Merchant Culture in Fourteenth Century Venice John E. Dotson, 1994 The Grove Encyclopedia of Medieval Art and Architecture Colum Hourihane, 2012 This volume offers unparalleled coverage of all aspects of art and architecture from medieval Western Europe from the 6th century to the early 16th century Drawing upon the expansive scholarship in the celebrated Grove Dictionary of Art and adding hundreds of new entries it offers students researchers and the general public a reliable up to date and convenient resource covering this field of major importance in the development of Western history and international art and architecture **A Cultural History of Shopping in the Middle Ages** James Davis, 2022-06-02 A Cultural History of Shopping was a Library Journal Best in Reference selection for 2022 Throughout Europe the collapse of Roman authority from the 5th century fractured existing networks of commerce and trade including shopping The infrastructure of trade was slowly rebuilt over the centuries that followed with the growth of beach markets emporia seasonal fairs and periodic markets until in the late Middle Ages the permanent shop re emerged as an established part of market spaces both in towns and larger urban centers Medieval society was a display culture and by the 14th century there was a marked increase in the consumption of manufactures and imported goods among the lower classes as well as the elite This volume surveys our understanding of medieval retail markets shops and shopping from a range of perspectives spatial material culture literary archaeological and economic A Cultural History of Shopping in the Middle Ages presents an overview of the period with themes addressing practices and processes spaces and places shoppers and identities luxury and everyday home and family visual and literary representations reputation trust and credit and governance regulation and the state A Companion to Venetian History, 1400-1797 , 2013-07-11 The field of Venetian studies has experienced a significant expansion in recent years and the Companion to Venetian History 1400 1797 provides a single volume overview of the most recent developments It is organized thematically and covers a range of topics including political culture economy religion gender art literature music and the environment Each chapter provides a broad but comprehensive historical and historiographical overview of the current state and future directions of research The Companion to Venetian History 1400 1797 represents a new point of reference for the next generation of students of early modern Venetian studies as well as more broadly for scholars working on all aspects of the early modern world Contributors are Alfredo Viggiano Benjamin Arbel Michael Knapton Claudio Povolo Luciano Pezzolo Anna Bellavitis Anne Schutte Guido Ruggiero Benjamin Ravid Silvana Seidel Menchi Cecilia Cristellon David D Andrea Elisabeth Crouzet Pavan Wolfgang Wolters Dulcia Meijers Massimo Favilla Ruggero Rugolo Deborah Howard Linda Carroll Jonathan Glixon Paul Grendler Edward Muir William Eamon Edoardo Demo Margaret King Mario Infelise Margaret Rosenthal and Ronnie Ferguson **Coinage and Money in Medieval Greece 1200-1430 (2 vols.)** Julian Baker, 2020-10-20 Coinage and Money in Medieval Greece 1200 1430 by Julian Baker is a monetary history of medieval Thessaly mainland Greece and the Peloponnese Epiros and adjacent islands The central focus

of the book is the record of coin finds and coin types which this study presents in a fully developed political socio economic military and archaeological topographical context In medieval Greece there is a strong symbiosis between monetary and historical developments The general level of documentation is also vastly superior to the preceding middle Byzantine period Volume Two presents and evaluates these data Volume One offers analyses on major historical themes which demonstrate that the monetary sources can hold narratives in their own rights complementing and at times contradicting the established accounts This volume was awarded the M daille Allier de Hauteroche de l Acad mie des Inscriptions et Belles Lettres in 2021 MCette m daille a t d cern e M Julian Baker pour son ouvrage en 2 vol intitul Coinage and Money in Medieval Greece 1200 1430 Leyden Brill 2020 For more information please visit Palmar s 2021

Early Modern Merchants and their Books Angus Vine,2025-07-23 Early Modern Merchants and their Books offers the first dedicated study of the literary and intellectual lives of the merchants of seventeenth century Britain Drawing primarily on unpublished manuscript material but also on a range of rarely discussed printed texts the book reveals for the first time the importance of this mercantile humanism A contribution principally to the field of book history but with significance for early modern literary studies cultural and intellectual history global history and history of science too this volume examines mercantile account books letter books anthologies and manuals as well as mercantile libraries and archives and mercantile poetic and pedagogical works to document this now little known literary and intellectual culture Working across geographical contexts as well as institutional structures the book examines merchants as accountants record keepers authors collectors and compilers and reveals the creative interplay between financial commercial administrative archival memorial and devotional categories and practices in the early modern mercantile world Through a series of mercantile microhistories each based on a single document or group of associated documents the book traces the range and extent of this mercantile humanism and identifies its signature textual and material forms as well as its key subjects and concerns and some of its most important actors Early Modern Merchants and their Books in this way challenges long held assumptions about knowledge making in the seventeenth century and pushes back against equally persistent beliefs about merchants in the period As such it not only offers a revisionist history of the early modern merchantry and a major new account of learning in the seventeenth century but also constitutes a significant methodological intervention in book history itself

The Making of the Magdalen Katherine Ludwig Jansen,2001-07-02 Best known during the Middle Ages as the prostitute who became a faithful follower of Christ Mary Magdalen was the most beloved female saint after the Virgin Mary Why the Magdalen became so popular what meanings she conveyed and how her story evolved over the centuries are the focus of this compelling exploration of late medieval religious culture Analyzing previously unpublished

sermons Katherine Jansen uses the lens of medieval preaching to examine the mendicant friars transformation of Mary Magdalen a shadowy gospel figure into an emblem of action and contemplation a symbol of vanity and lust a model of perfect penance and the embodiment of hope and salvation She draws on diverse historical sources to reveal the laity's devotion to Mary Magdalen which departed significantly from the friars image of the saint signaling a major development in popular religious practice and personal piety Finally the author comprehensively addresses the question of the House of Anjou's alliance with the Magdalen and illuminates the relationship between politics and sanctity in southern France and Italy Jansen shows how perceptions of the Magdalen merged with errors and misunderstandings to shape the social spiritual and political agendas of the later Middle Ages She brings to life the rich complexity of medieval culture which condemned female sexuality and women's preaching and yet popularized the veneration of Mary Magdalen as a former prostitute chosen by Christ to be the apostle of the apostles the first to witness and preach the Good News of the Resurrection
