Lotteries Laws Morals:

Lotteries, Laws, and Morals Francis Emmett Williams, 1958 Morality and the Mail in Nineteenth-Century America Wayne E. Fuller, 2010-10-01 Morality and the Mail in Nineteenth Century America explores the evolution of postal innovations that sparked a communication revolution in nineteenth century America Wayne E Fuller examines how evangelical Protestants the nation's dominant religious group struggled against those transformations in American society that they believed threatened to paganize the Christian nation they were determined to save Drawing on House and Senate documents postmasters general reports and the Congressional Record as well as sermons speeches and articles from numerous religious and secular periodicals Fuller illuminates the problems the changed postal system posed for evangelicals from Sunday mail delivery and Sunday newspapers to an avalanche of unseemly material brought into American homes via improved mail service and reduced postage prices Along the way Fuller offers new perspectives on the church and state controversy in the United States as well as on publishing politics birth control the lottery censorship Congress's postal power and the waning of evangelical Protestant influence **State Lotteries** United States. Stuntz, 2013-10-07 Rule of law has vanished in America's criminal justice system Prosecutors decide whom to punish most accused never face a jury policing is inconsistent plea bargaining is rampant and draconian sentencing fills prisons with mostly minority defendants A leading criminal law scholar looks to history for the roots of these problems and solutions

Moral Reconstruction Gaines M. Foster, 2003-04-03 Between 1865 and 1920 Congress passed laws to regulate obscenity sexuality divorce gambling and prizefighting It forced Mormons to abandon polygamy attacked interstate prostitution made narcotics contraband and stopped the manufacture and sale of alcohol Gaines Foster explores the force behind this unprecedented federal regulation of personal morality a combined Christian lobby Foster analyzes the fears of appetite and avarice that led organizations such as the Women's Christian Temperance Union and the National Reform Association to call for moral legislation and examines the efforts and interconnections of the men and women who lobbied for it His account underscores the crucial role white southerners played in the rise of moral reform after 1890 With emancipation white southerners no longer needed to protect slavery from federal intervention and they seized on moral legislation as a tool for controlling African Americans Enriching our understanding of the aftermath of the Civil War and the expansion of national power Moral Reconstruction also offers valuable insight into the link between historical and contemporary efforts to legislate morality Federal Communications Commission reports United States.
