Lot Of My Sister:

Lot of My Sister Alison Stine, 2001 Alison Stine's best poems here are confessional and meditative sequences but are shadowed by the tradition of dramatic narrative they propose types of redemptive performance Their white spaces are crucial to this ironic self appraisal in which a lost outcast belated family is assembled by invocation Robert Hill Long My Sister's Wedding Vicky Pattison, 2017-06-15 For better or worse two families are about to become one Sassy and romantic Heat The perfect summer read OK The Ashworth sisters couldn't be more different Becky is focused driven and about to marry her lovely fiancé Daniel Balfour Lizzie on the other hand bounces from one temp job to another keeps falling for the wrong man and is a whirlwind of chaos in Becky's otherwise well ordered life But they love each other fiercely and the Ashworth way has always been family comes first As preparations for Becky and Daniel's wedding get underway it soon becomes clear that the Ashworth way is not the Balfour way Daniel's family have never thought Becky was good enough for him but he loves her and that's always been enough for the happy couple But when Lizzie gets caught in the crossfire between Becky and the Balfours Becky and Lizzie find themselves drifting apart at a time when they need each other the most Will they be able to repair the damage before Becky walks down the aisle Warm hearted fun witty and romantic My Sister's Wedding will have you crying with laughter one second and then crying with emotion the next A story of sisters family love and romance perfect for fans of Lindsey Kelk and Sarah Morgan My Sister's Boyfriend Sylvia McDaniel, 2013-12-20 The trouble with identical twins He's back The one guy she never wanted to see again Her high school indiscretion Brent Moulton has returned to Tyler Texas Only Jennifer Riley knows the truth about that night so long ago when she switched places with her twin sister Julie and gave her virginity along with her heart to her sister's boyfriend in the backseat of his father's Mustang they look alike Fifteen years later life has thrown them back together Will Brent realize he slept with the wrong twin Will he overcome his commitment issues and realize that Jennifer just might be the right twin for him Where's My Sister? Linda Burden, 2011-04-18 When Linda Burden was five years old her adopted parents came home with a new baby The baby was not born to Linda's parents much as they had done with Linda and her brother the Burden parents had adopted the tiny child This tiny child was now Linda's little sister and they named her Alison They appeared to have a charmed life but there was nothing charming about it Linda and Alison's parents were still mourning the deaths of their two biological children Their father was an alcoholic and their mother was having an affair This difficult upbringing drew Linda and Alison together as more than just adopted sisters they became friends best friends who would survive a painful childhood to become adults on very different life paths Linda took a high road Alison suffering from psychological illness found herself on a low road Alison's life devolved into one of alcoholism and anorexia Linda would become her only hope for salvation In this true life account of sibling love and devotion Linda watches her sister's weight drop to sixty five pounds and before it's too late she must convince Alison that she is beautiful Despite their differing DNA
