The Lost Teachings of Jesus, Book 1 Mark L. Prophet, Elizabeth Clare Prophet, 2020-01-01 Unmistakable evidence that many of Jesus' teachings were altered, deleted or never recorded. In their classic series *The Lost Teachings of Jesus*, Mark L. Prophet and Elizabeth Clare Prophet prove that many of Jesus' original teachings are missing. They show that the New Testament records only a fragment of what Jesus taught. That what was written down was tampered with by numerous editors or suppressed by guardians of the faith. And that some of what was recorded has been misinterpreted to this day. The authors fill in the gaps with a bold reconstruction of the essence of Jesus' message. They unfold the lost teachings Jesus gave in public to the multitudes and in secret to his closest disciples. In modern vernacular, they offer a unique blend of the mystical and the practical that goes beyond the orthodox view of Jesus to discover his original message. And they answer questions that have puzzled readers of the Bible for centuries.

The Lost Teachings of Jesus, Book 2 Mark L. Prophet, Elizabeth Clare Prophet, 2020-11-19 In Book 1 of their *Lost Teachings of Jesus* series, Mark L. Prophet and Elizabeth Clare Prophet demonstrate that many of Jesus' original teachings were lost. In Book 2, they go one step further. They show how early churchmen aided and abetted by the Roman emperors Constantine and Justinian distorted Jesus' true teachings. And robbed you of what he wanted you to know about the power of your own inner Christ. In modern vernacular, parable and story, the Prophets provide the missing links. They explain the difference between Jesus and the Christ. They show how the Church's doctrines on sin and the only begotten Son of God have obscured what Jesus really taught about salvation. And they explore how Eastern concepts like karma, reincarnation and chakras can be found wrapped in the

mysteries he gave the disciples Most importantly they recapture the heart of his message that you like Jesus can reconnect with your Divine Source to realize your full potential **Meeting the Masters** Mark L. Prophet, Elizabeth Clare

Initiations of the Heart Elizabeth Clare Prophet, 2020-11-01 Did Our Hearts Not Burn Within Us The mystics have always known that the heart is the most important center of consciousness We can gain visions through the third eye enlightenment through the crown But the true fount of cosmic consciousness is always in the heart How do we develop our heart the chakra of Divine Love How can we increase the fire of the heart How can we expand the threefold flame the very source of life within us Within Initiations of the Heart the ascended masters reveal the mysteries of the heart Most

John,2013-08 Wherever there is life there is increase and growth In God's kingdom there is a constant interchange of receiving and returning Thus the capacity for receiving is increased As one communicates the heavenly gifts to others he makes room for fresh supplies to flow into his soul from the living fountain Greater light increased knowledge and blessing are multiplied to him Whoever is satisfied in receiving and never giving loses his capacity to receive This is true in temporal as in spiritual things There can be no life without growth A plant must either grow or die As its growth is silent and imperceptible but continuous so is the growth of character The plant grows by receiving that which God has provided to sustain its life Spiritual growth is attained through cooperation with divine agencies As the plant takes root in the soil so we are to take root in Christ As the plant receives the sunshine the dew and the rain so are we to receive the Holy Spirit The object of the husbandman in sowing and planting is the production of grain bread for the hungry and seed for future harvests So the divine husbandman looks for a harvest He is seeking to reproduce himself in the hearts and lives of his followers that through them he may be reproduced in other hearts and lives *Eight Keys* takes you step by step through the process of spiritual growth and development *Collected works.
