmer,2005-02-10 The book is a re examination of the Old Testament and historic figures contained therein plus a glimpse into the life of Jesus The author finds fault with the chronologies of both archbishops Usher and Edwin Thiele while showing a more accurate one for the Hebrew histories to have occurred using various disciplines Such as archeology Assyriology astronomy Biblical studies church history Egyptology Historic Geology and Paleography

The Shape of Life Rudolf A.
