One Knight's Desire Claire Delacroix,2023-11-14 When the grim Lord de Tulley bequests his legacy to his niece and
decides to arrange her marriage the maiden in question knows that no man of sense will decline such a rich prize of a bride
Her jest undertaken to ensure her survival and ease an old man's loneliness has become deadly serious To Heloise's dismay
Tulley chooses Lothair the Viking as his successor Lothair is unlike the other knights in his company just as powerful and
decisive as his fellows quiet Lothair is also perceptive His very presence makes Heloise's heart flutter and not just because
she fears he will uncover her deepest secret A man of honor like Lothair can only reveal the truth to Tulley and Heloise
dreads the result Can she charm her taciturn betrothed for the greater good A warrior and a healer Lothair is accustomed to
being caught between objectives Still experience has not prepared him for the temptation of Lady Heloise the beautiful niece
of his overlord The maiden's very presence steals his wits and renders him mute while her barest glance fills his heart with
wild yearning When Lothair discovers that Heloise is not the maiden she pretends to be he is once again snared between
honor and duty his dawning love for his new wife and the lady's determination to keep her secret Can he dare to trust the
woman who has stolen his heart or is he just a willing pawn to his lady Can Heloise trust the knight who swears to defend her
forever instead of fleeing or will her past demand its due from both of them first *My Uncle from India* Harold
